Violation 1: Municipal Code Section 2.78.060 (M) – Sunshine Ordinance

Municipal Code Section 2.78.060 (M) states:

No public official of the City of Riverside shall intentionally or repeatedly violate the Charter of the City of Riverside, the Riverside Municipal Code, or any established policies of the City of Riverside affecting the operations of local government

On October 6, 2015 the Riverside City Council adopted the Sunshine Ordinance, which can be found in Title 4 of the Riverside Municipal Code. The ordinance requires agenda items must be posted and accessible to the public no later than 12 days before the date of the public meeting. The original adopted ordinance, under which this item was placed on the agenda, allowed for an “Excuse Of Sunshine Notice Requirements” or an “emergency provision” under which a Councilmember can get around the Sunshine Ordinance by getting another Councilmember to join them in placing the “emergency” item on the agenda in the event that, “There is a need to take immediate action on an item to avoid substantial impact that would incur if the matter is deferred.” You will find this under the City of Riverside Municipal Code Section 4.05.050 subsection (C)(3)(a) of the original ordinance that is included in evidence provided.

On January 17, 2020 Councilmember Gaby Plascencia used the “Excuse Of Sunshine Notice Requirements” clause to add item 3.2 to the January 21, 2020 City Council Agenda. A copy of that “revised agenda” is included in evidence provided. Councilmember Ronaldo Fierro was the second signature on the form entitled “City Council Memorandum” that allowed for the placement of the item on the agenda without having to follow Sunshine Ordinance rules. A copy of the memorandum containing the signatures of Plascencia and Fierro is included in the evidence provided.

The item in question that Councilmember Plascencia used the “Excuse Of Sunshine Notice Requirements” provision to place on the agenda was the removal of Sean Mill from Ward 5 Seat on the Planning Commission. Councilmember Plascencia provided no documentation or evidence to show just cause to use the

“Excuse Of Sunshine Notice Requirements” provision to get around the 12 day noticing period. Councilmember Fierro can provide testimony as to what reason Councilmember Plascencia gave him when getting his signature on the memorandum allowing for the “Excuse Of Sunshine Notice Requirements” provision. We have included Councilmember Fierro on our list of witnesses.

We have evidence in the form of text messages between Councilmember Plascencia and the former Executive Director of the Arlington Business Partnership Andrew Guerra from January 3, 2020 and January 5, 2020 in which Councilmember Plascencia discusses her intent to remove Commissioner Mill. On January 5, 2020 she texted the following, “I’m calling Sean today to tell him to resign from planning commission (laughing emoji)...I know he won’t resign but I will remove him nonetheless.” Copies of the text messages have been included in the evidence provided.

Municipal Code Section 4.05.050 (D)(1)(a) states:

(a) The need to take immediate action on the item is required to avoid a substantial impact that would occur if the action were deferred to a subsequent special or regular meeting;

January 5, 2020 the date Councilmember Plascencia states that she is going to “remove” Commissioner Mill is prior to the original publication of the City Council Agenda on January 8, 2020 and was within the 12 day window needed under the Sunshine Ordinance to place the item on the agenda. At no time did Councilmember Plascencia indicate or state that she had uncovered any new evidence or information that required, “The need to take immediate action on the item is required to avoid a substantial impact that would occur if the action were deferred to a subsequent special or regular meeting”.

Rather than acting within the proper procedures set in place under the Municipal Code Councilmember Plascencia waited 12 days until January 17, 2020 to act. In doing so, and by using the “Excuse Of Sunshine Notice Requirements” provision, she prevented the public the proper noticing required. Subsequently, at the January 21, 2020 City Council meeting Councilmember Plascencia never presented any evidence as to why there was a reason to invoke the “Excuse Of Sunshine Notice

Requirements” provision and why she did not follow the procedures set forth under the Sunshine Ordinance.

As for the reason Councilmember Plascencia initially gave for wanting Commissioner Mill removed, in her opening statement given on item 3.2 on January 21, 2020 she cited Mr. Mill’s resignation from the City of Santa Ana Planning Commission in July 2016 as her reason. This was information that she was aware of dating back until at least October 9, 2019. During a candidate forum held at Hunt Park on that date she referenced the Santa Ana incident, thus clearly demonstrating that this was not newly obtained information within the 12 day window required by the Sunshine Ordinance, nor did she not provide evidence of, “The need to take immediate action on the item is required to avoid a substantial impact that would occur if the action were deferred to a subsequent special or regular meeting”.

We have included the video of the January 21, 2020 City Council meeting and video of the Hunt Park candidate forum as part of evidence.

We believe the actions of Councilmember Plascencia regarding the violation of the Sunshine Ordinance by invoking the “Excuse Of Sunshine Notice Requirements” provision to get around the 12 day noticing period demonstrates a repeated and intentional pattern of behavior. Another ethics complaint regarding the same sort of violation was filed by Riverside resident Jason Hunter on June 15, 2020.

In that instance, Councilmember Plascencia once again invoked the “Excuse Of Sunshine Notice Requirements” provision, again with Councilmember Fierro adding his signature, to add item 7a to the December 17, 2019 City Council agenda without going thru the proper 12 day noticing period. She used this provision to bring up the adding of the “union bug” to business cards and city stationary. She did not provide any reason or evidence as to why she did not need to follow proper noticing procedures. A copy of that signed “City Council Memorandum” and a copy of Mr. Hunter’s complaint has been included with the evidence provided.

Violation 2: Municipal Code Section 2.78.060 (A)(a)(b) – Quid Pro Quo (The Ethics Code)

Municipal Code Section 2.78.060 (A)(a)(b) states:

Public officials shall refrain from the following: (a) accepting gifts or favors that may compromise independent judgment or give the appearance of compromised judgment; (b) using official title for matters other than the official conduct of their office;

On January 3, 2020 Councilmember Plascencia and Riverside resident Andrew Guerra, in his capacity as the Executive Director of the Arlington Business Partnership, exchanged several text messages regarding Sean Mill's position as a Board Member for the Arlington Business Partnership.

