Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

NOTICE REGARDING INCOMPATIBLE OFFICES

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

COMMISSION ON DISABILITIES:

It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political, and community life. In order to adequately represent the needs of residents with disabilities, the following criteria applies:

- Members should consist of both persons with and without disabilities.
- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

How would your experience or qualifications help the Commission on Disabilities meet its membership goals? (255 Characters Max)

If applying for membership on the Commission on Disabilities, please complete and return a Supplemental Application.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally rive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

Please Note: I will be visiting the DMV to change my address and voter registration this week: I have only been a resident of Riverside for 2 months but I have worked in the City of Riverside for over 5 years. I consider Riverside my home and have been completely invested in this City since taking my position with Bank of America Small Business Banking over 5 years ago. I would like to serve my community. I am task and action oriented and I am dedicated to making my home an amazing place to live. For the last 5 years I have served in several capacities buy always as a volunteer where my residence did not restrict me; now that i am a lawful resident within the city limits I would love to volunteer in a more formal capacity.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I would like to serve on the Board of Public Utilities as i feel that in this Board I am able to use my knowledge of finance and recently expanded knowledge of the utility to serve the community. Last year, I was part of the task force for the Chamber that worked with RPU and the City to structure an increase in rates so that we could invest in the necessary infrastructure to adequate levels.

EDUCATIONAL BACKGROUND:

I received my BS degree in 2011 from DeVy University. I graduated Suma Cum Laude with my BS in Business Administration with a concentration in Accounting. I received my MBA from Keller Graduate School of Business in 2013 with Distinction. I also received a certificate in Financial Statement Analysis.

OCCUPATIONAL EXPERIENCE:

I have been a banker for 18 years with an emphasis in Business Banking. I have done some work with non-profits and municipalities but the majority of my experience is with small and medium-size businesses.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

I am a member of the Greater Riverside Chambers of Commerce where I am very active.

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

I have served on several boards including the following: All Saints Episcopal Church, Watchmen Arts Association, The Greater Riverside Chambers of Commerce, Community Connect, Fox Theater Foundation. I volunteer through KRCB, and though our City's 9/11 annual event and Cops 4 Kids

Ana S. Miramontes Page 4 of 5

Ana S. Miramontes has been a banker with Bank of America for 17 years. She has spent 16 working with businesses large and small. For the first 11 years Ana served the Business Banking division as a support associate and then later as a portfolio monitor. In 2013 she decided to follow her passion and move to the front lines

where she could use her skill, knowledge and passion to help businesses in her local community.

As Vice President for Small Business Banking in Riverside, Ana works with businesses large and small to achieve their financial goals. It is Ana's mission to bring the small community bank feel to all she meets. She accomplishes this by working very closely with the Greater Riverside Chambers of Commerce. She serves on their La Sierra Business Council as their Chamber President, on the Economic Development Council, Government Affairs Council, and Military Affairs Council. As a continuation of her Chamber service and as a graduate of the 2017 Leadership Riverside class she serves on the steering committee as the vice-chair for Discovery Day. Ana also serves on the Bank of America, Inland Empire Grants Review and Community Volunteers committees, 211 Community Connect as a board member at large, and as a board member at large for the Fox Riverside Theater Foundation. In addition, Ana is very active in Riverside City government where she volunteers time working on projects that benefit the first responders of the City - 9/11 Citywide Day of Service, Cops-4-Kids Flyin and the RPD Trunk n Treat.

In her personal time Ana's passion to serve continues as she devotes much time and energy to support the marching arts for the youth of the Inland Empire. She serves as the Treasurer of Watchmen Arts Association, a part of Drum Corps International, Inc. where she wears many hats. The marching art is where much of the family time is spent following her daughter's journey as a world class performer for the Ohio Bluecoats, The RCC Marching Tigers, and Fantasia Winter Guard.

