@Lauren @Nick – I just wanted to follow up and thank you for your continued hard work and support with La Sierra LL. I have been a pain, a bug, and I will say it... BUT you guys have been tremendously supportive of correcting these little issues that have been lingering for years. I am not sure if they had previously been addressed to you or not, but our team was given the impression that nothing was being done.

I can attest that you guys have been ON TOP OF IT, since the moment I took over the responsibilities for the League. THANK YOU!!!
