CENTURYLINK MASTER SERVICES AGREEMENT

**CENTURYLINK MASTER SERVICE AGREEMENT
STATE, LOCAL AND EDUCATION GOVERNMENT AGENCIES VERSION
LEVEL 3® DISTRIBUTED DENIAL OF SERVICE MITIGATION SERVICE
SERVICE SCHEDULE**

This Master Service Agreement ("Agreement") is between **CENTURYLINK COMMUNICATIONS, LLC** ("CenturyLink") and **CITY OF RIVERSIDE** ("Customer") and is effective on the date the last party signs it (the "Effective Date"). This Agreement provides the terms and conditions applicable to Customer's purchase of products and services ("Service") from CenturyLink.

1. **Term.** The term of the Agreement will commence on the Effective Date and continue until the expiration of the last Service term, unless earlier terminated in accordance with the Agreement ("Term").

2. **Service.** CenturyLink will provide Service in accordance with the Agreement, including all applicable Service Schedules, Service Exhibits, Statements of Work, Order(s), pricing attachments, and any other documents that are attached or expressly incorporated into the Agreement ("Service Attachments"). The following Service Attachments, if any, are initially attached and incorporated into the Agreement. At CenturyLink's discretion, additional Service Attachments may be added by Amendment or by Customer placing an Order.

- **Level 3® Internet Services**

3. **Order(s).** Customer may submit requests for Service in a form designated by CenturyLink ("Order"). The term for a Service is defined in the applicable Service Attachment ("Service Term"). Unless otherwise set forth in a Service Attachment, Service will continue month-to-month at the expiration of the Service Term at CenturyLink's then current rates. CenturyLink will notify Customer of acceptance of requested Service in the Order by delivering (in writing or electronically) the date by which CenturyLink will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Attachment. Renewal Orders will be accepted by CenturyLink's continuation of Service. For moves, adds or changes agreed to by CenturyLink, Customer will pay CenturyLink's then current charges unless otherwise specifically stated in a Service Attachment.

4. **Billing and Payment.**

4.1 **Commencement of Billing.** Unless otherwise set forth in a Service Attachment, CenturyLink will deliver written or electronic notice (a "Connection Notice") to Customer when Service is installed, at which time billing will commence ("Service Commencement Date"). If Customer notifies CenturyLink within three days after delivery of the Connection Notice that Service is not functioning properly, CenturyLink will correct any deficiencies and, upon Customer's request, credit Customer's account in the amount of 1/30 of the applicable monthly recurring charge (MRC) for each day the Service did not function properly. If CenturyLink cannot complete installation due to Customer delay or inaction, CenturyLink may begin charging Customer for the Service, and Customer will pay such charges.

4.2 **Payment of Invoices and Disputes.** Invoices are delivered or made available monthly and due 30 days after the invoice date. Fixed charges are billed in advance and usage-based charges are billed in arrears. Customer's payments to CenturyLink must be made via an ACH transfer or any CenturyLink approved payment portal (e.g., CenturyLink Control Center) in the currency stated on the invoice. CenturyLink may charge administrative fees where Customer's payment and invoice preferences deviate from CenturyLink's standard practices. Past due amounts bear interest at 1.5% per month or the highest rate allowed by law (whichever is less). CenturyLink may charge Customer reasonable attorneys' fees and any third-party collection costs CenturyLink incurs in collecting such amounts. Customer is responsible for all charges regarding the Service, even if incurred as the result of unauthorized use. If Customer reasonably disputes an invoice, Customer must pay the undisputed amount and submit written notice of the disputed amount (with details of the nature of the dispute and the Services and invoice(s) disputed). Disputes must be submitted in writing within 90 days from the date of the invoice. If CenturyLink determines in good faith that a disputed charge was billed correctly, Customer must pay such amounts within 10 days after CenturyLink provides notice of such determination. Customer may not offset disputed amounts from one invoice against payments due on the same or another account.