Councilmember Plascencia texted, *"Happy New Year! How are things at ABP? Rob (Steinmueller, President of ABP) emailed me and asked me to call him to discuss difference in opinions...I have no interest in talking to him it was super disrespectful for them to put him (Mill) on the board. Unless he calls me to tell me they removed him (Mill) we have nothing to talk about."*

On January 5, 2020 in a new set of messages Councilmember Plascencia texted, *"Let's schedule something with exec board soon I'm not going to help with shit if he (Mill) is going to be in their ear bashing me."*

Copies of those text messages have been included as evidence.

As the Ward 5 Councilmember, Gaby Plascencia is automatically an ex-officio member of the Arlington Business Partnership. Her predecessor Chris MacArthur served in that capacity as does Ward 6 Councilmember Jim Perry. Since Mill's appointment to the ABP Board of Directors in January, Plascencia has refused to participate or assist ABP in any fashion. She has also refused to allow her staff to assist as well.

As a member of the City Council, and particularly given that ABP BID is within Ward 5, Plascencia has a say in any city funds or assistance that may be given to the Arlington Business Partnership. The Arlington Business Partnership is a

partnership of members representing and promoting the economy, community, and beautification of the Arlington Business District, thus creating a sense of pride for all who live, work, and do business in Arlington. The Arlington Business Partnership envisions Arlington as an attractive historic destination for unique shopping, dining, and services.

As a business improvement district, or BID, they rely heavily on the support and backing of the City Council, particularly the Councilmembers from Ward 5 and Ward 6.

An example of the support given at City Council's discretion includes:

City of Riverside Arlington BID Funding Agreement \$100,000

\$12,500 cash sponsorship towards Annual Chili Cook Off

\$1000 to \$2500 cash sponsorship towards annual Winter Wonderland Event

Police fee waivers for Annual Chili Cook Off

Parks and Recreation loans approximately 13 game booths for Chili Off & Winter Wonderland as well as their mobile stage and waives the fee

A copy of the Arlington Business Partnership annual report has been included in the evidence provided.

All of the financial and other areas of support given by the City of Riverside to the Arlington Business Partnership could be in jeopardy or stripped altogether should Councilmember Plascencia lobby for such to happen. These text messages are clearly an example of a quid pro quo in which she is calling on Mill's removal from the ABP Board of Directors in order for her to assist and engage with the group in any way. She clearly states that she's "not going to help with shit" unless Mill is removed.

These text messages and her subsequent actions are clearly in violation of Municipal Code Section 2.78.060 (A)(a)(b) by demanding a "favor", i.e. Mill's removal from the ABP Board, in exchange for her help and support as a Councilmember in the future. She is clearly attempting to use her position as a Councilmember in violation of Municipal Code Section 2.78.060 (A)(b), using her

official title for matters other than the official conduct of their office, to try and coerce Mill's removal.

Violation 3: Municipal Code Section 2.78.060 (M) – racial discrimination

Municipal Code section 2.78.060 (M) states:

No public official of the City of Riverside shall intentionally or repeatedly violate the Charter of the City of Riverside, the Riverside Municipal Code, or any established policies of the City of Riverside affecting the operations of local government

The preamble of the City Charter States:

We, the people of the City of Riverside believe in promoting an inclusive community with shared economic, environmental and cultural prosperity, equal civil and political rights, social harmony and cohesion, and opportunities for all governed by responsible and responsive public officials who promote citizen participation, as well as just and equitable tax and financial policies; and these beliefs are rooted in our desire to enhance the uniqueness of the City of Riverside.

Municipal Code section 2.36.110 - Discrimination states:

No person in City employment or seeking admission thereto shall be favored or discriminated against because of political opinion or affiliation or because of race or religious belief.

Municipal Code section 2.78.050(C) - Core Values states:

To strive to ensure that everyone is treated with respect and in a just and fair manner. The public officials of the City of Riverside have a responsibility to make extraordinary attempts to treat all people in a manner which would be considered just and fair. They shall strive to value and encourage input from members of the community and encourage open and free discussion of public issues. They shall strive to have all persons treated with respect as they come before the body on which they serve. They shall aspire to create an atmosphere of genuine interest in the point of view expressed by members of the community even if it differs from their own.

Municipal Code section 2.78.050(D) - Core Values states:

*To strive to create a community that affirms the value of diversity. **The public officials of the City of Riverside shall aspire to recognize and affirm the value of all persons, families, and communities within the City of Riverside. They will encourage full participation of all persons and groups**, be aware and observe important celebrations and events which reflect the values of the City's diverse population, and provide assistance for those who find it difficult to participate due to language barriers or disabilities.*

On September 18, 2001 a joint committee consisting of the Mayor and City Council along with the Human Relations Commission adopted the statement “Building a more inclusive community”. The staff report states that this action was an “important statement of who we as a community are and hope to become.”

The report issued by the Mayor’s Multicultural Forum on June 8, 2001 concluded by stating, “we as Riversiders’—accepting our responsibilities as individuals , as members of groups, and as participants in institutions – hereby commit ourselves to the goal of building a more inclusive community.”

We have included all these documents as evidence in this packet.

On January 21, 2020 during the discussion of item 3.2 on the City Council agenda Councilmember Plascencia suggested that the real reason behind her desire to remove Commissioner Mill was based on the fact that that she felt the “demographics” of the community were not being represented because Mr. Mill was a white man.

She went on to state that she believes there is a “lack of equity and access” at City Hall and that there was a lack of “people of color” on City boards and commissions. As such she said she was “committed to changing the faces” of the City boards and commissions to ones that she feels adequately represent the demographics of Riverside.

