BACKGROUND:

On March 27, 2018, the Board of Library Trustees received an update on the proposed new site of the Bobby Bonds Park located at 2060 University Avenue for the new SPC Jesus S. Duran Eastside Library (Eastside Library), and voted unanimously to consider this site for the new Eastside Library location.

On May 21, 2018, the proposed new site for the Eastside Library was discussed at the Parks and Recreation Commission meeting. At this meeting, Parks and Recreation Commissioners commented on the importance of hosting bilingual community meetings to discuss this site, the need for a thriving library on the Eastside, and that a new Eastside Library does not block the Cesar Chavez Community Center.

On June 7, 2018, at 5:30 p.m., a presentation regarding the new Eastside Library was conducted for the Eastside Neighborhood Forum at the Cesar Chavez Community Center.

On July 12, 2018, at 5 p.m. a walking tour of the Cesar Chavez Community Center, Bobby Bonds Park and Ottawa and University sites were held for the community. Additionally, signatures were received from 150 community members in favor of keeping a library in the Eastside neighborhood.

Director's Christmas and Cruz provided a joint presentation to the Park and Recreation Commission and the Board of Library Trustees in January 2019.

Following discussion, the City Council recommended that staff take a funding request of \$2 million from Measure Z funds to the Budget Engagement Commission. Staff plans to bring this request to the Budget Engagement Commission *after* the selected architectural firm provides Phase I Design Services with building cost estimates.
