DISCUSSION

1. Currently, RPU has NAESB Base Contracts with Shell, Occidental, Macquaire, BP Energy, and Conoco Phillips
2. NAESB Contract is a standardized set of business practices and standards that most buyers and sellers have adopted for their natural gas transactions
3. Approval of the NAESB Contract with Sempra Gas and Power Marketing, LLC, will expand Riverside's counterparty options to take advantage of favorable pricing trends and opportunities

RECOMMENDATIONS

That the Board of Public Utilities recommend that the City Council:

1. Approve the North American Energy Standards Board Base Contract for Sale and Purchase of Natural Gas between Sempra Gas and Power Marketing, LLC and the City of Riverside for use in procuring natural gas sales and purchases under the terms and conditions stated therein; and
2. Authorize the City Manager, or designee, to execute subsequent transaction confirmation agreements with Sempra Gas and Power Marketing, LLC, for sales and purchases of natural gas, subject to the terms and conditions of individual North American Energy Standards Board enabling agreements and consistent with the City Council approved Energy Risk Management Policy.