4.3 **Taxes and Fees.** Excluding taxes based on CenturyLink's net income, Customer is responsible for all taxes and fees arising in any jurisdiction imposed on or incident to the provision, sale or use of Service. This includes value added, consumption, sales, use, gross receipts, withholding, excise, access, bypass, ad valorem, franchise or other taxes, fees, duties or surcharges (e.g., regulatory and 911 surcharges), whether imposed on CenturyLink or a CenturyLink affiliate, along with similar charges stated in a Service Attachment (collectively "Taxes and Fees"). Some Taxes and Fees, and costs of administering the same, are recovered through imposition of a percentage surcharge(s) on the charges for Service. If Customer is required by law to make any deduction or withholding of withholding Taxes from any payment due hereunder to CenturyLink, then, notwithstanding anything to the contrary in this Agreement, the gross amount payable by Customer will be increased so that, after any such deduction or withholding for such withholding Taxes, the net amount received by CenturyLink will not be less than CenturyLink would have received had no such deduction or withholding been required. Charges for Service are exclusive of Taxes and Fees. Customer may present CenturyLink with an exemption certificate eliminating CenturyLink's liability to pay certain Taxes and Fees. The exemption will apply prospectively.

4.4 **Non-Appropriations.** Customer intends to continue this Agreement for its entire Term and to satisfy its obligations hereunder. For each fiscal period for Customer: (a) Customer agrees to include in its budget request appropriations sufficient to cover Customer's obligations under this Agreement; (b) Customer agrees to use all reasonable and lawful means to secure these appropriations; (c) Customer agrees it will not use non-appropriations as a means of terminating this Agreement in order to acquire functionally equivalent products or services from a third party. Customer reasonably believes that sufficient funds to discharge its obligations can and will lawfully be appropriated and made available for this purpose. In the event that Customer is appropriated insufficient funds, by appropriation, appropriation limitation or grant, to continue payments under this Agreement and has no other funding source lawfully available to it for such purpose (as evidenced by notarized documents provided by Customer and agreed to by CenturyLink), Customer may terminate this Agreement without incurring any termination charges by giving CenturyLink not less than 30 days' prior written notice. Upon termination

SERVICE SCHEDULE**

and to the extent of lawfully available funds, Customer will remit all amounts due and all costs reasonably incurred by CenturyLink through the date of termination.

4.5 Regulatory and Legal Changes. If changes in applicable law, regulation, rule or order materially affect delivery of Service, the parties will negotiate appropriate changes to this Agreement. If the parties cannot reach agreement within 30 days after CenturyLink's notice requesting renegotiation, CenturyLink may, on a prospective basis after such 30-day period, pass any increased delivery costs on to Customer. If CenturyLink does so, Customer may terminate the affected Service on notice to CenturyLink delivered within 30 days of the cost increase taking effect.

4.6 Cancellation and Termination Charges. Unless otherwise set forth in a Service Attachment:

(a) Customer may cancel an Order (or portion thereof) prior to the delivery of a Connection Notice upon written notice to CenturyLink identifying the affected Order and Service. If Customer does so, Customer will pay CenturyLink a cancellation charge equal to the sum of: (1) for "off-net" Service, third party termination charges for the cancelled Service; (2) for "on-net" Service, one month's monthly recurring charges for the cancelled Service; (3) the non-recurring charges for the cancelled Service; and (4) CenturyLink's out-of-pocket costs (if any) incurred in constructing facilities necessary for Service delivery.

(b) Customer may terminate a specified Service after the delivery of a Connection Notice upon 30 days' written notice to CenturyLink. If Customer does so, or if Service is terminated by CenturyLink as the result of Customer's default, Customer will pay CenturyLink a termination charge equal to the sum of: (1) all unpaid amounts for Service actually provided; (2) 100% of the remaining monthly recurring charges for months 1-12 of the Service Term; (3) 50% of the remaining monthly recurring charges for month 13 through the end of the Service Term; and (4) if not recovered by the foregoing, any termination liability payable to third parties resulting from the termination and any out-of-pocket costs of construction to the extent such construction was undertaken to provide Service hereunder. The charges in this Section represent CenturyLink's reasonable liquidated damages and are not a penalty.