She stated that Mill was not the first commissioner she asked to resign and he would not be the last. The other commissioner she was referring to was also a white male, Andrew Walcker, who did in fact resign from the Budget Engagement Commission at her demand.

We have included the video of the January 21, 2020 City Council meeting in our evidence.

Councilmember Plascencia's actions in demanding the resignation and/or the removal of sitting commissioners based on the fact that they are white and male are in clear violation of the City's municipal code and core values which prohibit discrimination based on race and gender.

22 **Section 4.05.050 Notice and Agenda Requirements: Regular Meetings.**

23 (A) Twelve Day Advance Notice Requirement For Regular Meetings Of
24 The City Council, City Council Standing Committees, Planning Commission, Board of
25 Public Utilities, and Community Police Review Commission. The City Council, City
26 Council Standing Committees, Planning Commission, Board of Public Utilities, and
27 Community Police Review Commission shall provide notice before any regular meeting
28 by:

1 (1) posting a copy or image of the agenda in a location freely
2 accessible to the public 24 hours a day no later than twelve (12) days before the date of
3 the meeting; and

4 (2) posting a copy or image of the agenda on-line at the local body's
5 website no later than twelve (12) days before the date of the meeting. Notwithstanding
6 Section 4.05.050(D), the failure to timely post a copy or image of the agenda online
7 because of software or hardware failure, as defined in Section 4.05.010(H), shall not
8 constitute a defect in the notice for a regular meeting, if the local body complies with all
9 other posting and noticing requirements.

10 (B) Supplemental Agenda And Related Materials Requirements For Regular
11 Meetings Of The City Council, City Council Standing Committees, Planning Commission,
12 Board of Public Utilities, and Community Police Review Commission. Notwithstanding the
13 notice provisions of Section 4.05.050(A), the City Council, City Council Standing Committees,
14 Planning Commission, Board of Public Utilities, and Community Police Review Commission,
15 may amend or supplement a posted agenda or agenda-related materials no later than 72 hours
16 before a regular meeting and only for the following reasons or under the following conditions:

17 (1) to add an item due to an emergency or urgency, provided the local
18 body makes the same findings as required by Section 4.05.050(D) before taking action;

19 (2) to delete or withdraw any item from a posted agenda however, nothing
20 herein shall limit the ability of a local body to delete or withdraw an item during the meeting;

21 (3) to provide additional information to supplement the agenda-related
22 material previously published with the agenda provided that the additional information was
23 not known to staff or considered to be relevant at the time the agenda-related materials were
24 filed. Examples of supplemental material permitted by this Section are reports responding to
25 questions or requests raised by members of a local body after posting and filing of the
26 twelve-day agenda and materials, and analyses or opinions of the item by the Office of the
27 City Attorney, any member of the City Council, or the Mayor;

28 (4) to correct errors or omissions, or to change a stated financial amount,

1 or to clarify or conform the agenda title to accurately reflect the nature of the action to be taken
2 on the agenda time;

3 (5) to continue an agendized item to a future regular meeting of the local
4 body provided that members of the public are given an opportunity to address the local body
5 on the limited question whether to continue the item to a future meeting.

6 (C) Excuse Of Sunshine Notice Requirements. If an item appears on an agenda
7 but the local body fails to meet any of the additional notice requirements under this Section,
8 the local body may take action only if:

9 (1) The minimum notice requirements of the Riverside City Charter and
10 the Brown Act have been met; and,

11 (2) The local body, by a two-thirds vote of those members present, adopts
12 a motion determining that, upon consideration of the facts and circumstances, it was not
13 reasonably possible to meet the additional notice requirements under this Section and any one
14 of the following exists:

15 (a) the need to take immediate action on the item is required
16 to avoid a substantial impact that would occur if the action were deferred to a subsequent
17 special or regular meeting; or,

18 (b) there is a need to take immediate action which relates to
19 federal, state, county or other governmental agency legislation or action or the local body's
20 eligibility for any grant or gift; or,

21 (c) the item relates to a purely ceremonial or commendatory
22 action.

23 (3) Notwithstanding the provisions of this subsection, if the Mayor or a
24 Council Member, with the concurrence of another Council Member, believe an item is urgent,
25 and the failure to meet any additional notice requirements was due to:

26 (a) the need to take immediate action, which came to the attention
27 of the local body after the agenda was posted, or;

1 (b) a software or hardware impairment as defined by Section
2 4.05.010(H) and such additional notice requirements are satisfied no later than seventy-two
3 (72) hours before the date of the meeting; or,

4 (4) The item is a closed session item relating to ongoing, proposed or
5 threatened litigation.

6 (D) Action On Items Not Appearing On The Agenda. Notwithstanding subsection
7 (C) of this Section, a local body may take action on items not appearing on a posted agenda only
8 if:

9 (1) The Matter Is An Emergency. Upon a determination by a majority vote
10 of the local body that a work stoppage, crippling disaster or other activity exists which severely
11 impairs public health, safety or both.

12 (E) Future Meeting. Nothing in this Section shall prohibit a local body from
13 taking action to schedule items for a future meeting to which regular or special meeting notice
14 requirements will apply, or to distribute agenda-related materials relating to items added
15 pursuant to 4.05.050(D) before or during a meeting.

16 (F) Conforming a Document. Nothing in this Section shall prohibit the Office of
17 the City Attorney from conforming a document to comply with technical requirements as to
18 form and legality.

19 (G) Submittal of Additional Documents. The City Manager, City Attorney, City
20 Clerk and their designees, in their capacities with the City, must submit public agenda related
21 materials to the City Clerk or other responsible department in sufficient time to meet the
22 deadlines of this Section and Section 4.05.060. However, the referenced officers may submit
23 additional documents to the local body and the local body may accept the documents if the
24 local body makes a finding by two-thirds vote of the members present that the additional
25 information in the documents was not known to the officers or considered to be relevant by the
26 officers at the time of the filing deadlines. Copies of such documents shall be made available
27 to the public at the related meeting. Nothing in this Section or in any other provision of this
28

Ordinance shall be interpreted to require that the City Manager, City Attorney or City Clerk submit to the City Clerk any documents that are not public records.