The little bit of time left over is spent administering one of the premier groups on Facebook for the Inland Empire. What Is Going On In Riverside County is a labor of love. She and five other friends have created and manage this group with over 142,000 members to date.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I am deeply interested in resource use and environmental sustainability. I am especially interested in the rapid transition that utilities are undertaking to carbon neutral energy sources as mandated by CA law. I think there are incredible opportunities for Riverside that can be beneficial both to ratepayers and to the environment. I am also interested in water use and conservation as well as waste management. As Associate Faculty Director of Sustainability at UCR, I have been involved with monitoring our energy, water and waste and making decisions about investments and conservation. I am now interested in helping make similar decisions at the city level.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I have a B.S. in Applied and Engineering Physics and a PhD in Physics. I teach a popular, large (400+ student) course at UC Riverside on energy and the environment, which covers how we use energy, sources of energy, and the environmental impacts of each source. I am the Associate Faculty Director of Sustainability at UC Riverside, a new role at UCR that began in 2018. In this role, I am coordinating sustainability outreach, curriculum, and research on the UCR campus. This has included monthly or quarterly discussions and collaborations with the City of Riverside and Riverside Public Utilities, most recently with the Riverside Green Summit in Oct. 2019. This has also included working toward the University of California's carbon neutrality by 2025 initiative. Finally, I am the chair of the sustainability working group for UCR's long range development plan, which determines how they can appropriately use physical space, infrastructure and resources in the next 15 years. This has included engagement with stakeholders in the community.

EDUCATIONAL BACKGROUND:

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

NOTICE REGARDING INCOMPATIBLE OFFICES

Under existing California law, no member of City boards or commissions may simultaneously hold two public offices that are incompatible. (California Government Code Section 1099)

Offices are incompatible if one of the offices has supervisory, auditory or removal power over the other, if there would be any significant clash of duties or loyalties between the offices, or if public policy considerations make it improper for one person to hold both offices.

Do you currently hold a position as an appointed or elected member of a governmental board, commission, committee, or other body?

The background check consists of the following: Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete. COMMISSION ON DISABILITIES: It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political, and community life. In order to adequately represent the needs of residents with disabilities, the following criteria applies: • Members should consist of both persons with and without disabilities. • Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities. OBJECTIVE

A position as a Moderate to Severe Special Education Professional

HIGHLIGHTS

Management has been a constant in my life, from toddler to the present. I am a very organized person and enjoy multi-tasking. I am active in the church. I am also active with my own children. Going back a few years!

I was the first to integrate an all white elementary school in Riverside (1962). I attended a Catholic Church school for Pre-school and Kindergarten. I am also part Sioux Indian. I am very familiar with diversity and multiculturalism. As a High School and Undergraduate pre-med/psychology Major, I volunteered at Riverside Community Hospital for several years, as a "Candy striper." A position where I assisted with patients' various needs. I also did volunteer work at a convalescent facility. My experiences have prepared me for a career in special education working with the moderate to severe disabled individuals of all ages.

My goal is to improve individual skills level to make transitioning a great experience whether it be inclusion into regular ed. Classes or living/life skills to make them as independent as possible. To help those who need help the most through education and resources.

This is a vast and growing area that requires many specialized educators, administrators and advocates. At some point in my career I will serve in each of these capacities.

A teacher's constant task is to take a roomful of live wires and see to it that they're grounded.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

NOTICE REGARDING INCOMPATIBLE OFFICES

Under existing California law, no member of City boards or commissions may simultaneously hold two public offices that are incompatible. (California Government Code Section 1099)

Offices are incompatible if one of the offices has supervisory, auditory or removal power over the other, if there would be any significant clash of duties or loyalties between the offices, or if public policy considerations make it improper for one person to hold both offices.

Do you currently hold a position as an appointed or elected member of a governmental board, commission, committee, or other body?

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor?

Yes

No
CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

CULTURAL HERITAGE BOARD:

If applying for membership on the Cultural Heritage Board, please complete and return a supplemental application.

COMMISSION ON DISABILITIES:
