To whom it may concern,

I am currently the next door neighbor of Blessed Elder Care Inc. located at 5055 Sierra Street. Since my fiancé and I have moved to the neighbor we have been extremely pleased with all of our neighbors. Many of our neighbors have introduced themselves and welcomed us to the area. I fully support Blessed Elder Care Inc. and what they do for our neighborhood. As a first responder I understand the importance of taking care of our communities and making sure the people in them are safe. As the neighbor I have zero concerns or issues with Blessed Elder Care Inc. I understand that parking is a concern for the City of Riverside, however, not once have I had any issues with parking caused by Blessed Elder Care Inc. I enjoy having them as my neighbors knowing that there is always someone near by. If you have any questions please feel free to contact me.

To Whom it May Concern,

I am a neighbor of Blessed Elder Care Inc. and live at 5029 Sierra Street. I have lived at this address for 10 years. I am aware that Blessed Elder Care Inc. has had some parking concerns from the City of Riverside. Since I have lived in my home, there has never been a circumstance where I experienced any issues with parking due to Blessed Elder Care Inc. or their visitors. The elderly facility and their visitors do not add any more traffic or parking concerns to the neighborhood than any other resident that lives in the area. I enjoy having Blessed Elder Care Inc. in the neighborhood and what they are doing for our community and the elderly. Having them as my neighbor brings me a sense of security knowing that there is always someone at the residence watching over the neighborhood. If you have any questions you may contact me at any time.

Sincerely,