5. Default. If (a) Customer fails to make any payment when due and such failure continues for five business days after CenturyLink's written notice, or (b) either party fails to observe or perform any other material term of this Agreement and such failure continues for 30 days after the other party's written notice, then the non-defaulting party may: (i) terminate this Agreement and/or any Order, in whole or in part, and/or (ii) subject to Sections 6.1 (Damages Limitations) and 6.3 (Service Levels), pursue any remedies it may have at law or in equity.

6. Liabilities and Service Levels.

6.1 Damages Limitations. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement services, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Agreement or any Order.

6.2 Disclaimer of Warranties. CENTURYLINK MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH IN THIS AGREEMENT OR ANY APPLICABLE SERVICE ATTACHMENT.

6.3 Service Levels.

(a) Any "Service Level" commitments applicable to Services are contained in the Service Attachments applicable to each Service. If CenturyLink does not meet a Service Level, CenturyLink will issue to Customer a credit as stated in the applicable Service Attachment on Customer's request. CenturyLink's maintenance log and trouble ticketing systems are used to calculate Service Level events. Scheduled maintenance under Section 8 and force majeure events are considered Excused Outages.

(b) Unless otherwise set forth in a Service Attachment, to request a credit, Customer must contact Customer Service (contact information is located at <http://www.level3.com>) or deliver a written request with sufficient detail to identify the affected Service. The request for credit must be made within 60 days after the end of the month in which the event occurred. Total monthly credits will not exceed the charges for the affected Service for that month. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the Service Levels applicable to the affected Service.

6.4 Right of Termination for Installation Delay. Unless otherwise set forth in a Service Attachment, in lieu of installation Service Level credits, if CenturyLink's installation of Service is delayed by more than 30 business days beyond the Customer Commit Date, Customer may terminate the affected Service without liability upon written notice to CenturyLink, provided such written notice is delivered prior to CenturyLink delivering a Connection Notice for the affected Service. This Section will not apply where CenturyLink is constructing facilities to a new location not previously served by CenturyLink.

7. Customer Premises; Title to Equipment. If access to non-CenturyLink facilities is required for the installation, maintenance, grooming, movement, upgrade and/or removal of CenturyLink network or equipment, Customer will, at its expense: (a) secure such right of access and (b) arrange for the provision and maintenance of power and HVAC as needed for the proper operation of such equipment

and network. Title to CenturyLink-provided equipment (including software) remains with CenturyLink. Customer will not create or permit to be created any encumbrances on CenturyLink-provided equipment.

8. Scheduled Maintenance and Local Access. Scheduled maintenance will not normally result in Service interruption. Unless otherwise set forth in a Service Attachment, if scheduled maintenance requires Service interruption CenturyLink will: (1) provide Customer seven days' prior written notice, (2) work with Customer to minimize interruptions and (3) use commercially reasonable efforts to perform such maintenance between midnight and 6:00 a.m. local time. If third-party local access services are required for the Services, Customer will: (1) provide CenturyLink with circuit facility and firm order commitment information and design layout records to enable cross-connects to CenturyLink Service(s) (provided by CenturyLink subject to applicable charges), (2) cooperate with CenturyLink (including changing demarcation points and/or equipment and providing necessary LOAs) regarding circuit grooming or re-provisioning, and (3) where a related Service is disconnected, provide CenturyLink a written disconnection firm order commitment from the relevant third-party provider. CenturyLink may re-provision any local access circuits from one off-net provider to another or to the CenturyLink owned and operated network (on-net), and such changes will be treated as scheduled maintenance.

9. General Terms.

9.1 Force Majeure. Neither party will be liable, nor will any credit allowance or other remedy be extended, for any failure of performance or equipment due to causes beyond such party's reasonable control ("force majeure event").

