

WE'RE THE **GREEN SOLUTION** FOR DEVICE TRADE-INS
AND THE **ONLINE LEADER IN RECOMMERCE.**

ABOUT ECOATM GAZELLE

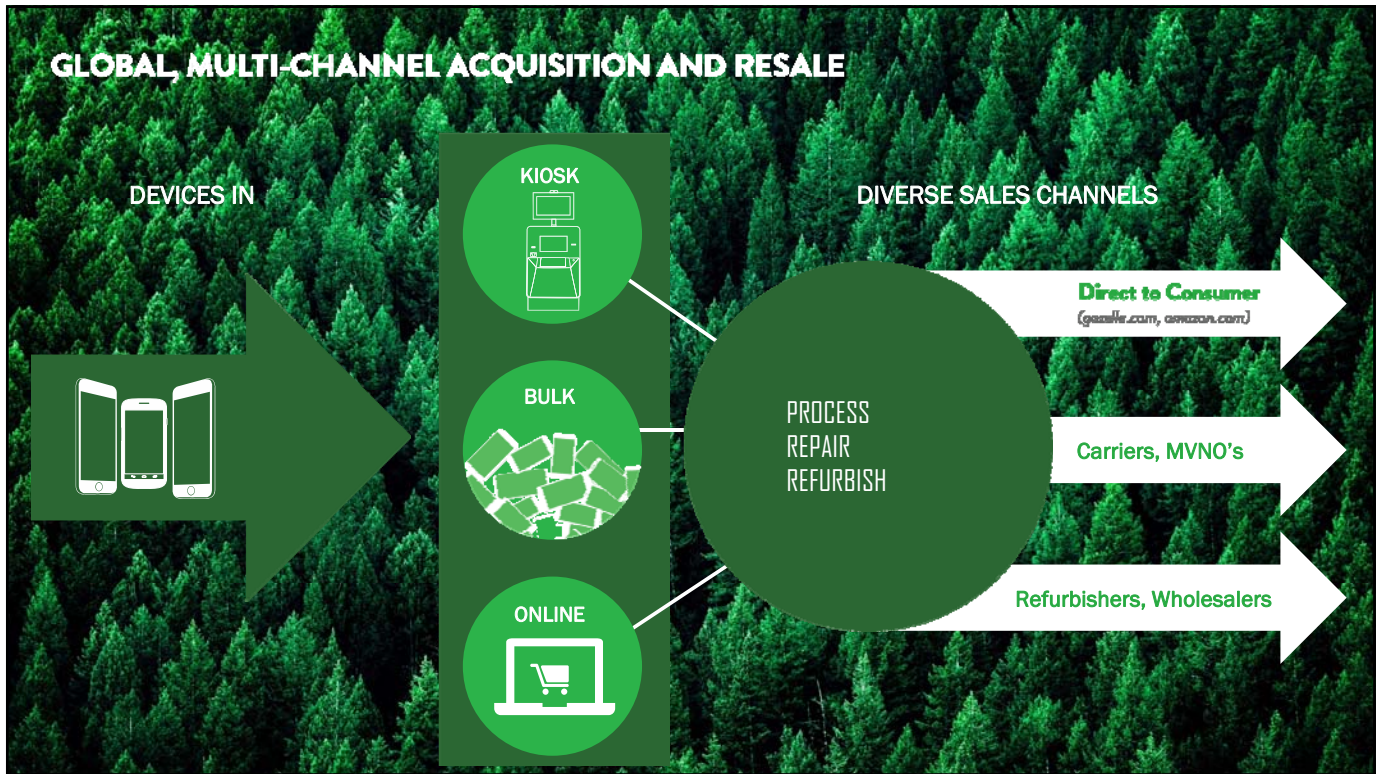

Two brands. One company. ecoATM Gazelle is the powerhouse combination of device buying, selling and trading.

We are based in San Diego, California with a satellite office in Boston, Massachusetts and a processing facility in Louisville, Kentucky.

WHAT WE DO

- **Buy** used mobile devices from consumers, institutions and enterprises via ecoATM automated kiosks and Gazelle.com trade-in website
- **Resell** those devices to wholesale and retail customers worldwide and directly to consumers through Gazelle.com online store

RESPONSIBLE TRADE-IN THAT REWARDS

ecoATM kiosks are the answer to earning money instantly while responsibly recycling devices.

Together, we can reduce electronic waste from our planet.

Money dispensed instantly

More than 3,000 kiosk locations

Over 17 million devices recycled*

Easy process takes minutes

Backed by local law enforcement

*Total recycled as of 2018.

ECOATM'S AUTOMATED KIOSKS ARE DIFFERENTIATED AND EXTENSIBLE AROUND THE WORLD.

- Convenient, fast and safe consumer experience
- Strong and growing retail partnerships
- Robust patent portfolio and regulatory compliance, and highly integrated with law enforcement
