

RESOLUTION NO. 22849

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RIVERSIDE, CALIFORNIA, DECLARING ITS OFFICIAL INTENT TO REIMBURSE QUALIFIED CAPITAL EXPENDITURES RELATING TO THE WATER UTILITY'S FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM FROM ANTICIPATED BOND PROCEEDS

WHEREAS, the City Council of the City of Riverside ("City"), through its Department of Public Utilities, intends to undertake construction of various facilities for its Water Utility as set forth in the Water Utility's five-year capital improvement program ("CIP Project"); and

WHEREAS, the City intends to issue debt to finance the costs of the CIP Project on a permanent basis ("Debt"); and

WHEREAS, the City intends to expend monies for the CIP Project from the Water Utility Fund prior to issuance of the Debt; and

WHEREAS, the City reasonably intends to reimburse the Water Utility Fund for the amounts advanced for the CIP Project from proceeds of the Debt; and

WHEREAS, the City expects that the maximum principal amount of the Debt to be issued to pay for the CIP Project and related costs of issuance and the Debt will be in an amount not to exceed the sum of Fifty Million Dollars (\$50,000,000.00); and

WHEREAS, at the time of reimbursement, the City will evidence the reimbursement in a writing which identifies the allocation of the proceeds of the Debt to the City for the purpose of reimbursing the Water Utility operating fund for the capital expenditures made prior to the issuance of the Debt; and

WHEREAS, the City expects to make the reimbursement allocation no later than eighteen (18) months after the later of (i) the date on which the earliest original expenditure is paid, or (ii) the date the Project is complete and placed in service, but in no event later than three (3) years after the date on which the earliest original expenditure is paid; and

WHEREAS, the City will not, within one (1) year of the reimbursement allocation, use the proceeds of the Debt received in the reimbursement allocation in a manner that will result in the creation of replacement proceeds of the Debt or another issue (e.g., the City will not pledge or use the proceeds of Debt or another issue, e.g., the City will not pledge or use the proceeds received for

1 the payment of debt service on the Debt of another issue, except that the proceeds of the Debt can be
2 deposited in a bona fide debt service fund); and

3 WHEREAS, this Resolution is intended to be a "declaration of official intent" in accordance
4 with Section 1.150-2 of the Treasury Regulations.

5 NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Riverside,
6 California, that in accordance with Treasury Regulation Section 1.150-2, the City hereby states its
7 declaration of official intent to issue the Debt in a maximum principal amount of not to exceed Fifty
8 Million Dollars (\$50,000,000.00), the proceeds of which will be used to pay the costs of the CIP
9 Project, and which will include reimbursement to the City's Water Fund for certain capital
10 expenditures made for the CIP Project prior to issuance of the Debt.

11 ADOPTED by the City Council this 19th day of May, 2015.

12
13 
14 WILLIAM R. BAILEY, III
Mayor of the City of Riverside
