Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

BUDGET ENGAGEMENT COMMISSION:

The budget Engagement Commission consists of nine resident members and nine business members advising the Mayor and City Council on spending and policy priorities based on information received through quarterly financial and performance reports including revenues from transaction and use tax, work with City staff to maximize public engagement on municipal budgetary issues, and provide input on performance measures and reporting programs.

As a school leader I have collaborated with community leaders and safety experts to communicate and educate all stakeholders in all safety issues.
