I. DEFINITIONS

- A. California Complete Count Committee (CCC) – The committee is an advisory panel that helps to develop, recommend, and assist in the administration of a Census outreach strategy to encourage full participation in the 2020 Census.
- B. Census Bureau – An agency within the U.S. Department of Commerce and the preeminent statistical collection and dissemination agency in the United States. The Census Bureau conducts approximately 200 different annual surveys in addition to the decennial census of the U.S. population and publishes a wide variety of statistical data about people, housing, and the economy of the nation.
- C. Census Champion – A trusted messenger who is recommended by a local community organization, institution, or agency involved in Census outreach. Selected volunteers are required to complete Census 2020 training and participate in meetings or webinars to be equipped to disseminate accurate and up-to-date information to community members, collect pledge cards, aid peers in filling out the Census form, and serve as Census spokespersons.
- D. Get Out The Count (GOTC) – Collaborative organizing campaign featuring the nonprofit and public sectors, community based organizations and other partners to educate communities about the importance of and to maximize participation in Census 2020.
- E. Hard To Count (HTC) – Groups or populations who historically have not responded well to the decennial Census questionnaire, or are expected to be undercounted, hard to locate/reach or persuade for purposes of Census 2020 completion. HTC populations include, but are not limited to:
- Racial/Ethnic minorities;
 - Immigrants and Refugees;
 - People with disabilities;
 - Lesbian, Gay, Bisexual, Transgender, and Questioning (LGBTQIA+);
 - Seniors/Older Adults;
 - Children Ages 0 – 5;
 - Veterans;
 - Areas with low broadband subscription rates and limited or no internet access;
 - Households with low income or limited English proficiency;
 - Farm-workers and rural residents;
 - Renters; and
 - Those who are homeless or have unstable/nontraditional housing.
- F. Household (HH) – A person or group of people who occupy a housing unit as their usual place of residence.
- G. Inland Empire Complete Count Committee (IECCC) – The IECCC seeks to coordinate efforts and link services to streamline the work of various stakeholders and meet the County's 2020 Census goals. Stakeholders encompass the public, non-profit and for-profit sectors from both San Bernardino and Riverside counties, include organizations that represent each state's identified HTC communities, and are considered trusted messengers. The goal of the IECCC is to increase the HTC population response rate in the Inland Empire via information sharing, education outreach, and coordination of work to avoid duplication.
- H. Limited English Proficiency (LEP) – Individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English can be considered limited English proficient. These individuals may be entitled to language assistance with respect to a particular type or service, benefit, or encounter. Executive Order 13166 states that people who are LEP should have meaningful access to federally conducted and federally funded programs and activities.
- I. Outreach Plan – The Contractors' plan describing how and when outreach activities will be provided for the 2020 Census.

- J. Pledge Card – Written commitments collected by trusted messengers in their communities which allow residents to opt into future communications through mail, phone, texts, or email. All residents who have opted into future communications will receive two (2) contacts, one before self-reporting begins and one during the months of March and April 2020 while the Census is live. Pledge card drives will begin in July 2019 with a concentrated push and continue until February, 2020.
- K. Privacy Act – The Privacy Act of 1974 requires that each federal agency advise respondents of their rights. Specifically, each respondent must know under which law the information is being collected, how the information will be used, whether he or she must answer the questions, and the consequences of not answering.
- L. Questionnaire Assistance Center (QAC) – A staffed, physical location where the public can get information about the Census in their native language. These locations also provide online and/or phone access to complete the questionnaire and can be established at a public venue such as a library, school, or post office. QACs rely on staff or volunteers to answer questions related to completing the Census Questionnaire
- M. Questionnaire Action Kiosk (QAK) – An unstaffed, physical location where the public can get information about the Census in their native language. These locations provide online and/or phone access to complete the questionnaire.
- N. Self-Response – When a household completes and returns the Census questionnaire in a timely manner via internet, mail, or phone, directly to the Census Bureau without requiring a Census worker to visit in person to obtain a response. Self-response will be available online from March 12, 2020 through April 30, 2020.
- O. Statewide Outreach and Rapid Deployment (SwORD) – An interactive mapping portal to foster data sharing, coordination and collaboration to help identify language gaps and redundancies. SwORD will be utilized to identify and locate hard-to-count populations and the languages that need to be covered in the region and enable partners to upload data and information to identify where outreach occurred. Partners will be able to see where gaps in services exist locally and regionally, as well as resources such as libraries, community centers, and businesses.
- P. Title 13 (US Code) – The collection of laws under which the Census Bureau operates. This law guarantees the confidentiality of Census information and establishes penalties for disclosing this information. It also provides the authorization for conducting Census in Puerto Rico and the Island Areas.
- Q. Trusted Messengers – An individual who is well-integrated in his or her community and has a history of volunteering there. These individuals communicate clearly and persuasively within their institutions and circles of influence and are able to bring others on board to commit to completion of Census 2020 goals.