9.2 Assignment and Resale. Neither party may assign its rights or obligations under this Agreement or any Service Attachment without the prior written consent of the other party, which will not be unreasonably withheld. However, either party may assign its rights and obligations under this Agreement or any Order without the consent of the other party: (1) to any subsidiary, parent, or affiliate that controls, is controlled by, or is under common control with that party; (2) pursuant to the sale or transfer of substantially all of the business or relevant assets of that party; or (3) pursuant to any financing, merger, or reorganization of that party. This Agreement and all Service Attachments will apply to any permitted transferees or assignees. Any assignee of Customer must have a financial standing and creditworthiness equal to or better than Customer's. Unless otherwise set forth in a Service Attachment, Customer may provide Service to third parties or use the Services in connection with goods or services provided by Customer to third parties ("Customer Provided Services"). To the extent permitted under law, Customer will be responsible for any claims arising from or related to any Customer Provided Services. If Customer sells telecommunications services, Customer certifies that it has filed all required documentation and will at all times have the requisite authority with appropriate regulatory agencies respecting the same. Nothing in this Agreement confers upon any third party any right, benefit or remedy hereunder.

9.3 Affiliates. CenturyLink may use a CenturyLink affiliate or a third party to provide Service to Customer, but CenturyLink will remain responsible to Customer for Service delivery and performance. Customer's affiliates may purchase Service under this Agreement, and Customer will be jointly and severally liable for all claims and liabilities related to Service ordered by any Customer affiliate.

9.4 Notices. Notices will be in writing and deemed received if delivered personally, sent via facsimile, pre-paid overnight courier, electronic mail (if an e-mail address is provided below) or sent by U.S. Postal Service or First Class International Post. Unless otherwise provided for in a Service Attachment, requests for disconnection of Service (other than for default) must be submitted to CenturyLink via Customer's portal at <https://www.centurylink.com/business/login/> or via the following website / link: <http://www1.level3.com/disco/disco.html> and will be effective 30 days after receipt (or such longer period set forth in a Service Attachment). Notices for billing inquiries/disputes or requests for Service Level credits must be submitted to CenturyLink via Customer's portal at <https://www.centurylink.com/business/login/> or via Email at: billing@centurylink.com. Customer failure to follow this process and/or provide complete information may result in continued charges that will not be credited. All legal notices will be addressed to CenturyLink at: 931 14th Str., #900, Denver, CO 80202; Fax: 888-778-0054; Attn.: Notice Coordinator; and to any electronic or physical address of Customer as provided in the Agreement or in its absence, to Customer's address identified on the Order or as reflected in CenturyLink's records, Attn. General Counsel.

9.5 Acceptable Use Policy and Data Protection. Customer must conform to an applicable Acceptable Use Policy ("AUP") for Services purchased under this Agreement and to the CenturyLink Privacy Policy, which is available at <http://www.centurylink.com/aboutus/legal/privacy-policy.html>. Unless otherwise set forth in a Service Attachment, the applicable AUP is available at <http://www.level3.com/en/security-law-enforcement-and-acceptable-use-policy/acceptable-use-policy/>.

9.6 Confidentiality. Except to the extent required by an open records act or similar law, neither party will: (a) disclose any of the terms of the Agreement; or (b) disclose or use (except as expressly permitted by, or required to achieve the purposes of, the Agreement) the confidential information received from the other party. Confidential information will not include Customer Data except as may be described in a Service Attachment. A party may disclose confidential information if required to do so by a governmental agency, by operation of law, or if necessary in any proceeding to establish rights or obligations under the Agreement. Each party will limit disclosure and access to confidential information to those of its employees, contractors, attorneys or other representatives who reasonably require such access to accomplish the Agreement's purposes and who are subject to confidentiality obligations at least as restrictive as those contained herein.

