## Notice of Public Hearing

**Notice is Hereby Given** that on March 11, 2019, at 6:30 p.m., or as soon thereafter as may be heard, the City of Riverside's Board of Public Utilities will hold a public hearing at Riverside City Hall in the Art Pick Council Chambers located at 3900 Main Street, Riverside, California to consider proposed changes to Electric Rule 6 and Water Rule 6 Meter Investigations and Adjustments of Bills. The proposed changes do not include any rate increases. The proposed changes to Electric Rule 6 and Water Rule 6 include reducing the time periods used to calculate billing of undercharges for non-residential accounts from three years to six monthly billing periods, increasing the time periods used to calculate billing of undercharges for residential accounts from four billing periods to six monthly billing periods, change the terminology of the time period used to calculate overcharges from 1 year to twelve monthly billing periods, and changing the period used to calculate billing of overcharges for fast meters to be consistent with the monthly billing period for general overcharges.
