

RIVERSIDE PUBLIC UTILITIES

Board Memorandum

BOARD OF PUBLIC UTILITIES

DATE: February 22, 2021

GENERAL MANAGER'S REPORT

**Riverside Public Utilities
Water Consultants' Panel Update
As of
January, 2021**

To streamline the procurement process for routine work, the Board of Public Utilities and the City Council voted to allow a Water Division Consultants' Panel to be established. The use of the Panel is beneficial in meeting deadlines related to completing engineering design, studies, or evaluations, and/or the use of professional consultant services. The Consultants' Panel is a list of companies that are pre-qualified to perform work on an as-needed basis through a Master Agreement. This saves time and money by simplifying the consultant procurement process for specific types of routine work.

When RPU determines a need to use the Consultants' Panel for professional consulting services, the Purchasing Manager sends a request for proposals (RFP) solicitation with a scope of work to the appropriate Panel consultants. Because members of the Consultants' Panel have already executed a three-year Master Agreement that includes the general and legal requirements of the contract, Consultants only have to address the technical aspects of the RFP. The Consultants' Panel mechanism is typically used for projects that meet the following two criteria: 1) RPU Engineering does not have the ability or the resources needed to perform the design, study, or evaluation within the period required; 2) and the cumulative value of supplemental agreements per consultant does not exceed \$750,000 as per the term of the Master Agreement. Projects that deviate from these criteria proceed through the formal procurement process. The following tables report activity for the 2019 – 2021 Consultant Panel Update.

Water Division 2019-2021 Consultants' Panel

List of Active Consultants

Approved by Board July 23, 2018

As of January, 2021

CONSULTANT

1. AESCO, Inc.
2. AKD Consulting
3. Albert A. Webb Associates
4. Architerra, Inc.
5. Black & Veatch Corporation
6. BMLA Inc.
7. Carollo Engineers, Inc.
8. CDM Smith Inc.
9. Converse Consultants
10. CWE
11. Dahl, Taylor & Associates, Inc.
12. Daniel B. Stephens & Associates, Inc.
13. Dudek
14. ECORP Consulting, Inc.
15. GeoTek, Inc.
