The Joint Law Enforcement Operations Task Force Modification Document is designed to provide district and regional fugitive task forces with one standard form to record increases or decreases in funding for existing obligations. For new obligations, please refer to Form USM-607, Joint Law Enforcement Operations Task Force Obligation Document. Joint Law Enforcement Operations partnerships with state and local agencies exist under a reimbursable agreement detailed in the Memorandum of Understanding. # **SECTION 3: Appropriation Data**

A. Insert valid appropriation data in the fields provided, using the original obligation document for reference.

## **SECTION 4: Description of Modification**

- A. Enter a brief description of the reason or purpose for the modification. Space is limited to a maximum of 150 characters.
- B. If a more detailed description is necessary, please note "See attached" in the text field, type the full description of the modification into a new document and attach the additional page to this form. Be sure to note the obligation number on the attachment.

# **SECTION 5: Contact Information**

A. Enter District/RFTF contact information (Box 1) and State/Local contact information (Box 2).

- C. Acknowledgement: The JLEO participant can acknowledge receipt of the modification form in one of two ways:
  - 1. Sign the completed Form USM-607A and return to the issuing District/RFTF office.
  - 2. Send an email to the District/RFTF point of contact acknowledging that the agency has received and understood the USM-607A. The USMS POC will then print the e-mail and attach to the modification form in lieu of an agency signature.

When completed, the form will be returned to the District/RFTF office. Districts are responsible for modifying obligations in UFMS according to the USM-607A information. RFTF modifications will be forwarded to Headquarters IOD to be entered into UFMS.