9.7 Intellectual Property Ownership; Use of Name and Marks. Nothing in the Agreement or the performance thereof will convey, license, or otherwise transfer any right, title, or interest in any intellectual property or other proprietary rights held by either party or its licensors. Neither party will use the name or marks of the other party or any of its affiliates for any purpose or issue any press release or public statement relating to this Agreement without the other party's prior written consent.

9.8 Governing Law; Amendment. This Agreement will be governed and construed in accordance with the laws of the State in which Customer's principal office is located, without regard to its choice of law rules. Each party will comply with all applicable laws, rules and regulations associated respectively with CenturyLink's delivery or Customer's use of the Service under the Agreement. This Agreement, including any Service Attachments, constitutes the entire and final agreement and understanding between the parties with respect to the Service and supersedes all prior agreements relating to the Service. CenturyLink is not subject to any obligations that are not explicitly identified in this Agreement. This Agreement may only be modified or supplemented by an instrument executed by an authorized representative of each party. No failure by either party to enforce any right(s) hereunder will constitute a waiver of such right(s).

9.9 Critical 9-1-1 Circuits. The Federal Communications Commission's 9-1-1 reliability rules mandate the identification and tagging of certain circuits or equivalent data paths that transport 9-1-1 calls and information ("9-1-1 Data") to public safety answering points. These circuits or equivalent data paths are defined as Critical 911 Circuits in 47 C.F.R. Section 12.4(a)(5). CenturyLink policies require tagging of any circuits or equivalent data paths used to transport 9-1-1 Data. Customer will cooperate with CenturyLink regarding compliance with these rules and policies and will notify CenturyLink of all Services Customer purchases under this Agreement utilized as Critical 911 Circuits or for 9-1-1 Data.

9.10 International Services. For Services provided outside the United States, Customer or its local affiliate may be required to enter into a separate local country addendum/agreement (as approved by local authorities) ("LCA") with the respective CenturyLink affiliate that provides the local Service(s). Such CenturyLink affiliate will invoice Customer or its local affiliate for the respective local Service(s).

9.11 Relationship and Counterparts. The relationship between the parties is not that of partners, agents, or joint venturers. This Agreement may be executed in one or more counterparts, all of which taken together will constitute one instrument. Digital signatures and electronically exchanged copies of signed documents will be sufficient to bind the parties to this Agreement.

**CENTURYLINK MASTER SERVICE AGREEMENT
STATE, LOCAL AND EDUCATION GOVERNMENT AGENCIES VERSION
LEVEL 3® INTERNET SERVICES
SERVICE SCHEDULE**

1. Applicability. This Service Schedule is applicable where Customer orders Level 3® Internet Services (which may also be called Dedicated Internet Access, Internet Services, High Speed IP, or IP Transit Services on ordering, invoicing or other documentation). The Service is also subject to the Master Service Agreement executed between Level 3 and Customer, and if none, Level 3's standard Master Service Agreement (the "Agreement"). Level 3 may subcontract the provision of the Service in whole or part, provided that Level 3 remains responsible for the Service to Customer as set forth herein. Capitalized terms used but not defined herein have the definitions given to them in the Agreement.

2. Service Description. Level 3® Internet Services are high speed symmetrical Internet services providing access to the Level 3 IP network and the global Internet ("Service"). The Service is generally available via Ethernet connections from 10/100 Mbps ports to 100Gbps ports, as well as T1/E1, DS3/E3, and SONET connections from OC3/STM1 to OC48/STM16. Additional features and functionality may include:

- a. **IP Addresses.** IP Address space with proper justification.
- b. **Primary DNS / Secondary DNS.** Primary or Secondary DNS as requested.
- c. **Static routing / BGP peering.** Static routing or BGP peering options available.
- d. **On-line bandwidth utilization reports.** On-line bandwidth utilization reports available through the customer portal.
- e. **Basic security service.** Subject to Customer having Level 3-approved routers, included as part of the Services is a one-time per 12-month period ability to request Level 3 to temporarily (i.e. for up to 24 hours): (i) apply a temporary access control list (ACL) with up to 10 rules on such routers; (ii) set up firewall filters specifying IPs, subnets, ports and protocols, and (iii) configure null routes. Requests that exceed this duration or frequency will be charged at \$1000 per hour with a minimum charge of \$4000. Customer is encouraged to order additional Services as outlined below.

