

## GOOD NEIGHBOR GUIDELINES FOR SITING INDUSTRIAL FACILITIES

PLANNING CASES P20-0179 (ZONING CODE TEXT  
AMENDMENT), P20-0190 (SPECIFIC PLAN AMENDMENT) AND  
P20-0191 (SPECIFIC PLAN AMENDMENT)

Community & Economic Development Department

Planning Commission  
June 25, 2020  
Agenda Item: 7

RiversideCA.gov

## BACKGROUND

### May 19, 2015:

- City Council asks Staff to brief Land Use Committee (LUC) on current policy for industrial uses near residential

### March 10, 2016:

- LUC receives report on current policies and standards and directs Staff to review 2008 GNG

### October 25, 2016

- Council receives Staff findings and requests further refinements (setbacks, traffic, noise, emissions)

### March 9, 2020:

- LUC presented with updated GNG document and conceptual Zoning Code amendments to implement guidelines
- LUC directs staff to forward proposed amendments to Planning Commission and Council with additional clarification on 6 topics (discussed later)

### May 28, 2020:

- Planning Commission continues item to June 25, 2020

2

RiversideCA.gov

## UPDATED GUIDELINES (GNG 2020)

Reorganized to focus on three key areas:

- Air Quality (4 Policies)
- Noise (6 Policies)
- Neighborhood Character (7 Policies)

Provide specific policies for each area - are implemented through the Zoning Code

Emphasis on consistency with existing policy:

- California Air Resources Board
- South Coast Air Quality Management District
- Western Riverside Council of Governments

## PROPOSED ZONING CHANGES

### Chapter 19.435 – Warehousing and Distribution Facilities

#### 10,000 square feet or less:

1. Locate loading docks, bays and driveways away from sensitive receptors (residential, parks, schools, nursing homes, etc.) wherever possible and provide full visual screening
2. Minimum 8-foot wall required at residential property line
3. Operations must comply with Title 7 (Noise) limits

#### 10,000-100,000 square feet:

1. Locate loading docks, bays and driveways away from sensitive receptors wherever possible and provide full visual screening (8-foot minimum)
2. Operations limited to 7am-7pm Monday-Friday, 8am-5pm Saturday and prohibited Sundays and Holidays within 800 feet of residential unless noise study verifies no impacts
3. Truck idling limited to 5 minutes; electrical hookups provided if refrigerated trucks used
4. Facilities generating more than 150 trucks per day must prepare truck route that avoids sensitive receptors

4

## PROPOSED ZONING CHANGES

### Chapter 19.435 – Warehousing and Distribution Facilities (cont.)

#### Over 100,000 square feet

1. Locate loading docks, bays and driveways away from sensitive receptors (residential, parks, schools, nursing homes, etc.) and provide full visual screening (8-foot minimum)
2. On-site truck queuing space required
3. Operations limited to 7am-7pm Monday-Friday, 8am-5pm Saturday and prohibited Sundays and Holidays unless noise study verifies no impacts
4. Idling prohibited; electrical hookups required
5. Truck route required; must avoid sensitive areas
6. Facilities generating more than 150 truck trips per day must prepare a Health Risk Assessment

## PROPOSED ZONING CHANGES

### Chapter 19.285 – Outdoor Storage Yard; 19.510 – Outdoor Storage Yard-Incidental; 19.550 – Fences, Walls and Landscape Materials

- Added provision allowing alternative screening methods to Community & Economic Development Director's discretion

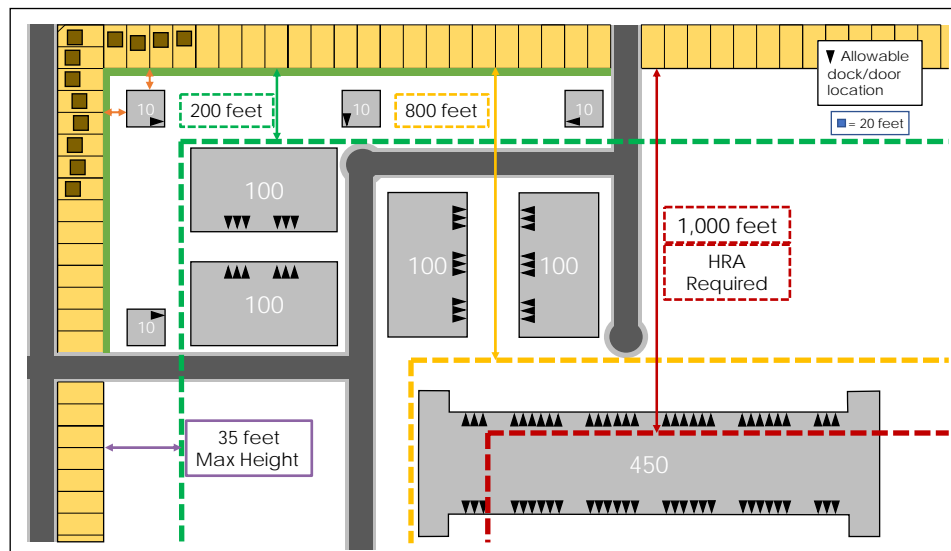

### Chapter 19.910 – Definitions

- Added definition for "Warehousing and distribution facility":  
*A building, structure or other facility primarily used for the warehousing, storage, sorting, packing, staging, shipping, receiving, distributing or holding of goods and merchandise of any kind, typically which are not manufactured, processed or otherwise produced in the same facility, for any length of time. Warehousing and distribution facilities include but are not limited to wholesale distribution, distribution centers, moving and transfer storage, cross-dock facilities, package handling centers, order fulfillment centers, or logistics centers and facilities.*

17

RiversideCA.gov

## LAND USE COMMITTEE COMMENTS

1. Hours of operation – flexibility
2. Increased restrictions near sensitive receptors
3. Truck traffic generation rates and building size
4. Increased restrictions for higher truck volumes
5. Maximum building size – per lot vs. per building
6. Increased radius for HRA requirement

18

RiversideCA.gov

## POTENTIAL MODIFICATIONS BASED ON INPUT

1. Apply buffers and setbacks to Public Facilities Zone in addition to Residential Zones
2. Exempt sites from buffers and setbacks from Residential when separated by a freeway
3. Clarify that buffers are measured from Residential property line to building
4. Clarify that only expansions to existing buildings are subject to new requirements, not entire site

19

RiversideCA.gov

## RECOMMENDATIONS

Staff recommends that the Planning Commission:

1. **RECOMMEND that the City Council DETERMINE** that Planning Cases P20-0179 (Zoning Code Amendment), P20-0190 (Specific Plan Amendment) and P20-0191 (Specific Plan Amendment) are exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3), as it can be seen with certainty that the code amendment does not have the potential to cause a significant effect on the environment (General Rule); and
2. **RECOMMEND APPROVAL** of Planning Cases P20-0179 (Zoning Code Amendment), P20-0190 (Specific Plan Amendment) and P20-0191 (Specific Plan Amendment) based on the findings attached to this staff report.
