Notes:

1. Decisions of the City Council are final and cannot be appealed.
2. An applicant or affected person(s) may request a hearing before the Planning Commission.
3. Planning Commission primary design review responsibility is limited to concurrent review with another case for which the Planning Commission has approval authority (Refer to Section 19.710.035 - Review Responsibilities of Planning Commission or Community & Economic Development Director). Appeal of Planning Commission action on design review is first to the City Council Land Use Committee with final action by the full City Council.
4. See Section 19.650.020.C.2 - Designated Approving Authority.
5. Appeal of an action on a Temporary Use Permit shall be to the City Manager. The City Manager's decision is final.

6. If denied by the Planning Commission, the action is final unless appealed to the City Council (See Section 19.680.020.B - Appeal Authority).

7. Street vacations and traffic pattern modification measures require two actions at the City Council: adoption of a resolution of intent to hold a public hearing and a public hearing.

8. See Government Code Section 65864 for more information on Development Agreements.

9. All decisions by the Planning Commission to approve or deny a permit or action are by simple majority of the members present and voting, with the following exceptions:

a. Conditional Use Permits, including revocations, and Planned Residential Development Permits require approval by a 2/3 majority of the Planning Commissioners present and voting; and

b. Zoning Code Text/Map Amendments, General Plan Text/Map Amendments, and Specific Plan Amendments require a majority vote of not less than four Planning Commissioners present and voting.

10. All decisions of the City Council to approve or deny a permit or action are by a majority vote of those present and voting except that a 2/3 vote of the total membership (five votes minimum) is required to approve an appeal of a decision of the Airport Land Use Commission (ALUC).

11. All tie votes of the Planning Commission mean that an application failed to be approved and will be treated as a denial. When a tie vote exists before the City Council, the Mayor shall have the voting right as any member of the City Council, and may cast a vote for or against an item to break a tie. In the Mayor's absence, in the event of a tie vote, the Mayor Pro Tempore shall not have the right to cast a tie-breaking vote; in this instance the City Council vote shall be treated as a denial (Riverside City Charter - Article IV, Section 405).

12 Refer to Section 19.680.030 (E) for details regarding the ALUC appeal process

13. The final decision making authority for PRD's in the RC Zone shall be the City Council.
