1.5 **Other Grants.** It is agreed that Seller, or its successors in interest, will not grant an interest in the Property, or any part thereof, including, but not limited to, a fee simple interest, easements, or any other conveyances and/or construct improvements or make changes upon or to the Property during the period between the Effective Date and the Close of Escrow, as such term is defined below.

1.6 **Possession.** Seller agrees that the Property will be available to Buyer upon the Close of Escrow, unless specifically provided otherwise, or, if applicable, the date specified in any

order for possession heretofore ordered by a court in any pending eminent domain action as to the Property being acquired herein.

1.7 **Due Diligence.** Buyer shall have one hundred eighty (180) days from the Effective Date ("Contingency Date") to perform, in its sole discretion, its due diligence review of the condition of Property and all other matters concerning the Property, including without limitation, economic, financial, and accounting matters relating to or affecting the Property or its value, and the physical and environmental condition of the Property. ARTICLE II PURCHASE PRICE, TITLE AND ESCROW

2.1 **Purchase Price.** Buyer shall pay to the Seller the sum of Sixty Two Thousand Dollars (\$62,000) ("Purchase Price") for the acquisition of 0.240 acres of vacant land for construction of a sewer pumping station in connection with the Project. The Purchase Price shall represent full and complete compensation pursuant to Compensatory Laws for the rights and interests being acquired herein by Buyer, including, without limitation, real property, fixtures and equipment, loss of business goodwill, relocation assistance and such other compensation, damages and benefits as may be permitted by law. The Purchase Price shall be payable to Seller in immediately available funds in accordance with the provisions and requirements of this Agreement.

2.2 **Escrow.** Upon execution of this Agreement by the parties, Buyer shall open an escrow ("Escrow") with a title company selected by Buyer ("Escrow Holder") for the purpose of consummating this Agreement. The parties hereto shall execute and deliver to Escrow Holder such escrow instructions ("Escrow Instructions") prepared by Escrow Holder as may be required to complete this transaction and as otherwise mutually acceptable to the parties. The Escrow Instructions shall not conflict with, amend, or supersede any provision of this Agreement. If there is any inconsistency between the Escrow Instructions and this Agreement, this Agreement shall control.

2.3 **Escrow Trust Accounts.** All funds received in the Escrow shall be deposited in an escrow trust account specifically opened for this transaction, and all disbursements shall be made by check or, at the option of Buyer, wire transfer of Escrow Holder from such account. Escrow Holder shall deposit all of Buyer's money into an interest bearing account with all interest accruing to Buyer until the Close of Escrow. At the option of Buyer, said interest may be used toward the Purchase Price.

2.4 Conduct of Escrow. Escrow Holder is hereby authorized and instructed to conduct the Escrow in accordance with this Agreement, the Escrow Instructions, and applicable law, including any reporting requirements of the State of California and the Internal Revenue Service.

2.5 Condition of Title. Seller shall convey title to the Property to Buyer as evidenced by a CLTA or ALTA Form Policy or Binder of Title Insurance ("Title Policy") issued by a title insurance company selected by Buyer, in an amount equal to the Purchase Price. The Title Policy shall show title to the Property vested in the Buyer free and clear of all liens, encumbrances, easements, assessment, taxes and leases (recorded and/or unrecorded) except as follows, (collectively, "Approved Exceptions").

- (i) matters of the Property's title and the standard preprinted exceptions and stipulations of the Title Policy which are not disapproved in writing ("Disapproval Notice") by Buyer within ten (10) days of receipt of the Preliminary Title Report;
- (ii) matters affecting the condition of the Property's title which Buyer shall not have delivered a Disapproval Notice;
- (iii) those approved exceptions subject to which Buyer has agreed to take title to the Property; and
- (iv) matters affecting the condition of the Property's title created by or with the consent of Buyer or Buyer's employees or agents or assigns.

Notwithstanding the foregoing, any exceptions to title representing monetary liens or encumbrances are hereby disapproved by Buyer and Escrow Holder is hereby authorized and instructed to cause the reconveyance of any such monetary exceptions at or prior to the Close of Escrow. If a supplemental report is issued prior to the Close of Escrow which shows new matters not listed above, Buyer reserves the right to require any new matters removed from the Title Policy. Seller agrees to use reasonable efforts to assist with the removal of the new matters.

