There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. To Whom It May Concern,

I have been contacted by Lisa Golden to write a letter of recommendation to help enhance her application to become a member of the Riverside Community Police Review Commission. It is my pleasure to do so.

I have known and worked with Mrs. Golden for the past six years at Liberty Elementary School. As a Categorical Program Specialist and Principal's Designee, I have the opportunity to work closely with all staff members. Mrs. Golden has been an outstanding kindergarten teacher and children/parent advocate. Liberty Elementary School is a high poverty school, ranking fourth highest out of thirty elementary schools within Riverside Unified School District. Additionally, Liberty has a high concentration of English Language Learners – approximately one third of the student population.

Mrs. Golden has been a member of Liberty's School Site Council (SSC), which is the most important council any California public school has for parents and staff members. As a member of such council, the duties vary between approving categorical budgets and issues sent to schools from the district office. Approving the school's "Safety Plan" is among one of the important issues. There is a lengthy discussion regarding how to keep our students/staff safe at all times. SSC becomes totally aware of all issues concerning this and decides on the best possible way to accomplish it.

Mrs. Golden is an advocate for our English Language Learner families. She has provided training for our Spanish speaking parents to help them become more accomplished English speakers. As a result of her teaching the parents, they then become better citizens (many go on to acquiring their citizenship).

A successful program Mrs. Golden has organized within her own classroom is the "tutoring" program for her students which requires all parents to participate too. She teaches the parents how to work with their children at home to help make them more successful learners.

I have found Mrs. Golden to be fair and honest in every aspect of her teaching whether it is for students or for parents. I feel that she would have a dispassionate view of important events. Additionally, I feel that she would always maintain her understanding of the importance of her role as a member of the Commission and know that the "facts" will drive the important decisions that she will have to make as member.

Sincerely,

[REDACTED]

TO WHOM IT MAY CONCERN:

Lisa Golden has been teaching English as a Second Language (ESL) to adults for Riverside Adult School from October 2004 until June 2007. She taught the Low Beginning level of ESL to our adult students on the main campus. She has prepared lessons appropriate to their various levels keeping her adult students engaged in meaningful thinking based lessons as required by the Riverside Adult School Course of Study. Her students have advanced to other levels due to her teaching style. Lisa is aware of the different learning styles of her students and prepares lessons that help all adult students become lifelong learners, participatory members of their family and community, and productive workers. She taught life skills, civics, and government lessons with her students and infused the American culture and customs while affirming the other cultures of the world within her ESL classroom. She had her adult students participate in the yearly United Way and Diabetes campaigns.

Lisa is well respected by RAS staff, students, and administration. She follows all the rules and regulations of Riverside Adult School as set out in our staff handbook. I would recommend her for any position that you have available without reservation. She is always on time and ready to work. She is a team player. Please feel free to contact me if I can be of further assistance.

Sincerely,

Mrs. Pat Nicholson

To whom it may concern:

The Los Angeles Police Emerald Society (LAPES) is a multi-agency, social-fraternal organization founded in 1992 with the objective of fostering goodwill among the members of the numerous law enforcement communities in California and celebrating the dedication of Irish-American law enforcement officers.

Lisa Golden joined LAPES as an Associate Member in March of 2007. Since that time she has become a very active member and participant in LAPES events. Along with one of our sworn members from the Los Angeles County Sheriff's Department, Lisa has taken responsibility for our LAPES-related shirts, caps, and other wares, which they both ensure are available for purchase by our members at the monthly LAPES meetings. Lisa has also become involved with the LAPES Pipe and Drum Band, and for a number of months she has been taking private drum lessons and regularly attending the band practices at the Los Angeles Police Academy.

Lisa has become a very involved and valuable member of our Society.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Looney Qianteh L. 4-1-17
LAST NAME FIRST NAME DATE

It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political and community life. In order to adequately represent the needs of residents with access and functional needs, the following criteria applies:

Members should consist of both persons with and without disabilities.

Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

HOW WOULD YOUR EXPERIENCE OR QUALIFICATIONS HELP THE COMMISSION ON DISABILITIES MEET ITS MEMBERSHIP GOALS?

