

**Beverage Container Recycling City/County Payment Program**  
**City/County Annual Payment and Reporting System**  
**Funding Request Certification**

Riverside

**Funding Request Cycle:** FY 2019-20

**Type:** Individual

**Eligible Funds (\$):** 80,260

**Beverage Container Recycling City/County Payment Program  
City/County Annual Payment and Reporting System  
Funding Request Certification**

**Program Requirements**

**1) PRC 14581 (a)(3)(B)**

Project Description:

The City of Riverside would utilize the Beverage Container Recycling Grant program funds to provide beverage container recycling opportunities at local colleges located in the city, which would include; Riverside Community College, University of California-Riverside, Cal Baptist University, and La Sierra University- the last two which are private non-profit schools.

The grant funding would go to procurement of beverage container recycling receptacles, program promotion, and the implementation/tracking and monitoring of those materials collected.

Grant funds would go to purchasing beverage container bins for placement and installation around the campuses, co-located with existing trash receptacles, and for collection barrels to empty the beverage containers and transport for recycling. Funding would also provide signage, labeling, and administrative costs for program management.

Outreach booths and promotional events will be held and staffed during the program kick-off, back to school, America Recycles Day and Earth Day. The booths will be coordinated by City staff, staffed by interns/students to educate the student population on the program and how to effectively recycle on campus. Staff will also purchase advertising and promotional/print ads and bill boards to encourage beverage container recycling awareness.

Monthly reporting of tonnages would also be required of the participating colleges to determine the effectiveness of the program as would be periodic waste assessments to determine contamination issues and to educate the student population. Tonnages would be provided by the haulers or by the students/staff redeeming the beverage container materials. These monthly reports would be compiled and provided as a part of the reporting for the grant term.

The City of Riverside would also utilize funds for Beverage Container Recycling Education in schools, primary, for general workshops, develop recycling guides and for assemblies and shows for beverage container recycling awareness.

In an effort to abate litter in the City funds would also be utilized for clean up activities and proper recycling of CRV materials and discarded recyclables removed from the public right of ways, sidewalks, parks, medians, pedestrian malls and other City property

**2) PRC 14581 (a)(3)(F) (Supermarket sites refer to certified recycling centers at supermarkets (PRC 14526.6))**

Have you prohibited the siting of a supermarket site?

No

Have you caused a supermarket to close its business?

No

Have you adopted a land use policy that restricts or prohibits the siting of a supermarket site within your jurisdiction?

No

**3) Are you currently participating in mediation mandated by AB 506 ? Have you attempted to initiate such mediation or have you declared a fiscal emergency within the last 12 months? Note: The answer is for informational purposes and will not be used to determine eligibility for payment funding.**

No

**4) California Labor Code section 1782 prohibits a charter city from receiving state funding or financial assistance for construction projects if that charter city does not comply with Labor Code sections 1770-1782. If any applicants or participating jurisdictions are charter cities, the lead applicant must certify that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this Funding Request. If it is determined after award that a participating jurisdiction is a charter city prohibited from receiving state funds for this project, the agreement will be terminated and any disbursed program funds shall be returned to CalRecycle. If any applicant or participating jurisdiction is a charter city , does Labor Code section 1782 prohibit those charter cities from receiving state funding for the project described in this Funding Request? Check the following, as applicable.**

Not Applicable, This Funding Request does not include any charter cities.

**5) These funds shall not be used for activities unrelated to beverage container recycling or litter reduction, Public Resources Code 14581 (a)(3)(C). Applicant acknowledges that submittal of this Funding Request constitutes acceptance of all provisions contained in the [City/County Payment Program Guidelines](#).**

Yes, I Accept