Section 4.05.060 Notice and Agenda Requirements: Special Meetings.

(A) Special meetings of any local body may be called at any time by the presiding officer thereof or by a majority of the members thereof. All local bodies calling a special meeting shall provide notice by:

Receipt of the agenda shall be presumed upon reasonable proof that delivery was made.

(B) Local bodies specified in Section 4.05.010(D) shall, in addition to the noticing requirements of this Section, post a copy or image of the agenda for any special meeting on-line at the local body's website at least five (5) calendar days before the time of the meeting set forth in the agenda. Failure to timely post a copy or image of the agenda online because of software or hardware impairment, as defined in Section 4.05.010(H), shall not constitute a defect in the notice for a special meeting if the local body complies with all other posting and noticing requirements.

(C) Notwithstanding the requirements of Section 4.05.060(A) and (B), if a special meeting is called for a Monday, notice shall be deemed timely made if the filing, posting and distribution requirements of subsections (A) and (B) are made no later than 12:00 p.m. (noon) on the preceding Friday.

(D) No business other than that set forth in the agenda shall be considered at a

1 five-year period a written request for inspection or copying of any recording is made, the
2 recording shall not be erased, deleted or destroyed until the requested inspection or copying
3 has been accomplished. Inspection of any such recording shall be provided without charge
4 on a player or computer made available by the local body.

5 (B) All local bodies shall record the minutes for each regular and special
6 meeting convened under the provisions of this ordinance. At a minimum, the minutes shall
7 state the time the meeting was called to order, the names of the members attending the
8 meeting, a one-sentence summary of, and the roll call vote on, each matter considered at the
9 meeting, the time the local body began and ended any closed session, and the time the
10 meeting was adjourned. The draft minutes of each meeting shall be available for inspection
11 and copying upon request no later than ten business days after the meeting. The officially
12 adopted minutes shall be available for inspection and copying upon request no later than five
13 business days after the meeting at which the minutes are adopted.

14 (C) Notwithstanding paragraph (A) of this Section, City Council meetings, or
15 portions thereof, for the purpose of conducting interviews for appointments to boards,
16 commissions, or committee's shall be open to the public and audio recorded. Video recording
17 is not required.

19 Council.

City Council Memorandum

TO: HONORABLE MAYOR AND CITY COUNCIL DATE: JANUARY 21, 2020
FROM: COUNCILWOMAN PLASCENCIA WARDS: ALL
SUBJECT: BOARDS AND COMMISSIONS - REMOVAL FROM OFFICE

ISSUE:

Councilwoman Plascencia recommends that the Mayor and City Council remove Sean Mill from the Ward 5 seat on the Planning Commission.

RECOMMENDATIONS:

Councilwoman Plascencia recommends that the Mayor and City Council:

1. Remove Sean Mill from the Ward 5 seat on the Planning Commission; and
2. Direct the City Clerk to process the vacancy.

Charter Section 802 reads:

"The members of each such board or commission shall serve at the pleasure of the Mayor and City Council and shall be nominated and appointed by the Mayor and City Council from the qualified electors of the City, none of whom shall hold any paid office or employment in the City government. Each such board or commission shall have at least one member from each Council ward. They shall be subject to removal by the Mayor and City Council by a motion adopted by five affirmative votes with the Mayor entitled to vote. The members thereof shall serve for a term of four years and until their respective successors are appointed and qualified, and may serve for not more than two consecutive full terms."

Charter Section 805 further provides, in part:

"...If a member of a board or commission absents himself/herself from three consecutive regular meetings of such board or commission, unless by permission of such board or commission expressed in its official minutes, or is convicted of a crime of moral turpitude, or ceases to be a qualified elector of the City, the office shall become vacant and shall be so declared by the City Council..."

Pursuant to the two Charter sections cited above, members of City boards and commissions serve at the pleasure of the Mayor and City Council. Additionally, if any of the following three circumstances exist, the Charter provides that the City Council shall declare the seat vacant.

- No longer a qualified elector of the City
- Convicted of a crime of moral turpitude
- Absent from three consecutive regular meetings, unless excused by the board/commission

Councilwoman Plascencia requests removal of Sean Mill from the Ward 5 seat on the Planning Commission. Mr. Sean Mill was appointed to the Ward 5 seat on the Planning Commission on March 1, 2017, for a term ending March 1, 2021.

FISCAL IMPACT:

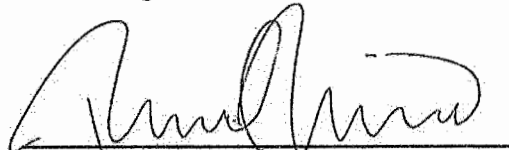

Recruitment and appointment costs are included annually in the City Clerk's budget.

City Council Memorandum

TO: HONORABLE MAYOR AND CITY COUNCIL **DATE: DECEMBER 17, 2019**

FROM: COUNCILWOMAN PLASCENCIA **WARDS: ALL**

SUBJECT: GUIDELINES FOR OFFICIAL CITY OF RIVERSIDE CITY COUNCIL COLLATERAL AND DETERMINE THE INSIGNIAS THAT SHOULD AND SHOULD NOT APPEAR ON THE COLLATERAL

ISSUE:

Discuss the guidelines for official City of Riverside City Council collateral, such as business cards, letterhead, memos, etc. and determine the insignia that should and should not appear on the collateral.

RECOMMENDATION:

That the City Council discuss the guidelines for official City of Riverside City Council collateral and determine the insignias that should and should not appear on the collateral.

