**Subject:** SRP kickoff event

Good afternoon Robin,

On behalf of Library Staff, I want to thank you and your team for providing the wonderful support for our annual Summer Reading Kickoff event on Saturday, June 1 at the Chavez Community Center. The performer was extremely pleased with the venue. Jovan and her team provided exemplary customer service partnering with us for this well attended event!

We look forward to working with the Parks team again in 2020 for this event!

Thanks again!
