FROM: CITY MANAGER'S OFFICE WARDS: ALL
SUBJECT: 2020 ANNUAL REPORT

RECOMMENDATION:

That the Community Police Review Commission review and approve the revised Community Police Review Commission 2020 Annual Report.

DISCUSSION:

Community Police Review Commission Bylaws Article XI Sections 1 - 3 (page 9 of 10). The Commission shall present an annual written report of its activities for the past year to the Mayor and City Council. Due to the impact of the COVID-19 pandemic, Commission actions including outreach efforts and meetings were significantly impacted. Meetings were cancelled March 2020 through May 2020 in compliance with County Health Department orders. Meetings resumed in June 2020 virtually, however CPRC case reviews were impacted. Staff has provided statistical information for cases reviewed in 2020. The revised Final Draft 2020 Annual Report is attached for review and approval from the CPRC Commissioners.
