BACKGROUND:

On September 23, 2020, the Community Police Review Commission (CPRC) 2020 By-Laws Review Ad Hoc Committee was created by Chair Smith. Chair Smith declared that the intention of the Ad Hoc Committee was for the 2020 review of the CPRC Bylaws by the end of the 2020 calendar year. Chair Smith appointed Commissioner Berrellez as chair of the committee, and Commissioner De Brier as a member of the committee. Commissioner Teichert will be appointed as a member of the committee during the October CPRC meeting.

On October 28, 2020, Chair Smith appointed Commissioner Teichert as a member of the committee. The Ad Hoc Committee provided a brief update reflecting no recommended changes to the By-Laws or Policies and Procedures. The Ad Hoc Committee Chair indicated that further review would be conducted with the new appointed member and an update would be provided at the November 18, 2020 CPRC meeting.

A discussion item will be placed on each CPRC agenda to receive a report from the Community Police Review Commission 2020 By-Laws Review Ad Hoc Committee; discuss recommended revisions to the Community Police Review Commission By-Laws or Policies and Procedures, if any, and schedule actions as needed for a future Community Police Review Commission meeting.

DISCUSSION:
