

MENTAL HEALTH INITIATIVE

Training Opportunities for Library Staff

On behalf of the _____, which is a
designated participant in the Mental Health Staff Training Opportunity, I certify
our Library will:

- Utilize this funding opportunity to train both part-time and full-time staff to better serve populations and patrons suffering from mental illness
- Ensure a minimum of 10 library staff attend at least one training aimed at enhancing knowledge and awareness of basic mental health issues by June 30, 2019
- Work efficiently with Mental Health Initiative staff to provide information and insight into the needs of library staff
- Ensure each staff member be given fair and equal opportunity to take part and access this training. Ensure each staff be granted the time and space to grow and learn more about mental health issues
- Participating staff members will complete pre- and post- outcomes surveys by June 30, 2019
