Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

#### COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Experience or special knowledge pertaining to area(s) of interest:

Living in the greenbelt of Riverside in the beautiful orange groves just off of Van Buren, the need of a clean, continuous flow of water is very apparent in every day life. As the City of Riverside continues to grow, the need for abundant electrical power is also required to help all those in the City of Riverside and surrounding areas to flourish.

I have a desire to help Riverside provide clean and reliable electric power for generations to come.

Educational background:

AA, General Education, Santa Ana City College

Occupational experience:

Retired police officer.

Professional or technical organization memberships:

For many years, I have desired to take an active role in my community, but was unable to due to rearing children. My children are older now and I have the time to donate to my community.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

**It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political and community life. In order to adequately represent the needs of residents with access and functional needs, the following criteria applies:**

Members should consist of both persons with and without disabilities, and should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

**HOW WOULD YOUR EXPERIENCE OR QUALIFICATIONS HELP THE COMMISSION ON DISABILITIES MEET ITS MEMBERSHIP GOALS?**

When I was on the Commission on Aging I would go to Senior Citizen Facilities I would interact with the people who lived there.

I am the music director of the Riverside Mission Belles of which some of the members have physical disabilities. I have to take their disabilities into consideration when the group performs. In planning our "gigs" I have to make sure that there is a ramp for them to get up on the stage, and make sure that there is seating for each of these individuals.

I have had back surgery and use a walker when it is required.

**The powers, duties and functions of the Commission on Disabilities are:**

- Advise the City Council on all matters affecting persons with disabilities in the community.