(1650 Characters Max)

I believe that both my experience and qualifications would help the Commission on Disabilities because I am a proud single mother of a four year old son with a disability. I am a Kindergarten teacher with few students with disabilities. I have countless friends and family members that have either a physical or behavioural disability. I have had the honor and pleasure to work with social workers, parents, students and teachers to improve the rights and education for those with a disability.

The powers, duties and functions of the Commission on Disabilities are:

- Advise the City Council on all matters affecting persons with disabilities in the community.
- Review community policies, programs, and actions which affect persons with access and functional needs and make appropriate recommendations to the City Council.
- Render advice and assistance as requested to other City boards and commissions, to City departments, and to private agencies on matters affecting persons with disabilities.
- Identify the needs of persons with access and functional needs and create a public awareness of these needs in areas such as employment, housing, transportation, media, physical, and communication accessibility and other needed areas.
- Promote greater awareness of the changing life patterns, opportunities, and responsibilities of persons with access and functional needs.
- Promote the total integration of persons with disabilities into all aspects of community life.
- To participate in various public outreach activities and functions that require a commitment of time on evenings and weekends.
- Perform other functions and duties as may be directed by the City Council.

To Whom It May Concern,

Please allow this letter to serve as the highest recommendation possible for Qianteh Looney, Founder of "Q The Queens Model", in her presentation of "Dress For Success". I had the pleasure of attending this seminar recently, done in partnership with The Pink Ribbon Place, a program of the Riverside Community Health Foundation.

Ms. Looney has a presentation style that is relatable and professional, yet humorous, which kept her audience engaged. She has a knack for communicating the "do's and don'ts" of dressing for success in a way that is very warm and welcoming. I have complete confidence that Ms. Looney is capable of communicating with individuals at all social and economic levels, making them feel confident that dressing for success is not only important, but possible, with a few simple steps.

If you would like additional information, or have questions regarding my personal experience attending Ms. Looney's seminar, please feel free to contact me directly at

To Whom it May Concern,

I am writing this letter of gratitude and recommendation in support of Qianteh Looney, Founder of QTheQueensModel. Qianteh graciously volunteered her time to participate in a career discovery panel focused on careers in the fashion industry at the University of California, Riverside in April 2016. Qianteh came highly recommended from an individual who came to UC Riverside to provide a workshop on professional attire for our students. The panel consisted of preset panelist questions, a student question and answer session, and a networking event at the end. There were over 60 students in attendance. Qianteh was extremely positive and professional and gave students an insider perspective on what it takes to make it in the modeling and acting business. She was also able to provide very specific information on crafting a resume geared towards the modeling and acting industries as well as provide an example of what a professional portfolio looks like. Qianteh had a huge line of students at the end of the event who wanted to meet her and ask questions one on one. She stayed until she had spoken to every student. I was extremely appreciative of Qianteh's time, professionalism, and support of the career development of UC Riverside students. I would love to have her back for future events. Please do not hesitate to contact me with any questions.

Sincerely,

Dear Sirs:

I am writing this letter as a recommendation for Qianteh Looney of QTheQueensModel Inc. as a Runway & Events Model. Qianteh has modeled for my store on numerous occasions. She is always professional, punctual and prepared. Qianteh always brings a positive attitude and adds a "flare" to the runway that the audience enjoys.

Sincerely,

To Whom it May Concern,

I met Qianteh Looney in the Fall of 2015 at an art gallery opening in downtown Riverside. I remember being instantly drawn to her positive energy, but had no idea how instrumental she would become to our organization in the following months.

After meeting Qianteh, she followed up with me in regards to volunteering for Riverside Community Health Foundation's Pink Ribbon Thrift Store. From that day on, she became a key member of our volunteer team, always willing to take on extra work to ensure that the team succeeds. Qianteh has modeled for our boutique style thrift shop on multiple occasions, always bringing a positive and can-do attitude to the table. Most recently, Qianteh modeled for Pink Ribbon Thrift at Riverside Community Hospital's Red Dress Fashion Show. Not only did Qianteh represent our organization professionally and model our merchandise with grace and confidence, she also demonstrated the unique ability to help others do their best by putting them at ease and making them feel comfortable in a setting that many were not used to.

