BACKGROUND/LEGISLATIVE HISTORY:

Section 20.30.30 of the Riverside Municipal Code establishes a Historic Preservation Program to provide funding for the conservation, preservation, restoration, and rehabilitation of cultural resources. The Code further provides that the Historic Preservation Fund shall be administered by a Historic Preservation Fund Committee consisting of five members serving two-year terms. The Cultural Heritage Board designates two of its members to serve as representatives and the Mayor's Nominating and Screening Committee selects the City Council representative. The remaining two seats are designated for City residents affiliated with separate Riverside-specific historic preservation organizations appointed by the Mayor's Nominating and Screening Committee.

The Historic Preservation Fund Committee meets as needed when funding is available. Expired appointments are presented for updating with terms staggered and adjusted to align with City board and commission terms for ease of tracking. Moving forward, the City Clerk's Office will incorporate these appointments and term expirations into the board/commission process. The Community and Economic Development Department concurs with this reassignment of

responsibility. The below roster reflects composition of the Committee and terms of office, if this action is approved.
