<b>302(c)(4)(A)</b> Describe the manner in which allocated funds will be used for eligible activities. The City will primarily utilize its PLHA funds to make low interest loans to housing developers to facilitate the construction of affordable housing projects in the first year, and beginning in year 2) will split funds between new affordable housing development, and operational costs related to a bridge housing facility for homeless individuals. All loans and beginning in year 2) will split funds between new affordable housing development, and operational costs related to a bridge housing facility for homeless individuals. All loans and benefits from land transactions will be protected by deeds or trust, affordability covenants, and notices of affordability that will be recorded against land title for a term of 55-years. The bridge housing project (2881 Hulen Place) will house approximately 45 homeless individuals until they can graudate into permanent housing.