The following services may be available at an additional charge to be set forth in an Order and pursuant to the separate Service Schedules for such services:

- a. **Level 3 MPLS (IPVPN and VPLS) VPN Service.** As part of a Converged Service, Customer may order Level 3 MPLS VPN Service, which provides private site-to-site communications over Level 3's MPLS network.
- b. **Level 3 Enterprise Voice SIP Based Services.** As part of a Converged Service or a Converged Voice-Internet Service, Customer may order SIP based enterprise voice for Public Switched Telephone Network connectivity, outbound (1+) access to U.S. (interstate and intrastate) and international locations, inbound (8XX) service, and international toll free calling.
- c. **Managed Router.** Managed Router Service provides for Internet access Customer Premises Equipment ("CPE") management by Level 3.
- d. **Site Readiness.** Level 3 will extend cabling from the minimum point of entry (MPOE) to CPE suite.
- e. **MSS-Cloud & MSS-Premise.** Managed Firewall, Intrusion Prevention, Managed Web Filtering, Antivirus, Antispam, and Log Management are available as a cloud-based service ("MSS-Cloud") or as a managed device on premises service ("MSS-Premises").
- f. **Distributed Denial of Service (DDoS) Mitigation Service.** Level 3's DDoS Mitigation Service provides layers of defense through network routing, rate limiting and filtering that can be paired with advanced network-based detection and mitigation scrubbing center solutions.
- g. **Network Protection Service.** Network Protection Service (NPS) is additional Internet security which may be provided in conjunction with Internet Services and provides Customer the ability to request basic Distributed Denial of Service (DDoS) mitigation.
- h. **Dynamic Capacity.** Dynamic Capacity provides the ability to augment bandwidth on a near real-time basis via self-service tools.

3. Charges. Customer shall be billed non-recurring charges ("NRC") and monthly recurring charges ("MRC") for Service as set forth in Order(s). NRC includes applicable installation charges for local-access circuit, port connection and bandwidth. MRC includes local-access charges, port connection charges, and bandwidth charges. Other charges, including but not limited to usage-based charges, may apply as stated in Order(s). The Services are available with fixed-rate or burstable billing types.

Fixed-rate. Service with fixed-rate billing provide a set amount of bandwidth at a fixed-rate MRC. No usage element applies. Customer will not be permitted to exceed the contracted bandwidth level, provided that if Customer also orders Dynamic Capacity (where available) bandwidth and the associated charges may be adjusted as set forth in the separate terms for Dynamic Capacity.

Burstable. For Service provided with burstable bandwidth, the MRC is based on Committed Information Rate ("CIR") (which is also called a Committed Data Rate ("CDR")). The CIR/CDR is the minimum Internet bandwidth that will be billed to Customer each month regardless of lower actual usage. Usage charges for any usage in excess of the CIR/CDR (burstable usage) will apply on a per Mbps basis at the rate stated in the Order. Burstable usage is billed on a 95th percentile basis. Usage levels are sampled every five minutes, for the previous 5-minute period, on both inbound and outbound traffic. At the end of the bill cycle, the highest 5% of the traffic samples for each inbound and outbound, will be discarded, and the higher of the resulting inbound and outbound values will be used to calculate any applicable usage. If available and identified in the applicable Order, a Peak Information Rate (PIR) or Peak Data Rate (PDR) may apply, which is the maximum available bandwidth.