LEGISLATIVE BACKGROUND:

Riverside Municipal Code Section 1.04.030 Custody and Use of Official Seal and Other City Insignia states, "a. With the exception of use of City insignia for purposes directly connected with the official business of the City of Riverside, it shall be unlawful for any person to use or allow to be used any reproduction or facsimile of the City Insignia, including any design so closely resembling the City Insignia as to be apt to deceive without first having obtained the permission of the City Council therefor."

BACKGROUND:

The City of Riverside Brand Manual (Manual) establishes the guidelines and parameters needed to maintain the brand and image of the City of Riverside. It includes information on how to protect the brand of the City of Riverside and introduces approved City symbols, marks, and messages. It is important to protect design standards in order to build a stronger, more recognizable brand.

On May 5, 2015, the City Council Approved and authorized use of the City Council emblem and directed staff to create collateral material template for City Council use that include the City Council emblem.

DISCUSSION:

The City Council will openly discuss the guidelines for official City of Riverside City Council collateral and determine what insignias should and should not appear on the collateral.

City Council Collateral includes, but is not limited to, business cards, letterhead, emails, memos, envelopes, and newsletters. When considering the design of City Council collateral, it is important to remember that the collateral represents the City of Riverside City Council and it is important to show respect and concern with how it is used and displayed. It is important to ask the following questions when determining what should and should not appear on City Council collateral in representation of the City of Riverside:

- Are there any significant budget implications by changing branding standards?
- Will any branding changes represent the City as a whole and be applied consistently to all collateral?
- Will branding deviations cause a lack of continuity amongst the City Departments or City Council?

FISCAL IMPACT:

There is no anticipated fiscal impact associated with the recommended actions in this report.

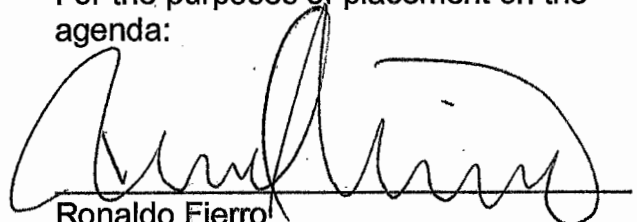

Approved as to form: Gary G. Geuss, City Attorney

City Council Memorandum

TO: HONORABLE MAYOR AND CITY COUNCIL **DATE: DECEMBER 17, 2019**

FROM: COUNCILWOMAN PLASCENCIA **WARDS: ALL**

SUBJECT: GUIDELINES FOR OFFICIAL CITY OF RIVERSIDE CITY COUNCIL COLLATERAL AND DETERMINE THE INSIGNIAS THAT SHOULD AND SHOULD NOT APPEAR ON THE COLLATERAL

ISSUE:

Discuss the guidelines for official City of Riverside City Council collateral, such as business cards, letterhead, memos, etc. and determine the insignia that should and should not appear on the collateral.

RECOMMENDATION:

That the City Council discuss the guidelines for official City of Riverside City Council collateral and determine the insignias that should and should not appear on the collateral.

LEGISLATIVE BACKGROUND:

Riverside Municipal Code Section 1.04.030 Custody and Use of Official Seal and Other City Insignia states, "a. With the exception of use of City insignia for purposes directly connected with the official business of the City of Riverside, it shall be unlawful for any person to use or allow to be used any reproduction or facsimile of the City Insignia, including any design so closely resembling the City Insignia as to be apt to deceive without first having obtained the permission of the City Council therefor."

BACKGROUND:

The City of Riverside Brand Manual (Manual) establishes the guidelines and parameters needed to maintain the brand and image of the City of Riverside. It includes information on how to protect the brand of the City of Riverside and introduces approved City symbols, marks, and messages. It is important to protect design standards in order to build a stronger, more recognizable brand.

On May 5, 2015, the City Council Approved and authorized use of the City Council emblem and directed staff to create collateral material template for City Council use that include the City Council emblem.

DISCUSSION:

The City Council will openly discuss the guidelines for official City of Riverside City Council collateral and determine what insignias should and should not appear on the collateral.

City Council Collateral includes, but is not limited to, business cards, letterhead, emails, memos, envelopes, and newsletters. When considering the design of City Council collateral, it is important to remember that the collateral represents the City of Riverside City Council and it is important to show respect and concern with how it is used and displayed. It is important to ask the following questions when determining what should and should not appear on City Council collateral in representation of the City of Riverside:

- Are there any significant budget implications by changing branding standards?
- Will any branding changes represent the City as a whole and be applied consistently to all collateral?
- Will branding deviations cause a lack of continuity amongst the City Departments or City Council?

FISCAL IMPACT:

There is no anticipated fiscal impact associated with the recommended actions in this report.

A Bug's Life

A "union bug" is a tiny logo used to designate items that have been produced with union labor.

"Printers have been know to use a bug to designate union labor as early as October 15, 1891, when it appeared at the head of the editorial column of the Compositors (I.T.U.) Typographical Journal. The first known use of a bug in commercially-produced documents was by the [International Printing Pressmen Union of North America] in May 1893.

The union label has at least five purposes:

1. It is a protection against anti- or non-union shops that might otherwise profess union working conditions.
2. It can be part of a public-relations campaign to induce customers to buy union-made products.
3. It is a sign of good workmanship and quality standards.
4. It is badge of union prestige to attract new members.
5. It is warning against trespass by competitive unions.

Bugs usually appear discreetly at the corner of a back page or at the bottom of a title page.... The most common union bug is that of the Allied Printing Trades. It signifies that all aspects of the work, from typesetting to finishing, were performed by union labor. This bug contains several important pieces of information. The lower arc contains the geographic region, which may be a city ("New York") or a broader area ("Northern California"). Coupled with that location is a shop name or number. The number is permanently assigned when the shop is organized. A regional list of union shops, indexed by shop name and number, is available from the local Printing Trades Council. A national database is also now available on-line."

