Dear Folks -

Acord To let you know  
The Harry James broadcast  
For the Waves will be at  
6:30 P.M. Thursday eve  
It's the Coca Cola program  
& I think it's over the  
KFI network - it's coast  
to coast any way - you  
can tell hermands to listen  
too - Love

Rudy -

Where we spent twenty four hours just out of  
Boot Camp.

Occupying a commanding location, El Cortez overlooks the city, bay and surrounding country. Beautifully appointed, it is the center of much of the City's smart social life. The view from the famous Sky Room is an awe inspiring sight.
