# City Council Memorandum

**TO: HONORABLE MAYOR AND CITY COUNCIL      DATE: NOVEMBER 5, 2019**  
**FROM: PUBLIC WORKS DEPARTMENT      WARD: 1**  
**SUBJECT: FINAL APPROVAL OF PARCEL MAP NO. 36960 – LOCATED ON THE EAST  
SIDE OF ORANGE STREET BETWEEN CHASE ROAD AND NASH STREET**

## **ISSUES:**

Adoption of the Resolution of Acceptance for final approval of Parcel Map No. 36960, and acceptance of the agreement and sureties for faithful performance, construction of improvements and the labor and material bond in accordance with Section 18.220.020 of the Riverside Municipal Code.

## **RECOMMENDATIONS:**

That the City Council:

1. Adopt the "Resolution of Acceptance" for final approval of Parcel Map No. 36960; and
2. Accept the agreement and sureties for the installation and faithful performance of improvements and the labor and material bond in accordance with the improvement plans for the development of Parcel Map No. 36960.

## **BACKGROUND:**

As part of the development process to subdivide a parcel into four or fewer parcels, a tentative parcel map is reviewed and approved by the City of Riverside Development Review Committee (DRC). During the review process, staff reviews Conditions of Approval (Conditions) provided by all City Departments. Once a tentative parcel map is approved by the DRC and conditions have been satisfied, final approval by City Council is required if dedications are to be accepted by the City Clerk.

On June 14, 2017, the Development Review Committee approved Parcel Map No. 36960 subject to the completion of conditions. The tentative parcel map is a proposal by Jose Murguia of JM Built Corporation to subdivide 0.97 acres into four parcels, located at 978 Orange Street, situated on the east side of Orange Street between Chase Road and Nash Street, in the R-1-7000 - Single Family Residential Zone.

## **DISCUSSION:**

Staff has determined the developer has satisfied certain conditions for the map, and recommends the final map be approved pursuant to Section 18.090.060(C) of the Riverside Municipal Code. However, if the City Council determines sufficient/significant map conditions have not been fulfilled, they may deny approval of the map with a finding identifying the incomplete conditions.

The Community and Economic Development Director concurs with the recommendations noted above.

**FISCAL IMPACT:**

There is no fiscal impact for the finalization of Parcel Map No. 36960.
