Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I served as an alternate on the recent Charter Comm. and chaired the subcommittee addressing whether an elected/appointed Inspector General or Public Advocate is appropriate for Riverside I am familiar with what issues require further research and discussion before any decision can be made by council and/or the electorate. Council has identified the IG and mayoral governance issues as the focus of the new Charter Commission. My recent work on these issues will avoid duplication of effort and provide a foundation for further analysis of the advantages and disadvantages of any recommended changes. Any significant change in the City's governance deserves extensive critical thinking and public debate at a level that could not be easily accomplished previously because of the many issues before Charter. A concentrated effort is necessary as recognized by the City Council on July 21, 2020.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I am a licensed attorney experienced in constitutional and municipal law. I also have served on numerous commissions to assist in solving complicated public policy issues. I have no agenda in terms of the outcome of the proposed Charter except to ensure that there is respectful, civil and open debate in anticipation of its adoption, and that its intent and language clearly reflects the will of the public.

EDUCATIONAL BACKGROUND:

UCLA BA 1980 Political Science University of San Francisco JD 1983 (with honors) UCR Hazardous Waste Management Cert

OCCUPATIONAL EXPERIENCE:

30 years practicing in major US law firms ultimately managing the real estate and municipal law departments. Participated in many high profile, impact litigations involving sensitive political issues particularly natural resources and land use planning. . Currently volunteer on a wide range of civic and environmental issues. I regularly participate in City meetings including strategic planning and contribute time and resources to various non-profits and community activities.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

State Bar of California (former Governor) Licensed Real Estate Broker Robert Redford Conservancy Citizens United for Resources and the Environment, Inc. (CURE) Urban Water Institute

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

To Whom It May Concern

Subject: Thomas H. Safford, P.E.

I have known Tom Safford for approximately 22 years with 17 of those years at Western Municipal Water District as co-employees. Prior to coming to Western I was a civil engineering consultant and interacted with Tom on development projects needing plan approval within Western's area.

While at Western Tom served in several roles. These ranged from Supervising Engineer, Principal Engineer/Safety Officer, and Project Manager of Special Assignments. Given his education, experience and work ethic, he was able to work on a vast variety of issues. Examples include development of Western's Safety Program, assisting in the transition of Western taking over the water and sewer utilities of March Air Reserve Base, and many capital improvement projects such as pipelines, pumps and tanks.

In my opinion Tom's greatest strength is his cooperative nature and willingness to tackle new assignments. He has a very good nature about himself making it comfortable for co-workers, customers, developers and regulators to work well with him. His people skills have been honed by years of work experience, service on a variety of Boards and Commissions, and active involvement in industry associations. This skill set applied to projects is an asset. He also has the ability to listen and develop positions for decision-making which is a valuable resource to any organization.

Tom has always shown a high level of professionalism, is dedicated to the organization he works for, and has a strong work ethic. In fact it was an odd day that Tom wasn't the first person at work each day.

You don't work at one organization for 27 years without adding value and being committed to what you do. Tom did both.

Tom has a vast amount of experience, excellent people skills, ability to make sound decisions, and can bring value to efforts he is engaged with. He is a quick learner and from my experience with him, would expect that he would quickly become an asset.

Should you have any questions, please feel free to contact me at [REDACTED]

Subject: Application Renewal of Thomas H. Safford

Colleen H. Nicol, MMC:

Accompanying this letter is the renewal of application for service on the City of Riverside Planning Commission, Board of Public Utilities, or Airport Commission as requested in your letter of August 20, 2013. My preference would be for appointment to the Planning Commission but feel qualified to serve on any of the three named. I am interested in serving on these panels as a way of contributing to the future of Riverside as well as a return to a City that has served the Safford family very well for many years.

