Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. \*Eligibility requirements per City Charter Article VIII Section 805.

Applications may be screened on the basis of information submitted with this form.

You are welcome to provide a resume and/or letters of endorsement.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION: I have always had an interest in science, technology, engineering, and mathematics. Serving on the Board of Public Utilities will allow me to examine and analyze our utility's policies, its operations, the revenues, the expenditures, planning, and its regulation. We need new facilities, new equipment, and new technology to conserve and develop new water supplies and energy sources. I do my best to keep current in science and technology, hoping to find a full-time career that will enable me to contribute to these fields and perhaps be one of the few people to develop innovative ideas for new sciences in the twenty-second century.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST: I used to be an adjunct professor in chemistry at many community colleges. I taught lecture, laboratory, and discussion periods. Earning the distinction of Distinguished Teacher in public speaking, I do my best to prepare speeches on current and future technology. I'm also preparing and writing books on chemistry for future colleges and universities and books for a general audience. I hope I can also write about my experiences about water and energy issues by being part of the Board of Public Utilities. I also had the opportunity to visit water treatment plants, how they work, and water conservation events in the community.

EDUCATIONAL BACKGROUND: I attended Highland Elementary School, University Heights Middle School, John Wesley North High School, and the University of California, Riverside. I've also graduated from the University of California, Davis in Northern California, and I'm also a graduate of The Eleanor Jean Foster Leadership Academy. I've attended Speaker Bureaus, and I have visited more than sixty different toastmaster clubs for public speaking in Southern California. I've also completed an Extra Class License for Ham Radio, and I'm a graduate of Longview Pathways for the Riverside Office on Aging.

OCCUPATIONAL EXPERIENCE: I've held tutoring positions throughout the community helping students in K-12, college, and university level courses. One of my past students got accepted to Long Linda School of Pharmacy, and when I used to teach at the community colleges, I had another student get accepted to the University of California, Santa Barbara. When I was volunteering at Riverside Community Hospital and Kaiser Permanente Riverside Medical Clinic, I did filing, organizing papers, organizing folders, and learning how to take telephone calls.

#### PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

Past Member of Troutmasters International, Member of The Sierra Club's San Geronimo Chapter, and a Member of the National Wildlife Federation.  
I've also made donations to the Oklahoma Tornado Disaster Relief Fund, National Wildlife Foundation, and the Natural Resources Defense Council.

#### CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

I still hold my badge as a volunteer for Kaiser Permanente's Riverside Medical Clinic. I'm a member of Moreno Valley's Community Emergency Response Team, and as a member of GRID Alternative Energy Resources, I did some grantwork programs for solar panels. I participated in the Great American Cleanup (Storm Drain Project). In the past, I held the position as Executive Attorney, Secretary, Vice-President Emeritus, President, and Area B4 Governor.

#### COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

#### COMMISSION ON DISABILITIES:

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

## COMMUNITY POLICE REVIEW COMMISSION:

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