In addition to Qianteh's modeling, I have also watched her lead a Dress for Success workshop at Pink Ribbon Thrift. Qianteh did an outstanding job presenting information on how to dress for success in any business setting and tastefully discussed touchy topics such as hygiene and modesty in the work place. I was impressed by Qianteh's public speaking skills. She had the audience interacting with her throughout the presentation was able to assist our clients with one on one personal styling tips after the presentation was over.

What I value most about Qianteh, is her willingness to take on any task with a big smile and open mind. She changes the energy in a room and inspires others, including myself, to strive for greatness.

Sincerely,

To Whom It May Concern

Greetings;

My name is Pepi Jackson and I am currently the President of the Riverside County Black Chamber of Commerce (RCBCC).

It is indeed a privilege and great pleasure to write this letter of recommendation on behalf of Qianteh Looney.

I have had the distinct privilege and opportunity over the past twenty five years, to have met many fine and dedicated individuals who cared deeply about their community and have made major positive contributions that are widely recognized. I must say without reservation, that Qianteh also belongs to the aforementioned category of people. Qianteh certainly ranks in the upper tier, with respect to having a heart for one's community.

I have known Qianteh for almost a year; she initially came to RCBCC to find out what we were doing to help minority businesses grow. Upon learning about RCBCC programs and activities focused on helping minority businesses grow, she enthusiastically pledged to help us in fulfilling this mission.

Qianteh has been a tremendous help to us on a number of projects and events. The most recent event she helped with was The 2016 African American Construction Trades Career Fair. Her diligent efforts contributed significantly to the success of this event.

I highly recommend Qianteh Looney for any position that she is seeking. I strongly believe that she will be a very valuable asset for any organization that brings her on board.

If I can be of further assistance regarding Qianteh, please call me directly at [REDACTED] - this is my mobile phone number.

Sincerely and Respectfully

To Whom It May Concern:

I am writing this reference at the request of Qianteh Looney. I have known Qianteh for 2 months in my capacity as a case manager for Riverside Center for Change. Based on my experience working with Qianteh on different projects such as Bis Kids and Dress for Success. I have recognized that she is always willing to help others and has a passion to provide the services needed to help others succeed in life.

Qianteh has a number of strengths to offer an employee. For example, when she worked with the children of the parents in our program, she helped teach and direct them without harming the family when speaking about substance use. She gained their trust in a matter of minutes and they enjoyed the time spent with her. Also, when she worked with our parents regarding Dress for Success, they left motivated and ready to seek employment after her presentation.

In conclusion, I would highly recommend Qianteh. If her performance while working in collaboration with our program is any indication of how she'd perform in the available position, Qianteh will be an extremely positive addition to your organization. If you need any additional information, feel free to contact me at 951-782-9777 or by email at myoung@mhsinc.org anytime.

To Whom it may concern

It is my absolute pleasure to write this letter of recommendation for Miss Qianteh Looney. A rare gem who combines beauty, style, class, intelligence and a compassionate heart. As a single mother with an adorable 8 year old boy she makes an excellent role model for her son. I was so very pleased when she accepted my offer to be Vice President of Publicity for the newly formed "Aric J. Isom Memorial Toastmaster Club". Qianteh is no stranger to community involvement. Modeling in several charity fashion shows and sharing her talents with others through her "Q the QueensModel" workshops. Her delightful sense of humor is infectious and I am humbled to call her my friend.

I would like to commend you and The Universalist Unitarian Church of Riverside on the formation of the Aric J. Isom Social Justice Club. We are indeed fortunate in Riverside to have active and vibrant individuals who believe in the commitment to social justice and provide service to our community.

Mr. Isom understood the potential to make a difference with the skills obtained through this organization. Public speaking is so crucial and this club will help provide opportunities for our neighbors to build public speaking and leadership skills.

I believe Mr. Isom's desire to be an effective leader and make a difference in his community, will be an opportunity many can use for years to come.

Again, thank you for your commitment to our community and may God bless as you keep Mr. Isom's memory alive through this organization.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☒ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
