17 WHEREAS, all legal prerequisites to the adoption of this application have been met.

18 NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Riverside,
19 California that based on substantial evidence presented to the Cultural Heritage Board during the
20 above-referenced public hearing and thereafter to the City Council, including written and oral staff
21 reports, together with public testimony pursuant to the provisions of Title 20 of the Riverside
22 Municipal Code pertaining to the designation of a Historic Landmark, the City Council hereby finds
23 that “The Harbor” residence located at 3014 Pine Street, within the City of Riverside, California,
24 Assessor’s Parcel Number 207-104-001, as more particularly described in Exhibit “A” attached
25 hereto and incorporated herein by reference, a Historic Landmark eligible for designation under
26 criteria set forth in the Riverside Municipal Code Section 20.50.010(U) and based on the following
27 facts and findings:

28 **FINDINGS:** Criterion 3: Embodies distinctive characteristics of a style, type, period or method of
construction, or is a valuable example of the use of indigenous materials or
craftsmanship.

FACTS: “The Harbor” is an excellent example of the French Normandy style of architecture in
Riverside. “The Harbor” exhibits many of the character-defining features of the style,

1 including: a steeply pitched, gable and hipped roofs; stucco cladding with half-
2 timbering; wood-framed casement windows; and a centrally located tower with
3 conical roof. Additionally, "The Harbor" uniquely incorporates nautical elements
4 favored by Mr. and Mrs. Parker.

4 **FINDINGS:** Criterion 4: Represents the work of a notable builder, designer, or architect, or
5 important creative individual.

6 **FACTS:** Beginning about 1920, Riverside experienced a great period of home construction
7 which lasted until 1929. Three men were largely responsible for the fine homes built
8 during these years, which included architect G. Stanley Wilson, designer and engineer
9 Henry L.A. Jekel and architect Robert Spurgeon, Jr. While many of Jekel's homes
10 remain, many of the businesses he designed have been demolished.

9 Jekel was a prominent engineer in Riverside and designed and/or engineered over 40
10 individual homes, 15 businesses, and countless remodels during the 41 years he
11 worked as a designer and engineer. Among his nonresidential and commercial
12 buildings, Jekel designed the Neighbors of Woodcraft Home on Magnolia Avenue,
13 now constituting the original core of California Baptist University, the Mausoleum at
14 Olivewood Cemetery, the Palm Springs Hotel, the Linden Street Keyes Reservoir, the
15 Crematory at Evergreen Cemetery, and the Button Building on University Avenue.

13 BE IT FURTHER RESOLVED THAT pursuant to Title 20 of the Riverside Municipal Code,
14 the City Council hereby approves the above-referenced application and designates "The Harbor"
15 residence located at 3014 Pine Street, within the City of Riverside, California Assessor's Parcel
16 Number 207-104-001, as a City Historic Landmark.

17 BE IT FURTHER RESOLVED THAT the proposed historic landmark designation is exempt
18 from the provisions of the California Environmental Quality Act pursuant to Sections 15061(b)(3)
19 and 15308 of the Guidelines for Implementation of the California Environmental Quality Act (Title
20 14, California Code of Regulations, commencing with Section 15000 as it can be seen with certainty
21 that there is no possibility that the activity will have a significant effect on the environment, and said
22 action is intended to preserve the historic character of the building.

23 BE IT FURTHER RESOLVED THAT the City Clerk of the City of Riverside shall cause a
24 certified copy of this resolution to be recorded in the Office of the County Recorder of Riverside
25 County, California.