Burstable Services may also be provided on an aggregated basis. For aggregate burstable Service the bandwidth MRC is based on the aggregate Committed Information Rate ("ACIR") (which is also called an aggregate Committed Data Rate ("ACDR")). The ACIR/ACDR is the minimum bandwidth that will be charged to Customer each month, regardless of lower actual usage. Usage

STATE, LOCAL AND EDUCATION GOVERNMENT AGENCIES VERSION
LEVEL 3® INTERNET SERVICES
SERVICE SCHEDULE**

charges for any usage in excess of the ACIR/ACDR (burstable usage) will apply on a per Mbps basis at the rate stated in the Order. Burstable usage is calculated on a 95th percentile basis across all included ports. If available and identified in the applicable Order, an aggregated Peak Information Rate (APIR) or aggregated Peak Data Rate (APDR) may apply, which is the maximum available bandwidth across all included ports.

4. **Customer Responsibilities.** Customer is solely responsible for all equipment and other facilities used in connection with the Service which are not provided by Level 3. All IP addresses, if any, assigned to Customer by Level 3 shall revert to Level 3 upon termination of Service, and Customer shall cease using such addresses as of the effective date of termination.

5. **On-Net and Off-net Access.** Access services provided entirely on the Level 3 owned and operated network ("Network") are "On-Net Access Services". Additionally, Level 3 may use third parties to reach Customer's site from the Level 3 Network ("Off-Net Access Services").

6. **Converged Voice-Internet Service.** Where Customer orders Internet Services bundled with Level 3 Enterprise Voice SIP Based Services such charges will show on the invoice as Converged Voice-Internet Service. For clarification, the Converged Voice-Internet Service is treated as a single Service and if Customer wishes to unbundle or terminate a part of the Converged Voice-Internet Service, early termination liability may apply and Customer will be required to execute new orders for the desired stand-alone Service.

7. **Service Levels and Service Credits.** The following service level agreements (SLAs) apply as set forth below. When Converged Voice-Internet Service is ordered the SLAs below apply in lieu of any SLAs identified in the applicable Level 3 Enterprise Voice SIP Based Service Schedule as referenced above in Section 2.

- a. **Availability Service Level.** Level 3's availability SLA in the United States and Canada is 99.99%. Outside the United States and Canada, the availability SLA is 99.98% for On-Net Access Services and 99.9% for Off-Net Access Service.
- b. **Network Packet Delivery Service Level.** The packet delivery SLA on the Level 3 Network is 99.95%.
- c. **Network Latency Service Levels.** The latency SLAs on the Level 3 Network are set forth below and are average round-trip.

Table A: Network Latency

Route	Network Latency Metrics Round-Trip
Intra-North America	< 50 ms*
Intra-Europe	< 35 ms
Intra-Asia	< 110 ms
Intra-Latin America	< 120 ms
North America to Europe	< 80 ms**
North America to Asia	< 185 ms**
North America to Latin America	< 140ms**
Europe to Asia	< 345 ms**
Europe to Latin America	< 210 ms**
Asia to Latin America	< 315 ms**

* Additionally, add 90ms from/to the Mexico IP Hub and add 30ms from/to Hawaii to the west coast of the continental United States.

** Additionally, add the applicable "intra-region" latency parameter for the region in which the applicable Customer Site is located

d. **Credits for SLAs above:** All SLA credits will be calculated after deducting any discounts and other special pricing arrangements. Credit percentages are applied to the MRC of the CIR/CDR rate, port charge, and local access circuits for applicable sites only. In no event will SLA credits in any calendar month exceed 100% of the total MRCs for Services hereunder for the affected site(s).

i. **Availability Service Credit:** Service is "Unavailable" (except in the case of an Excused Outage) if the Customer port at a Customer site is unable to pass traffic. Service Unavailability is calculated from the timestamp Level 3 opens a trouble ticket following the report of a problem by the Customer until the time the ticket is closed. If credits are due under this SLA, no other SLAs apply to the same event. If Service is Unavailable for reasons other than an Excused Outage, Customer will be

entitled to a service credit off of the MRC for the affected Service based on the cumulative Unavailability of the Service in a given calendar month as set forth in the tables below.
