                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| RENAME RIVERSIDE METROPOLITAN MUSEUM TO MUSEUM OF RIVERSIDE Following discussion, the City Council approved renaming of the Riverside Metropolitan Museum to "Museum of Riverside" as part of the renovation and reinvention of the institution.                                                                                                                                                                                                                                                                                                                                                                    | Motion<br>Second<br>All Ayes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| CITY COUNCIL MEETING FREQUENCY AND TIME OF DAY - ORDINANCE ADOPTED Following discussion, a motion was made and seconded to deny approval of an ordinance amending Section 2.04.010 of the Riverside Municipal Code revising the meeting schedule of the City Council reducing regular meetings. The motion failed for lack of five affirmative votes.                                                                                                                                                                                                                                                               | Motion<br>Second<br>Ayes<br>Noes                                                                                                                              | X                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Following further discussion, the City Council adopted an ordinance amending Section 2.04.010 of the Riverside Municipal Code revising the meeting schedule of the City Council reducing regular meetings from four per month to the first and third Tuesdays of each month with no meeting held on any Tuesday immediately following a City observed holiday occurring on a Monday; whereupon, the title having been read and further reading waived, Ordinance No. 7464 of the City of Riverside, California, Amending Section 2.04.010 of the Riverside Municipal Code Revising the Meeting Schedule of the City | Motion<br>Second<br>Ayes