...

So in addition to recession, years of declining union membership, and an increasingly hostile organizing environment, the union bug, proud mark of much hardship and struggle, is being written out of the history of the documents that bear it. While archivers and catalogers of printed matter

note publisher, printer, city and date of printing, they almost always exclude information encoded in the union bug and even fail to mention the bug at all.

From Proposal for Inclusion of Union Label Description In Bibliographic and Archival Cataloging Guidelines:

"Most catalogers have no idea what to do with them. Full cataloging of bug-bearing documents either omits mention of them at all or indicates only that which is recognizable.... Direct inquiry confirmed that 'The Library of Congress has not sought to describe (this) level of detail... when encoding historical documents with the American Memory DTD [Document Type Definition].'...

The authoritative source on cataloging guidelines is the Anglo American Cataloging Rules (AACR). According to Michael Gorman, Dean of Libraries at C.S.U. Fresno and editor of the AACR, 'I can safely say that the Union Bug is not mentioned in any English-language cataloguing code.'

A review of the 1988 edition provides several potential loci for specifying union bug information.... Given that the union bug is a valuable piece of cataloging data, I would like to propose that it be formally included in AACR, MARC, EAD, and other archival cataloging protocols. The default option should be that absence of information means that there is no bug. If a bug is present, however, the relevant information should have a designated place to record it."

The Arlington Business Partnership's mission is to represent and promote Arlington businesses to stimulate the local economy and initiate improvement projects, thus creating a sense of pride for all who live, work and do business in Arlington.

The Arlington Business Improvement District ("BID") was a conception of the Arlington Community Committee, a group of Arlington businesses and community leaders. Together they set goals and established parameters for the development of the Arlington area. After many years of planning and discussions, on October 31, 2002, the Riverside City Council voted to establish the Arlington Business Improvement District with the following parameters: Each businesses within the BID would assess themselves 90% of their current business tax, up to a maximum of \$400 per year. Once the BID was established, the name was changed to the Arlington Partnership.

WELCOME

Arlington Business Partnership's (ABP) mission of representing and promoting Arlington businesses and the BID to stimulate the local economy, and initiate improvement projects, thus creating a sense of pride for all who live, work and do business in Arlington continued to serve as the foundation of our activities throughout the year. Never underestimating the importance of our role in the growth of the Arlington BID, we've maintained our commitment to serving as the voice of the diverse Arlington business community.

The components of the Arlington business community are varied and many. The businesses, residents, and property owners all contribute to the makeup of what makes the Arlington BID a desirable location to live, work, and shop. ABP continues to ensure that the Arlington business community has support through information, representation and contribution in keeping Arlington on its upward trajectory of economic growth.

With growth, ABP values the collaboration among our many stakeholders, residents, owners, community partners, and the City of Riverside. Our dedicated staff will continue to identify and address on-going needs and issues of our ever-changing business community; but it is through direct and consistent leadership from our Board of Directors and workings of our committees, that ABP will maintain a close tab on the pulse of the Arlington business community.

Whether providing Physical Improvement Program grants to business owners or producing informational business workshops and signature community events like the Annual Chili Cook-off & Car/Cycle Show; ABP seeks to equip our businesses with the resources and tools to succeed. This encompasses attention to core areas including advocacy; marketing and events; business recruitment and beautification.

With 2019 ending, we look to 2020 as an opportunity to furthering the mission of ABP and the continued promotion of the Arlington BID for your everyday need!

Respectful Submitted,

Oz

Board President, 2019/2020

In accord with the above-noted State Code, the annual report shall contain the following:

(1) Any proposed changes in the boundaries of the parking and business improvement area or in any benefit zones within the area.

There are no proposed changes to the ABID boundaries for the 2020/2021 fiscal year.

(2) The improvements and activities to be provided for the year.

In accordance with City Ordinance No. 6626 and Chapter 3.48 of the R.M.C., we have outlined the activities, improvements, and new efforts being recommended for the year 2020/2021.

General and Administration - ABP recommends the continued budget allocation for existing staff and office operations at Indiana Business Park, 9800 Indiana Ave., Suite 2, Riverside, CA 92503.

Contributions and Grants - ABP recommends the continued budget allocation for donation/sponsorship request for events/activities

held within the Arlington BID or that allow the promotional opportunity for the Arlington BID area or businesses within the Arlington BID.

Physical Improvements and BID Projects - ABP recommends the continued maintenance of entry monument signs, bus shelters, murals, Arlington Park, and Arlington Village Paseo. The following activities will remain: Citrus Crate Label Installation and the Physical Improvement Program (PIP) grants. ABP recommends the continued discussion and development of the following improvements: Installation of a digital "Hope Wall" at the Youth Innovation Center at Arlington Park and American flag pole at Arlington Park monument sign featuring a foundation honoring all military branch's and Arlington's contributions towards military efforts, the re-establishment of a Clean and Safe Program, quarterly Ward 5 and 6 clean-up events, tree trimmings along Magnolia Ave. and Van Buren Blvd., and frequent drives of the BID to report graffiti, homelessness, dumping, etc. to Riverside's 311 Call Center.

Marketing, Events, and Activities - ABP recommends the continued publishing of *The Arlington Times* through digital media, social media (Facebook and Instagram), ABP website, and in-person business outreach. The following activities will remain: Winter Wonderland/Winterfest in partnership with the City of Riverside Parks, Recreations & Community Services Department, Annual Chili Cook-Off & Car/Cycle Show, and Movies in the Park in partnership with the Riverside Community Services Foundation. ABP recommends the discussion and advancement of the following activities: Grand opening/breaking ceremony assistance for Arlington BID developments and city facilities and the advancement & promotion of ABP's Full Occupancy Program featuring listings of commercial properties for lease/sale in the Arlington BID.