2.6 Reports, Studies and Agreements. Within fifteen (15) calendar days of the Effective Date, Seller will provide Buyer with copies of any reports, studies, maps or agreements affecting the Property, including but not limited to geotechnical and soils reports, surveys, environmental reports, as-builts, building floor plans, flood hazard or earthquake seismic studies and other reports, studies, maps or agreements affecting the Property, to the extent Seller has any such copies.

ARTICLE III CLOSING

3.1 Closing. Subject to the satisfaction of any contingencies described herein, Escrow Holder shall close this Escrow by recording the deed(s) and other documents required to be

recorded and by disbursing the funds and documents in accordance with this Agreement and the Escrow Instructions.

3.2 **Closing Date.** Escrow shall close on or before sixty (60) days following the Effective Date ("Close of Escrow"). If the Escrow is not in a condition to close by the Close of Escrow, any party who is not then in default, upon notice in writing to the Escrow Holder and the other party, may demand the return of their documents and/or money and cancellation of the Escrow. Unless objected to in writing within ten (10) days from the receipt of the notice of cancellation, the Escrow will automatically be canceled. If no demand for cancellation is made, then Escrow will close as soon as possible.

3.3 **Closing Documents.**

3.3.1 Seller, prior to the Close of Escrow, shall deliver to Escrow Holder each of the following items, the delivery of each of which shall be a condition to the performance by Buyer of its obligations under this Agreement:

- (a) a grant deed sufficient for recording, conveying the Property subject only to Approved Exceptions;
- (b) all additional documents, instruments which may be reasonably necessary for the Close of Escrow and to consummate the sale of the Property in accordance with the terms of this Agreement; and
- (c) all sums that Seller is required under this Agreement or the Escrow Instructions to deliver to Escrow Holder.

3.3.2 Buyer, prior to the Close of Escrow, shall deliver to Escrow Holder each of the following items, the delivery of each of which shall be a condition to the performance by Seller of its obligations under this Agreement:

- (a) the Purchase Price to be paid to Seller and other cash charges provided for in this Agreement and the Escrow Instructions;
- (b) a certificate of acceptance of the grant deed executed by Buyer; and
- (c) all additional documents and instruments which may be reasonably necessary for the Close of Escrow and to consummate the sale of the Property in accordance with the terms of this Agreement.

Since Buyer is a public entity, Escrow Holder must secure from Buyer and attach to any deed a certificate of acceptance executed by Buyer or its authorized employees, officers or agents prior to the recording of any deed.

3.4 **Mortgages and Deeds of Trust.** Any and all monies payable under this Agreement, up to and including the total amount of unpaid principal and interest on any note

secured by a mortgage or deed of trust, or other security instrument if any, shall, upon demand, be made payable to the mortgagee or beneficiary entitled thereunder; and such mortgagee or beneficiary shall be required to furnish Buyer with good and sufficient receipt showing said monies were credited against the indebtedness secured by said mortgage, deed of trust, or other security instrument. Escrow Holder shall notify the title company of such payments and secure and cause any necessary full or partial conveyances to be prepared, signed and recorded as required by the title company to eliminate any such encumbrances or exceptions from the Title Policy issued pursuant to this Agreement.

3.5 Taxes. Escrow Holder is authorized and instructed to comply with the following tax proration procedures:

3.5.1 Payment of Unpaid Taxes: Pay and charge Seller for any unpaid delinquent taxes and/or any penalties and interest thereon, and for any delinquent or non-delinquent assessments or bonds against the Property.

- (a) The date of conveyance to the Buyer.
- (b) The date of actual possession by Buyer.
- (c) The date upon or after which Buyer may take possession as authorized by an order for possession or by a declaration of taking.

Since possession is being granted pursuant to this Agreement at the Close of Escrow that date will be the "date of apportionment" unless Buyer has heretofore obtained an order for possession in a pending eminent domain action or obtained possession by agreement with Seller in which case the earlier of such dates shall be the date of apportionment.

3.5.3 Ad Valorem Taxes: Seller understands and agrees pursuant to California Revenue and Taxation Code Section 5083 that when property is acquired by Buyer (a public entity) that any lien on the property for ad valorem taxes is extinguished as a matter of law upon the final acquisition of the property and the lien immediately transfers and attaches to the proceeds constituting the purchase price.

3.5.4 No Cancellation of Unpaid Taxes and Penalties: Seller understands and agrees pursuant to California Revenue and Taxation Code Section 5084 that no cancellation shall be made of all or any portion of any unpaid taxes or any penalties or costs levied for prior tax years that constitute a lien at the time of acquisition of the Property. Such unpaid taxes, penalties, and costs shall be paid through Escrow, or if unpaid for any reason, shall be transferred to the unsecured tax roll pursuant to Section 5090 of the California Revenue and Taxation Code and are collectible solely from Seller.

