

FY 2020-21 SB 1 PROJECT LIST

Public Works Department

City Council
September 15, 2020

RiversideCA.gov

1

BACKGROUND

1. On April 28, 2017 the Governor signed SB 1 to address basic road rehabilitation and traffic safety needs, including on local streets.
2. SB 1 is funded by gasoline excise taxes, diesel fuel sales taxes, and vehicle registration fees.
3. These revenues are deposited into the State's Road Maintenance and Rehabilitation Account (RMRA). A percentage of the RMRA funds are apportioned to cities as part of the Local Street and Roads Program (LSRP).

2

RiversideCA.gov

2

BACKGROUND

4. SB 1 guidelines include accountability and transparency provisions that ensure the public is aware of the projects being completed utilizing these RMRA funds.
5. Any jurisdiction receiving RMRA funds must adopt, by resolution, a list of projects anticipated to be completed.
6. The project list does not limit the flexibility of the City to fund projects in accordance with the City's priorities so long as the projects are consistent with the SB 1 program priorities.

FY2020/21 SB-1 PROJECTS

The State estimates the City of Riverside will receive \$5,638,956 in FY2020-21 RMRA funds and these funds are included in the City's budget for FY2020-21.

New Traffic Signals

1. Main Street & Placentia Lane
 2. Wells Avenue & Challen Avenue
- New traffic signals assist pedestrians, bicyclists, and motorists to enter intersections while reducing emissions and congestion.