The above list of activities, improvements, and new efforts being recommended for the year 2020/2021 are subject to change by recommendation of the ABP Board of Directors or by Members at the Annual Meeting.

(3) An estimate of the cost of providing the improvements and activities for the year.

An estimate of the cost of providing improvements, programs and activities services for the year 2020/2021 are listed below. The cost of providing all improvements and activities is based on anticipated business tax levy revenue for that year.

Additional revenue received during the 2020/2021 year will be used to fund additional efforts in the areas of public events, promotion of business activities, and physical improvements.

PROJECTED REVENUES	
Arlington BID Assessment Collection	\$213,000
City of Riverside Arlington BID Funding Agreement	\$100,000
Other Income	\$30,000
Total Revenues	\$343,000

ESTIMATED EXPENSES	
General & Administration	\$175,000
Contributions & Grants	\$8,000
Physical Improvements & Projects	\$90,000
Marketing Activities & Events	\$70,000
Total Expenses	\$343,000
NET INCOME	\$0

(4) The method and basis for levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business for the year.

It is proposed that 90% of a business owner's current business tax, with a \$400 maximum cap be applied within the existing boundaries of the Arlington BID. The method for levying this 90% tax assessment is to take the base business tax levied by the City of Riverside and increase it by 90%. To provide business owners with a better understanding of the 90% assessment method, the following example has been provided:

CITY OF RIVERSIDE ARLINGTON BID EXAMPLE BUSINESS TAX PAYMENT – 90% ASSESSMENT WITH \$400 MAXIMUM CAP				
Base Business Tax		Arlington BID Assessment Fee <i>(Base multiplied by 0.90)</i>		Total Business Tax Due
\$650.00	+	\$585.00 (\$400)	=	\$1,235 (\$1,050)

To provide information to new and renewing business owners on the benefits of the Arlington BID, a brochure has been prepared by Arlington Business Partnership for the City of Riverside Finance Department's Business Tax Division to distribute to business license holders within the Arlington BID.

(5) The amount of any surplus or deficit revenues to be carried over from a previous year.

An operational surplus of approximately \$40,000 is reported as of June 30, 2020. The budget adopted by ABP for the fiscal year of November 1, 2019 to October 31, 2020 reflected a balanced budget for the year. Thus, it is anticipated that there will be no significant operational surplus or deficit carried over from the previous fiscal year, other than that due to timing of income and/or expenses.

(6) The amount of any contributions to be made from sources other than assessments levied pursuant to this part.

In addition to the 90% assessment funds levied, the Arlington BID receives funds and contributions from sources other than tax assessments. The contribution sources are listed below. Said funds are in addition to the assessments described above and covered by this part, however, they are spent on improvements and activities within the BID.

OTHER CONTRIBUTIONS	
City of Riverside BID Funding Agreement	\$100,000.00
Sponsorship and Event Income	\$30,000.00
TOTAL CONTRIBUTIONS FROM OTHER SOURCES	\$130,000.00

CITY OF RIVERSIDE

CITY COUNCIL MEMORANDUM

HONORABLE MAYOR AND CITY COUNCIL

DATE: September 18, 2001

ITEM NO: 39

SUBJECT: Statement on Building a More Inclusive Community

BACKGROUND:

Nineteen months ago, Mayor Loveridge formed a Mayor's Multicultural Forum. Comprised of community leaders of numerous ethnic backgrounds, the Forum is a place for discussion about diversity and multiculturalism. Forum members provide advice to City officials on issues relating to diversity and Riverside's multicultural community. In particular, the Mayor has looked to the Forum for counsel on how to address cultural differences as economic, educational and civic strengths rather than as potential problems.

At its inaugural meeting, the Forum heard a presentation from Jerome Hunter, President of San Diego City College, who initiated a multicultural dialogue series. It has met six times since then and has been fortunate to have Professor Carlos Cortes serve as facilitator for all meetings. To date the Mayor's Multicultural Forum has prepared a multicultural inventory of Riverside that can serve as a benchmark for measuring the City's progress in becoming a more inclusive multicultural community. It has provided networking opportunities for its members, served as an informal community think tank, and enabled members to engage in tough and complex dialogue on diversity related topics.

Most recently, the Mayor's Multicultural Forum drafted a statement on "Building a More Inclusive Community". This statement was developed over the course of three meetings under the guidance of Professor Cortes, who synthesized members' ideas into a cohesive, strong statement of inclusion and understanding. The statement is an important declaration of the kind of multicultural community Riverside seeks to become. To quote from the introductory section of the statement: "Such an inclusive community would be based on two fundamental premises. First, all Riversiders should be and should see themselves as respected, contributing members of the community. Second, all Riversiders should be bound by a common set of principles based on fairness of treatment, recognition of rights, acceptance of responsibilities, commitment to equality, and dedication to expanding opportunities for all."

At its July 19, 2001 meeting, the City of Riverside's Human Relations Commission reviewed and unanimously adopted the "Building a More Inclusive Community" statement. The Human Relations Commission, the Mayor's Multicultural Forum, and the Mayor urge the City Council and the community at large adopt this important statement of who we as a community are and hope to become.

BUILDING A MORE INCLUSIVE RIVERSIDE COMMUNITY

This document consists of a set of principles which, if committed to and acted upon by members of the Riverside community, will help us become a truly inclusive twenty-first-century city. Such an inclusive community would be based on two fundamental premises. First, all Riversiders should be and should see themselves as respected, contributing members of the community. Second, all Riversiders should be bound by a common set of principles based on fairness of treatment, recognition of rights, acceptance of responsibilities, commitment to equality, and dedication to expanding opportunities for all.

A city of considerable racial, ethnic, religious, and other types of diversity, Riverside has etched a complex history. That history has included both significant efforts to achieve greater justice, equality, and understanding, as well as unfortunate periods and events that have demonstrated the need for increased commitment, ideas, and action to work toward these goals.

