18 WHEREAS, all legal prerequisites to the adoption of this application have been met.

19 NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Riverside,
20 California that based on substantial evidence presented to the Cultural Heritage Board during the
21 above-referenced public hearing and thereafter to the City Council, including written and oral staff
22 reports, together with public testimony pursuant to the provisions of Title 20 of the Riverside
23 Municipal Code pertaining to the designation of a Historic Landmark, the City Council hereby finds
24 that the E.T. Wall Packing House #2, located at 3230 Vine Street, on the east side of Vine Street
25 between Third and First Streets, within the City of Riverside, California, Assessor's Parcel Number
26 213-060-028, as more particularly described in Exhibit "A" attached hereto and incorporated herein
27 by reference, a Historic Landmark eligible for designation under criteria set forth in the Riverside
28 Municipal Code Section 20.50.010(U) and based on the following facts and findings:

FINDINGS: Criterion 1: Exemplifies or reflect special elements of the City's cultural, social,
economic, political, aesthetic, engineering, architectural, or natural history.

1 **FACTS:** E.T. Wall Packing House #2 represents a special element in the City’s cultural and
2 economic history. From its construction in 1923 through the mid-20th century, the
3 structure was strongly associated with the Riverside citrus industry. This period of
4 time was the industry’s heyday, which was instrumental in the cultural and economic
5 development of the City from the late-19th century to the early-20th century.

6 The majority of packing houses built in Riverside during the 1920's were developed
7 through funds provided by individuals or citrus cooperatives. In contrast, The E.T.
8 Walls Packing House #2 was initially owned and constructed with other railroad
9 improvements and industrial buildings by the Los Angeles and Salt Lake Railroad, a
10 subsidiary of the Union Pacific Railroad. The E.T. Wall Company utilized the
11 building for processing and shipping of citrus to markets across the country by the
12 Union Pacific Railroad.

13 This building showcases the prominence of the citrus industry in Riverside and the
14 unique role the railroad played in promoting the distribution of Riverside’s citrus
15 products across the country.

16 **FINDINGS:** Criterion 3: Embodies distinctive characteristics of a style, type, period or method of
17 construction, or is a valuable example of the use of indigenous materials or
18 craftsmanship.

19 **FACTS:** The E.T. Wall Packing House #2 embodies distinctive characteristics of building
20 type, and method of construction. The building was designed to be state of the art in
21 the 1920s. The design included a wood truss saw-tooth roof, which accommodated
22 more machinery in the workspace and provided natural lighting. Examples of this
23 type of roof were initially featured in the California Citrograph, c. 1919.

24 The building is also characterized by reinforced concrete frame with hollow tile. This
25 method of construction was used to provide fireproofing and insulation for the
26 building. The design of the building also incorporates the Mission Revival Style of
27 architecture that was still popular in the early 1920s.

28 **BE IT FURTHER RESOLVED THAT** pursuant to Title 20 of the Riverside Municipal Code,
the City Council hereby approves the above-referenced application and designates the E.T. Wall
Packing House #2, located at 3230 Vine Street, on the east side of Vine Street between Third and
First Streets, within the City of Riverside, California, Assessor’s Parcel Number 213-060-028, as
City Historic Landmark #142.

BE IT FURTHER RESOLVED THAT the proposed historic landmark designation is exempt
from the provisions of the California Environmental Quality Act pursuant to Sections 15061(b)(3)
and 15308 of the Guidelines for Implementation of the California Environmental Quality Act (Title
14, California Code of Regulations, commencing with Section 15000 as it can be seen with certainty

1 that there is no possibility that the activity will have a significant effect on the environment, and said
2 action is intended to preserve the historic character of the building.

3 BE IT FURTHER RESOLVED THAT the City Clerk of the City of Riverside shall cause a
4 certified copy of this resolution to be recorded in the Office of the County Recorder of Riverside
5 County, California.