Please note that in addition to university degrees in management and engineering, I have lately retired after working for twenty-seven years as a senior staff engineer/project manager for Western Municipal Water District. I am also a military veteran and a former licensed private pilot. I have worked directly with many of the staff of the City of Riverside to include Mr. Todd Jorgenson, Water Operations Manager and Mr. Ken Gutierrez, former Director of Planning (and current interim Councilperson). Both of these individuals can attest to my professional experience and my working relations with the City of Riverside. More recently, I have worked with Mr. Paul Hamilton, Senior Plans Examiner of your Community Development Department in my role as an Elder and volunteer manager for an ADA Restroom installation project and City mandated Backflow Prevention Device Installations project for Magnolia Presbyterian Church in Riverside.

Thank you for the opportunity to renew my application to serve.

Sincerely,

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

My father, Clare, started the family tradition of service to the Riverside community, serving on the Planning Commission, as Chamber of Commerce President, and as Congressman Tunney's Field Representative. I want to continue that tradition. Climate Change is the single most important issue our society will have to face. As a municipal utility, RPU is poised to be a leader in confronting this issue. I want to be a part of that challenge.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I believe I would bring many skills to the Board. Like all small business owners, I deal with a wide variety of issues, forcing me to know a little bit about many business subjects. I also know when I'm in over my head, and how to seek expert advice. I have had occasion to interface with RPU and other utilities, as a developer and customer, and would bring that perspective to the Board. And I would bring my skill at serving on non-profit boards. Although the organizations I have served with have been relatively small, I believe I have learned significant lessons regarding board leadership.

EDUCATIONAL BACKGROUND:

I graduated cum laude from California Polytechnic University, San Luis Obispo with a B.S. in Architectural Engineering.

OCCUPATIONAL EXPERIENCE:

I'm a partner with my brother and sons in a small family owned real estate development company. My father had started the company as a plumbing contractor, but we were also licensed as a general contractor until my brother's retirement from day-to-day operations. I designed and constructed our 25 acre industrial park in Desert Hot Springs, and also smaller industrial and residential projects in Riverside. We also own and manage 170 apartment units, vacant land and two smaller industrial complexes in Riverside. We employ nine people. In addition to being a licensed Civil Engineer, I'm also licensed as a Real Estate Broker. I plan to retire from day-to-day operations in January, 2020.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

California Apartment Association

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

The following is a summary of my involvement with community organizations. Please keep in mind the dates may be approximate. 1984-86 Member, Riverside County Democratic Central Committee 1986-88 Assembly District representative to the California Democratic Party Executive Committee Late 80's I was a founder and the business editor of the Inland Democrat, a newsletter for the Riverside-San Bernardino region of the California Democratic party. 1984-87 I served four years rotating through the offices of the local A.C.L.U. chapter (Secretary, Treasurer, Vice President and President) 1989 Riverside Chamber of Commerce Leadership Riverside program 1990-91 Serving as a volunteer tutor with the library's Laubach Literacy Program, I helped two adults learn to read. 1990 Volunteer Superintendent for Habitat for Humanity's first house in Riverside. 1990-91 California Society of Professional Engineers San Bernardino/ Riverside Chapter 'Mathcounts' Chair. Mathcounts is a middle school level math competition held at the chapter, state and national levels. About 100 kids from 20 schools participated. 1991 California Society of Professional Engineers- San Bernardino/ Riverside Chapter 'Young Engineer of The Year' award 1991-94 Member, Board of Trustees, Riverside City and County Public Library 1995-96 Hospice Care Volunteer, Riverside Hospice 1995-97 Member, Board of Directors, Riverside Hospice 1995 Volunteer of the Year Bryant Elementary School 1997-2000 Member, Board of Directors, Riverside Rotary 1998 Scholarship Chair, Riverside Rotary 1998-2001 Member, Board of Directors, Volunteer Center of Riverside County (2nd year as Vice-President, 3rd year as President). This agency administers seven programs, including a crises intervention hotline, senior ombudsman services, court ordered community service and a homeless service center. The agency employs about 50 people and has an annual budget of about \$1,500,000. 2000 Awarded Volunteer of the Year for Alcott Elementary for starting a chess club on campus 2002-2016 Founder and first President of the Riverside Youth Chess Association. This is an umbrella group to support local youth chess tournaments. 2010-Present Serving once again as a volunteer tutor with the library's Literacy Program, I have worked with several adults learning to read.
