There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

Subject: Boards & Commissions Application of Thomas H. Safford

Ms. Colleen H. Nicol, MMC:

Accompanying this letter is an application for service on the City of Riverside Planning Commission, Board of Public Utilities, or Airport Commission as requested in your email of September 15, 2015. My preference would be for appointment to the Planning Commission but feel uniquely qualified to serve on any of the three named. I am interested in serving on these panels as a way of contributing to the future of Riverside as well as providing a return to a City that has served the Safford family very well for the last thirty years.

Please note that in addition to university degrees in engineering and management, I have worked for many years as a State of California Registered Civil Engineer (P. E.) specializing in the Public Work Field. My recent work experience includes twenty-seven years as a senior staff engineer/project manager for Western Municipal Water District and for the last four years as an independent consultant. I am also a military veteran and a former licensed private pilot. I have worked directly with many of the staff of the City of Riverside to include Mr. Todd Jorgenson, Water Operations Manager and Mr. Ken Gutierrez, former Director of Planning. Both of these individuals can attest to my professional experience and my working relations with the City of Riverside. More recently, I worked with Mr. Paul Hamilton, Senior Plans Examiner of your Community Development Department in my role as an Elder and Project Manager for an ADA Restroom Installation Project and City of Riverside mandated Backflow Prevention Device Installations Project for Magnolia Presbyterian Church in Riverside.

Thank you for the opportunity to renew my application to serve.

Sincerely,

Thomas H. Safford, MSMS, PE

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

My father, Clare, started the family tradition of service to the Riverside community, serving on the Planning Commission, as Chamber of Commerce President, and as Congressman Tunney's Field Representative. I want to continue that tradition. Climate Change is the single most important issue our society will have to face. As a municipal utility, RPU is poised to be a leader in confronting this issue. I want to be a part of that challenge.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I believe I would bring many skills to the Board. Like all small business owners, I deal with a wide variety of issues, forcing me to know a little bit about many business subjects. I also know when I'm in over my head, and how to seek expert advice. I have had occasion to interface with RPU and other utilities, as a developer and customer, and would bring that perspective to the Board. And I would bring my skill at serving on non-profit boards. Although the organizations I have served with have been relatively small, I believe I have learned significant lessons regarding board leadership.

EDUCATIONAL BACKGROUND:

I graduated cum laude from California Polytechnic University, San Luis Obispo with a B.S. in Architectural Engineering.

OCCUPATIONAL EXPERIENCE:

I'm a partner with my brother and sons in a small family owned real estate development company. My father had started the company as a plumbing contractor, but we were also licensed as a general contractor until my brother's retirement from day-to-day operations. I designed and constructed our 25 acre industrial park in Desert Hot Springs, and also smaller industrial and residential projects in Riverside. We also own and manage 170 apartment units, vacant land and two smaller industrial complexes in Riverside. We employ nine people. In addition to being a licensed Civil Engineer, I'm also licensed as a Real Estate Broker. I plan to retire from day-to-day operations in January, 2020.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

The following is a summary of my involvement with community organizations. Mathcounts is a middle school level math competition held at the chapter, state and national levels. Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

NOTICE REGARDING INCOMPATIBLE OFFICES

Under existing California law, no member of City boards or commissions may simultaneously hold two public offices that are incompatible. (California Government Code Section 1099)

Offices are incompatible if one of the offices has supervisory, auditory or removal power over the other, if there would be any significant clash of duties or loyalties between the offices, or if public policy considerations make it improper for one person to hold both offices.