II. PURPOSE

Large portions of Riverside County have historically been hard to count or are anticipated to be less likely to respond due to the current political climate. In order to ensure a thorough count of all residents in Census 2020, the County strives to work with trusted community partners to educate, motivate, and activate residents in participating in the Census. The County will collaborate with cities and local community-based organizations to inform the general public of the importance of completing the Census questionnaire. Critical to this goal is to avoid duplication, identify outreach gaps and fill them accordingly. Contractor will implement outreach to encourage full participation and avoid an undercount as stated in the Governor's Executive Order B-49-18. The County's vision is to ensure that HTC communities and populations in the County are accurately counted in the 2020 Census, thereby achieving the highest self-response rate possible for California.

III. BACKGROUND

The U.S. Constitution requires the federal government to count all people residing in the United States through a national Census every ten (10) years, to ensure equal representation and fair allocation of government resources. The next National Census Day is April 1, 2020. The results of the Census serve to assist in important community decisions like where to build homes, parks, schools, and roads and where to offer health, childcare, and transportation services. Businesses also rely on Census data to determine where to open facilities, what products to develop, and how to market their services.

California has historically been the hardest-to-count state in the nation. In 2016, about 75% of all Californians belonged to one or more groups that tend to be undercounted. The County of Riverside is home to many of these hard to count groups. Approximately 22% (or 529,309 people) of Census tracts in the County are likely to be very hard to count, according to Census Bureau estimates that draw on demographic characteristics and historical trends.

- 21.8 % of residents are foreign born;
- 40.2 % speak a language other than English at home;
- 6.6 % of children are under 5 years old;
- 7.7 % of persons have a disability; and
- 12.9 % of residents are at or below the poverty rate.

The County will not only face challenges from HTC populations that are least likely to respond to the Census but also from a growing distrust in government, including the following challenges: the concern over whether a citizenship question may be reinstated might discourage immigrants who are facing an uncertain climate; an online survey that has security challenges and poses barriers for vulnerable communities and populations without digital access and computer literacy; and concerns about what the Census data will be used for and whether it will remain confidential.

Undercounting the population could have significant and negative impacts not only for Riverside County, but the State of California in terms of federal funding for critical community programs, representation at all levels of government, and data used for decision-making across sectors. If segments of the County are not counted in 2020, their voices may not be fully considered when making important budget, program and policy decisions.

In July 2018, the County began collaborating with San Bernardino County, University of California (UCR), the non-profit sector, and other stakeholders to begin 2020 Census activities and create a strong, community based Complete Count Committee. Self-response will be available online from March 12, 2020 through April 30, 2020. Beginning in May, the Census Bureau will begin sending enumerators out door-to-door to count people who did not self-respond.

- G. Failure by a party to insist upon the strict performance of any of the provisions of this Contract by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Contract thereafter.

- K. This includes licensed personnel who are not able to provide documentation of prior DOJ clearance. A copy of a Driver's License issued by the State of California, which requires a DOJ clearance, is sufficient proof. The County must be immediately notified of any records showing a conviction. The County may instruct Contractor to take action to deny/terminate employment or terminate internship and/or volunteer services where the records show the person is unsuitable for employment, internship, or volunteer services.

R. Contractor shall notify the County of any staff member, paid intern or volunteer who has been convicted of any crime of violence or of any sexual crime. The County may terminate for default or breach of this Contract and any other Contract the Contractor has with the County, if the Contractor or Contractor's employees are determined by the County not to be in compliance with above.

T. Contractor shall make every reasonable effort to prevent employees, consultants or members of its governing bodies from using their positions for purposes that are or give the appearance of being motivated by a desire for private gain for themselves or others, such as those with whom they have family, business, or other ties. In the event County determines a conflict of interest exists, any increase in costs associated with the conflict of interest may be disallowed by County and such conflict may constitute grounds for termination of the Contract. This provision shall not be construed to prohibit employment of persons with whom Contractor's officers, agents, or employees have family, business or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally

qualified applicants and such persons have successfully competed for employment with other applicants on a merit basis.

Contractor shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to Indemnitees as set forth herein.

Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the Indemnitees to the fullest extent allowed by law.

2. Additional Insured – All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the County and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.1185.
3. Waiver of Subrogation Rights – The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.

4. Primary and Non-Contributory – All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.
5. Severability of Interests – The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.
6. Proof of Coverage – The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage, including endorsements, as required, prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.
7. Acceptability of Insurance Carrier – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII".
8. Deductibles and Self-Insured Retention – Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to Risk Management.
9. Failure to Procure Coverage – In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.
10. Insurance Review – Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by a written amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.
11. The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to meet the specified requirements. The type(s) of insurance required is determined by the scope of the contract services.

Contractor shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Contract.

Policy shall also include fire and extended coverage on the improvements, alterations and fixtures to be constructed and installed upon the Property in an amount not less than the full replacement value of such improvements, alterations and fixtures. Such insurance shall name County as an additional insured with respect to this Agreement and the obligations of County hereunder.
