Parks, Recreation and Community Services Unfunded List			
Item/Request	Amount Needed	Justification	
Annual Weed Abatement	25,000	With over 250 acres of open space, each year we will need to treat chemically and add additional days so Cal Fire & CCC crews can start earlier then normal to ensure firebreaks are in place throughout the City. Increase fire breaks to 75/100 feet and add basic trail maintenance each year. Cost would be \$100 per acre.	
Tree Maintenance			
	255,000	Add annual grid pruning (part of 7 year cycle) to yearly tree care and treatment of diseases, chemical, etc. for 30,000 trees. Based on 30,000 trees and cost of \$85.00 per tree to grid prune, cost would be over \$2 million. Target 3 sites a year: high profile areas, playground, ball fields, picnic areas at about 600 trees a year. This is a modest estimate.	
Tree Maintenance	7,250	Replacement of tree canopy in Parks. Cost is 15 gallon tree \$125.00 tree, 2 stakes at \$10.00 each. Utilize volunteers to plant 50 trees per year in the park system.	
Telephone Usage Equipment Rental Deferred Maintenance	44,500	Additional costs for adding additional Parks to CalSense and updating old equipment at \$8,500. Contracting out 3 parks a year, convert to CalSense at \$12,000 each. Basic CalSense, 32 station controller \$5,500 each, Antenna \$1,500, Cable and installation fees \$1,500	
	10,000	Additional rentals for tractors and flail units as needed to reduce weeds in open areas and sod cutter, seed spreaders for field renovations. Summer 2019 spent \$9,000 on a new flail unit to replace old damaged unit. Monthly rental for Tractor is \$4,000 and Flail attachment #3,800 (tax not included), to flail existing areas that we could not get Cal fire crews and CCC's to accomplish.	
	50,000	For replacement of playground fall material to top off 4 parks playgrounds per year. Average cost for fall material \$25,000 for 2 playgrounds per year for replacement. Cost reduction after 10 years to \$12,500 to top off on annual basis.	

Item/Request	Amount Needed	Justification
		Rubberized surface replacements for two playgrounds a
Deferred Maintenance	240,000	year at \$120,000 each
		For women of which original conference to include well continue
		For repair of rubberized surfaces to include roll coating
		of 15 surfaces each year and repairs/renovations to 15
		surfaces each year. Roll coat costs; 2.25 a square foot
		average area to roll coat each year approximately 10,000
Deferred Maintenance	337,500	sq. foot. Cost: \$22,500 per site.
		For repair of rubberized surfaces to include site patch
		work repairs/renovations as needed. Patching cost 30.00
Deferred Maintenance	9,000	square foot at 100 sq. ft per site. \$3,000.00.
		Gym floor renovation each year. Major renovation cost
		\$18,000 per site; seven need to be redone; add \$2,500
		per year for recoat of existing floors (9 per year) to
Deferred Maintenance	148,500	prolong investment.
	140,000	
		Citizen interest in Bottle filler station attached to
		drinking fountains. Add bottle filler component to high
Maintenance Supplies	18,000	use parks. \$6,000 per fountain (3 a year)
	10,000	ase parks porce per rountain (5 a year)
		Irrigation Supplies non appropriated cost Values 2/4
	40.000	Irrigation Supplies non appropriated cost. Valves, 3/4,
Maintenance Supplies	40,000	1/2 inch PVC, compression couplings, fitting (basic)
		Park Lighting, replace existing lights in Parks, outside
		restrooms, parking lots, with LED. Park LED Conversion:
		Retro fit lamps \$65.00 ea., \$110.00 installation costs,
Deferred Maintenance	35,000	New fixture \$200.00 ea., 500 lights per year.
		Reflective Roof coating for community centers. 15.00 sq.
Deferred Maintenance	60,000	o , , , ,
	00,000	ft at 4000 sq. ft per center. 1 center per year

Item/Request	Amount Needed	Justification
		Supplies and Services for Time for Tots Camps at two
Time for Tots Summer Camp	9,000	sites
Upholstery Cleaning	25,000	Upholstery cleaning at 11 community centers
		Replacement schedule of furniture at 11 community
Table and Chair Replacement	20,000	centers.
