TRANSPORTATION BOARD *

*A Statement of Economic Interests is required. Any information listed on this application is a matter of public record and will be disclosed upon request.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

WORK EXPERIENCE:

Keefer Consulting

Owner [January 2009 to present]

In establishing my own company, I bring the breadth of my experience from both the public and private side of planning and entitlement services. Encompassing all aspects of business operations from marketing and budgeting to producing a final product, I have developed an appreciation and understanding for more aspects of the profession that simply was not possible in either of my prior places of employment. Keefer Consulting is well-prepared for a long-term presence in the Inland Empire.

Webb Associates

Director, Planning and Environmental Services [April 2007 to January 2009]

During my tenure at Webb Associates, I led a multi-disciplinary department of 15 professionals and support staff. The staff were divided into three teams with varying specialties, ranging from preparing detailed technical studies (such as Air Quality studies) to writing environmental impact reports, to preparing general plan updates for local jurisdictions. In addition to leading these teams, I had other responsibilities, including: project management duties, preparing departmental budgets, departmental training programs, marketing strategies, client relations management, and inter-departmental relations. Top Salary: \$104,000 + bonus and other benefits

Riverside County Planning Department

Various titles [December 1998 to April 2007]

Beginning my tenure at Riverside County, I worked my way up from an entry-level position in December 1998 to having my first supervisory responsibilities of heading up the Specific Plan team in August of 2000. During this phase of my professional career, I processed all types of entitlement projects and minor permits ranging from lot line adjustments to new master-planned communities. I also began presenting projects in front of the Planning Director and Planning Commission at public hearings.

During the second phase of my career at Riverside County, I was promoted from leading a four-member team to leading the 30-member Current Planning section of the Planning Department. Accordingly, I instituted procedural and organizational changes to the Department, including: organizing staff into regional planning teams, consolidating staff into one office to ensure consistency in entitlement processing, re-drafting standard conditions of approval for more coherent permit plan checks, and helping formulate flow charts and other procedures for the County's implementation of the Multi-Species Habitat Conservation Plan and current planning processes. I also continued to present entitlement projects to the Planning Director and Planning Commission. It is at this time that I began to present projects to the Board of Supervisors. Top Salary: \$97,000

SELECTED PROJECT EXPERIENCE:

Low's Market

This small market requested a Conditional Use Permit Revision through the County of Riverside in order to upgrade their liquor license to allow for the sale of hard alcohol. Through various meetings, Keefer Consulting was able to minimize the applicant materials that the County asked for, and was able to get this project approved with little controversy, and in near-record time. This was the first project completed from beginning to end by Keefer Consulting.

City of Menifee

Since 2009, I have secured a contract as a part-time staff planner for the City of Menifee. As such, my responsibilities are to manage various projects through the entitlement process within the City. Some of the more prominent projects that have been assigned to me are: Fleming Ranch Specific Plan, Chase Bank, and His Light on the Hill Church. Each of which has its own unique challenges and CEQA determinations.

MediCity

As a private consultant, I completed the Mitigated Negative Declaration, the Airport Compatibility Plan, and the presentations for public hearing and public workshop presentation for this project; which is a redevelopment of an existing Wal-Mart store. The end product will be a hospital, along with various doctor's offices. This project is located within the City of Hemet.

Diamond Valley Market

This country store needed a renewal of their Conditional Use Permit. As such, environmental reviews needed to occur, including: water well testing and the dedication of land for endangered species per Riverside County's Multi-Species Habitat Conservation Plan. I headed up the Conditional Use Permit renewal process through the County of Riverside on behalf of the store owners.

Villages of Lakeview Specific Plan

The Villages of Lakeview is a master-planned community of 3,000 acres that includes over 11,000 dwelling units, recreational facilities, and other land uses. I have been heavily involved the management of this project, both at the County and at Webb Associates, since its inception. There are several innovative planning concepts that are being introduced in this project that Riverside County has never approved before, but are currently very receptive to implementing. These include a unit transfer mechanism, a true mixed-use planning area, and a design guideline refinement process.

Domenigoni-Barton Specific Plan

This specific plan also encompasses approximately 4,200 dwelling units, and is one of the first specific plans to introduce a mixed-use land use designation in Riverside County on a large scale. My management of the project at the County helped bring the specific plan to a public hearing in a very efficient manner.

Western Riverside County Multi-Species Habitat Conservation Plan (WRCMSHCP)

Soon after the adoption of the MSHCP, I developed implementation tools and clear procedures for both public employees and the development community. Those processes are still in place today.

CEQA processes

During my tenure at the County, I developed processes for the Riverside County Planning Department that greatly increased work efficiency and CEQA compliance. Those procedures are still in place today.

*A statement of Economic Interests is required. Any information listed on this application is a matter of public record and will be disclosed upon request.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

COMMISSION ON DISABILITIES:

- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Subject: Boards & Commissions Application of Thomas H. Safford

Ms. Colleen H. Nicol, MMC:

Accompanying this letter is an application for service on the City of Riverside Planning Commission, Board of Public Utilities, or Airport Commission as requested in your email of September 15, 2015. My preference would be for appointment to the Planning Commission but feel uniquely qualified to serve on any of the three named. I am interested in serving on these panels as a way of contributing to the future of Riverside as well as providing a return to a City that has served the Safford family very well for the last thirty years.

Please note that in addition to university degrees in engineering and management, I have worked for many years as a State of California Registered Civil Engineer (P. E.) specializing in the Public Work Field. My recent work experience includes twenty-seven years as a senior staff engineer/project manager for Western Municipal Water District and for the last four years as an independent consultant. I am also a military veteran and a former licensed private pilot. I have worked directly with many of the staff of the City of Riverside to include Mr. Todd Jorgenson, Water Operations Manager and Mr. Ken Gutierrez, former Director of Planning. Both of these individuals can attest to my professional experience and my working relations with the City of Riverside. More recently, I worked with Mr. Paul Hamilton, Senior Plans Examiner of your Community Development Department in my role as an Elder and Project Manager for an ADA Restroom Installation Project and City of Riverside mandated Backflow Prevention Device Installations Project for Magnolia Presbyterian Church in Riverside.

Thank you for the opportunity to renew my application to serve.

Sincerely,

Thomas H. Safford, MSMS, PE
