Ad-Hoc Task Force Report

AGRICULTURAL WATER RATES TASK FORCE

DATE: FEBRUARY 21, 2019

ITEM NO: 6

SUBJECT: AGRICULTURAL WATER RATES TASK FORCE SCHEDULE OF MEETINGS AND TOPICS OF DISCUSSION

ISSUE:

Review and discuss the Agricultural Water Rates Task Force schedule of meetings and topics of discussion.

RECOMMENDATION:

That the Agricultural Water Rates Task Force review and discuss the Agricultural Water Rates Task Force schedule of meetings and topics of discussion.

BACKGROUND:

The schedule of meetings and topics of discussion were adopted by the Board of Public Utilities on March 29, 2018. The proposed topics of discussion were generated by expanding the framework of the adopted Agricultural Water Rates Task Force Work Plan.

DISCUSSION:

Scheduled meeting topics are dynamic and flexible and may change or shift as needed. It is possible that an additional Agricultural Water Rates Task Force (Task Force) meeting might need to be added to the schedule to allow for additional discussion and decision making on a final rate proposal recommendation. Staff is working with the members to find potential additional meeting dates to continue discussions. The attached meeting schedule and topics of discussion was updated February 6, 2019 after discussion at the January 31, 2019 Task Force meeting.

FISCAL IMPACT:

There is no fiscal impact for this item.
