*Footnotes:**--- (2) ---*

Editor's note— Ord. No. 13031, adopted July 27, 2010, amended Chapter 3.13 in its entirety to read as herein set out. Formerly, Chapter 3.13, §§ 3.13.010—3.13.290, pertained to similar subject matter and derived from Ord. No. 12308, adopted 2001; Ord. No. 12375, adopted 2001; Ord. No. 12519, § 1, adopted 2003; Ord. No. 12648, § 3, adopted 2005; Ord. No. 12669, §§ 3—10, adopted 2005; Ord. No. 12905, § 2, adopted November 18, 2009, and Ord. No. 13012, § 2, adopted May 4, 2010.

Article I. - Findings and Purpose

3.13.010 - Title.

This chapter shall be known as the "Limited Public Financing Act of the City of Oakland."

(Ord. No. 13031, 7-27-2010)

3.13.020 - Findings and declarations.

The findings of this Act are as follows:

- A. The financial strength of certain individuals or organizations should not enable them to exercise a disproportionate or controlling influence on the election of candidates.
- B. The rapidly increasing costs of political campaigns have forced many candidates to raise larger and larger percentages of money from interest groups with a specific financial stake in matters under consideration by city government. This has caused the public perception that votes are being improperly influenced by monetary contributions.
- C. High campaign costs are forcing officeholders to spend more time on fundraising and less time on the public's business. The constant pressure to raise contributions is distracting officeholders from urgent governmental matters.

(Ord. No. 13031, 7-27-2010)

3.13.030 - Purpose of this Act.

The purpose of this Act is to accomplish the objectives stated in Oakland's Campaign Reform Act as follows:

- A. To ensure that all individuals and interest groups in our city have a fair and equal

opportunity to participate in elective and governmental processes.

- B. To reduce the influence of large contributors with a specific financial stake in matters under consideration by the city, and to counter the perception that decisions are influenced more by the size of contributions than by the best interests of the people of Oakland.
- C. To reduce the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters.
- D. To encourage competition for elective office.
- E. To allow candidates and office holders to spend a smaller proportion of their time on fundraising and a greater proportion of their time dealing with issues of importance to their constituents and the community.
- F. To ensure that serious candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of important issues involved in political campaigns.
- G. To help preserve public trust in governmental and electoral institutions.

(Ord. No. 13031, 7-27-2010)

Article II. - Definitions

3.13.040 - Interpretation of this Act.

Unless the term is specifically defined in this Act or the contrary is stated or clearly appears from the text, the definitions set forth in Chapter 3.12 of this Code and in Government Code Sections 81000 et seq. as amended govern the interpretation of this Act.

The amount of funds to be allocated to the election campaign fund shall not exceed \$500,000.00 for any two-year budget cycle.
- C. The election campaign fund shall be established as an interest bearing account. Unspent funds in the election campaign fund at the end of a two-year budget cycle shall remain in the fund and accrue for disbursement to candidates eligible for public financing in future elections and for administrative costs.
- D. Up to seven and one-half percent of the amount allocated to the election campaign fund pursuant to Subsections 3.13.060(a) and (b) may be utilized by the public ethics commission to cover the anticipated cost of administering the provisions of this Act.

(Ord. No. 13031, 7-27-2010)

3.13.065 - Allocation of election campaign fund.

No later than seven days after the city clerk has certified the names of all candidates to appear on the ballot, the public ethics commission shall determine at a publicly noticed meeting whether, based on the number of potentially eligible candidates, the amount of money in the election campaign fund is adequate to provide the maximum amount to potentially eligible candidates. If the commission determines that the election campaign fund will not be adequate to provide the maximum amount of funds to potentially eligible candidates, the commission shall order the disbursement of available funds on a pro rata or other equitable basis. The commission may at any time revise the disbursement plan consistent with these rules and prevailing law.