3.5.5 Proration of Current Taxes: From the date that tax information is available, that portion of the current taxes and any penalties and costs that are allocable during Seller's ownership of the Property up to and including the date of apportionment, if unpaid, shall be paid through Escrow. If such taxes are not paid, Buyer shall not in any event be responsible or liable for such taxes and such taxes shall be transferred to the unsecured roll and be solely collectable from Seller.

3.5.6 Notice to County Tax Collector: Buyer shall be solely responsible for providing notice of this acquisition to the County Tax Collector and to any public entities, whose taxes are not collected by the County Tax Collector but who at this time exercise the right of assessment and taxation pursuant to California Revenue and Taxation Code Section 5091.

3.6 **Costs.**

3.6.1 At the Close of Escrow, and as a debit from the closing proceeds to be paid to Seller, Seller shall be responsible for: (i) one-half the cost of any escrow charges imposed by the Escrow Holder; (ii) the cost of a CLTA or ALTA Standard form policy of title insurance from Title Company; (iii) any taxes disclosed in Section 3.5; and (iv) any other expenses customarily charged to Seller in connection with similar transactions including its own attorney's fees.

3.6.2 At the Close of Escrow, Buyer shall be responsible for: (i) all recording fees and any and all state, county, and local governmental transfer taxes, documentary or otherwise, and/or the cost of documentary stamps to be affixed to the instrument or instruments of conveyance (if obtained by Buyer); (ii) the additional cost of an extended ALTA owners title policy and associated costs if obtained by Buyer; (iii) one-half the cost of any escrow charges imposed by the Escrow Holder; and (iv) any other expenses customarily charged to Buyer in connection with similar transactions including its own attorney's fees.

3.7 **Brokerage Commissions.** The parties acknowledge that they have not been represented by or dealt with any broker with respect to this transaction. Seller agrees that should any broker make a claim for a commission based on the actions of Seller, Seller shall indemnify, defend and hold Buyer harmless from any such claim. Likewise, Buyer agrees that should any broker make a claim for a commission based on the actions of Buyer, Buyer shall indemnify, defend and hold Seller harmless from any such claim.

Buyer shall give Seller

reasonable notice of such entry, and shall not unreasonably interfere with any occupant's use of the Property or any of Seller's other operations on the Property. Buyer shall keep the Property free and clear of any liens or encumbrances that may arise out of Buyer's inspection of and activities on the Property. All costs, expenses, liabilities or charges incurred in or related to the performance of any and all of such studies and work on the Property, the preparation by Buyer of any plans or maps for the development or use of the Property, and the cost of filing, recording reports, plans, maps or other documents related thereto shall be at the sole cost and expense of and shall be paid by Buyer. Buyer hereby agrees to repair any damage done to the Property by Buyer, its agents, employees, servants, nominees or assigns, and Buyer shall restore the Property to the same or similar condition as existed on the date of Buyer first exercised this right of entry, if this transaction is terminated. In the event there is a material change to the Property after the Effective Date, Buyer shall be required to purchase the Property with a credit against the Purchase Price otherwise due hereunder equal to the amount of any insurance proceeds actually collected by Seller prior to the Close of Escrow as a result of any such material change. Seller agrees to maintain a casualty insurance policy with respect to the Property in full force and effect until the Close of Escrow.

5.1 Acknowledgment of Full Benefits. By execution of this Agreement, Seller, on behalf of itself and its heirs, executors, administrators, successors and assigns, hereby acknowledges that this Agreement provides full payment for the acquisition of the Property by the Buyer, and Seller hereby expressly and unconditionally waives any and all claims for damages, improvements, relocation assistance benefits, severance damages, interest, loss of goodwill, claims for inverse condemnation or unreasonable precondemnation conduct, or any other compensation or benefits, other than as already expressly provided for in this Agreement, it being understood that this is a complete and full settlement of all acquisitions claims, liabilities, or benefits of any type or nature whatsoever relating to or in connection with the acquisition of the Property.

A "Hazardous Substance Condition" for purposes of this Agreement is defined as the existence on, under or relevantly adjacent to the Property or a Hazardous Substance that would or could require remediation and/or removal under applicable federal, state or local law.

