To the Historic Preservation Fund Committee

I am writing this letter to request an extension of my grant. Due to the COVID-19 outbreak, my two daughters and I lost our jobs in March 2020. I had to use the money that I was saving for my roof and painting to live on. Now that my finances have stabilized, I am in the position to proceed with the work on my house. I have a roofer set up to begin soon, and have the work done by 12/31/2020. After I receive reimbursement, I will be able to start on the painting of the house. This would extend the job into 2021, so I am requesting the grant be extended again. Thank you for your consideration in this matter. I am so excited to finally get this project underway.