As we move into the demographically-challenging, globally-shrinking twenty-first century, Riversiders face opportunities and challenges related to diversity: race and religion, gender and ethnicity, language and sexual orientation, diverse abilities and disabilities. Intersecting with such dimensions of diversity are other critical underlying factors such as economic and educational disparities. Therefore, it is increasingly imperative that Riversiders -- as individuals, as groups, and as

institutions -- assume the responsibility of facing the challenges and seizing the opportunities created by diversity.

While recognizing that this will be a long, ongoing, and evolving process, as Riversiders we believe that the following principles provide a basis for building that more inclusive community.

Individual Responsibility

INCREASING DIVERSITY MEANS THAT ALL OF US, AS INDIVIDUALS, NEED TO LEARN CONTINUOUSLY ABOUT OUR DIFFERENCES WHILE ALSO SEEKING COMMON GROUND BASED ON OUR SIMILARITIES, OUR LINKED GOALS, AND OUR COMMITMENT TO THE BEST IN BASIC HUMAN AND AMERICAN VALUES.

(1) Such learning will necessarily be life-long because of such factors as the continuous arrival of newcomers, both individuals and groups.

(2) This learning will require ongoing dialogue, in which we should strive for openness and honesty, both in our everyday lives and in formal settings.

(3) Honest, open, and successful dialogue requires that each of us be willing to listen to, attempt to understand, and give consideration to voices, perceptions, and interpretations that may challenge, even conflict with, some of our personal beliefs.

(4) As we listen to and learn from others, we need to show sincere respect for them as individuals and as groups, even if we disagree deeply with the ideas that they express and beliefs that they espouse, so that differences of belief, opinion, and interpretation do not result in divisiveness.

(5) We also need to recognize that some learning may involve unlearning certain personal beliefs and perceptions of others.

(6) Finally, as individuals each of us should be willing to move beyond words to action, walking the walk of inclusiveness, not merely talking the talk.

Group Responsibility

LIKE ANY LARGE CITY, RIVERSIDE IS BOTH A COMMUNITY AND THE HOME TO MANY SMALLER COMMUNITIES, SUCH AS EXTENDED FAMILIES, NEIGHBORHOODS, SCHOOLS, RELIGIOUS INSTITUTIONS, ETHNIC ORGANIZATIONS, YOUTH GROUPS, AND DIVERSE AFFINITY ASSOCIATIONS. A KEY TO RIVERSIDE'S FUTURE WILL BE OUR ABILITY TO DEVELOP A BALANCE BETWEEN UNITY (A COLLECTIVE SENSE OF COMMUNITY) AND DIVERSITY (THE INEVITABILITY OF SMALLER COMMUNITIES).

(1) In their best sense, groups serve constructive purposes in the lives of their members.

(2) While it is natural for groups to aggregate, this sometimes escalates into de facto self-segregation.

(3) To avoid such self-segregation, members of all groups need to make efforts to build intergroup as well as interpersonal bridges that strengthen social cohesion, reduce misunderstanding, foster intergroup learning, and forge bonds across group lines.

(4) To achieve such goals people need to be willing to venture out of their group comfort zones and experience the cultures of others.

(5) In crossing lines it is vital to recognize that all groups have their special values, concerns, beliefs, emotional

attachments, collective experiences, communication styles, and senses of identity.

(6) Such experiences and interactions can provide us with opportunities, as groups as well as individually, to share differences, discover commonalities, and draw strength from each other.

(7) Whatever our group attachments, we all need to realize that a more inclusive community necessitates the building of intergroup partnerships and the development of common goals.

(8) For such a community-building process to succeed, all groups must have the opportunity to give voice to their hopes, concerns, perceptions, experiences, values, and beliefs...in short, enjoy the right to be heard as well as accept the responsibility to listen.

Institutional Responsibility

RIVERSIDE INSTITUTIONS, BOTH PUBLIC AND PRIVATE, SHOULD BE ROLE MODELS OF INCLUSIVENESS BY DEMONSTRATING A COMMITMENT TO FAIRNESS, EQUALITY, RESPECT, AND UNDERSTANDING.

(1) Institutions should create environments that foster better interpersonal and intergroup relations, respect, and understanding.

(2) In addition, institutions should provide formal opportunities to learn about diversity.

(3) Such opportunities may be of various types, such as making diversity an important curricular theme in K-12 schools, colleges, and universities and instituting diversity training or

providing other diversity learning initiatives within government agencies, private businesses, non-profit organizations, religious institutions, youth associations, local media, and other entities.

(4) While institutions cannot legislate people's hearts and minds, the adoption and enforcement of selective rules, protocols, and procedures can help foster fairness, equality, respect, and understanding.

The Challenge of Change

ALL RIVERSIDERS NEED TO RECOGNIZE THAT CHANGE IS INEVITABLE AND THAT WE CAN INFLUENCE ITS DIRECTIONS WHILE ALSO MAKING CONSTRUCTIVE ADAPTATIONS.

(1) To make a diverse, inclusive community work, such adaptations must be mutual, with all of us doing our parts to try to adapt constructively to changing conditions and new issues.

(2) To expect others to make all of the adaptations while we remain adamant in our own positions is a recipe for polarization and divisiveness.

(3) We need to recognize that some of these mutual adaptations may be challenging, even painful, maybe involving a sense of loss, but adaptations are necessary if we are to become a community of full inclusiveness and understanding.

(4) It is also inevitable that there will be disagreements over the meaning and implementation of such basic ideas as acceptance, respect, justice, and equality.

(5) Therefore we must dedicate ourselves to the long-range, ongoing process of honestly sharing ideas, seeking to understand alternate perspectives, and differing without dividing.

* * * * *

With these principles in mind, we as Riversiders -- accepting our responsibilities as individuals, as members of groups, and as participants in institutions -- hereby commit ourselves to the goal of building a more inclusive community.