10.5 Hazardous Substances Indemnity. Seller expressly agrees to indemnify, defend, and hold Buyer, and its respective officials, officers, employees, agents, successors and assigns, harmless from and against any claim, action, liability, loss, damage, entry, judgment, order, lien, encumbrance, and costs and expenses that, foreseeable or unforeseeably, directly or indirectly, arises from, or is in any way related to, the existence, release, treatment, use, generation, transportation, storage, or disposal in, on, under, to, or from the Property of any Hazardous Substances. For the purposes of this section, "costs and expenses" include, but are not limited to, the cost of any necessary, ordered, adjudicated, or otherwise required remediation or removal of Hazardous Substances, any cost of repair of improvements on the Property or adjacent property necessitated by or related to the remediation or removal of Hazardous Substances, the cost of any tests, samples, studies, investigations, or other preparation reasonably undertaken in preparation or furtherance of remediation or removal of Hazardous Substances, and the cost of preparing plans for the remediation or removal of Hazardous Substances. Notwithstanding the foregoing, Seller expressly agrees to, at its sole expense, and with legal counsel of Buyer's choice, defend the Buyer and its respective officials, officers, employees, agents, successors and assigns in any action in which the Buyer or its respective officials, officers, employees, agents, successors and assigns become or may become involved as a result of the existence, release, treatment, use, generation, transportation, storage, or disposal in, on, under to, or from the Property of any Hazardous Substances. Seller's obligations under this section shall survive the Close of Escrow, but only as to any Hazardous Substances contained in the soils. Notwithstanding the foregoing, Buyer releases Seller from any indemnity obligation relating to Hazardous Substances found in or on any portion of the Property occupied by Buyer.

ARTICLE XI

BUYER'S OBLIGATION AFTER CLOSE OF ESCROW

11.1 Buyer's Obligations After Closing. Buyer agrees that the Property shall only be used for the Project. In all events: (i) the Property shall not be used for any purpose other than the Project, or (ii) the Property may not be sold, transferred, conveyed or assigned by Buyer to any party other than Seller, except as may be approved by Seller, otherwise, Buyer shall reconvey the

Property to Seller pursuant to the following provisions and such following provisions shall be included in the grant deed in which Buyer is referred to as ("Grantee") and Seller is referred to as ("Grantor"):

11.1.1 Conditional Grant. Grantee covenants and agrees for itself, its successors and assigns that the conveyance of the Property from Grantor to Grantee is made upon the express condition, limitation and restriction that: (i) the Property shall not be used for any purpose other than the Project, or (ii) the Property may not be sold, transferred, conveyed or assigned by Buyer to any party other than Seller, except as may be approved by Grantor. Grantee agrees for itself, its successors and assigns that the express condition, limitation and restriction set forth in this Section are intended to be binding upon Grantee and its permitted successors and assigns forever.

11.1.2 Covenant to Reconvey Property. Grantee covenants and agrees for the exclusive benefit of Grantor that Grantee shall reconvey the Property to Grantor, in accordance with the terms hereof, upon notification from Grantor, pursuant to Section 11.1.3(a) below, that Grantee has breached any condition, restriction or limitation set forth herein.

11.1.3 Grantor Power of Termination Regarding Property.

(a) Grantor hereby reserves a power of termination pursuant to Civil Code Sections 885.010, et seq., exercisable by Grantor, in its sole and absolute discretion, upon ninety (90) calendar days written notice to Grantee referencing this Section, to terminate the fee interest of Grantee in the Property and/or any improvements to the Property and revert such fee title in Grantor and take possession of all or any portion of the Property and any improvements located thereon, with compensation to Grantee of the greater of: the then fair market value of the Property or the Purchase Price plus a ten percent administrative fee, upon Grantee's breach of the condition set forth herein.

(b) The ninety (90) calendar day written notice specified in Section 11.1.3(a) shall specify the alleged breach of Grantee triggering Grantor's exercise of the power of termination. Grantor shall proceed with its remedy set forth in Section 11.1.3(a) only if the Grantee continues in default for a period of ninety (90) calendar days following such notice or, upon commencing to cure such default, fails to diligently and continuously prosecute said cure to satisfactory conclusion.

(c) Upon Grantor's exercise of its power of termination pursuant to this Section, Grantee or its successors or assigns shall convey by quitclaim deed to Grantor title to the Property, as specified in Grantor's notice pursuant to Section 11.1.3(a), and all improvements thereon. Such conveyance shall be duly acknowledged by Grantee and a notary in a manner suitable for recordation. Grantor may enforce its rights pursuant to this Section by means of injunctive relief or other appropriate action filed in any court of competent jurisdiction.
