SUBJECT: DISCUSS THE ORGANIZATION OF A MUSEUM OF RIVERSIDE BOARD SOCIAL EVENT

ISSUE:

Discuss the organization of a Museum of Riverside Board social event.

RECOMMENDATION:

That the Museum of Riverside Board Development Committee discuss the organization of a Museum of Riverside Board social event.

BACKGROUND:

The Museum of Riverside Board (Board) is an advisory body to City Council. The Board is bound to operate under the same regulations designed to ensure transparent governmental operations as apply to the City Council and other boards and commissions. The state of California's Brown Act and the City's Sunshine Ordinance apply. The Museum of Riverside Board receives regular training on ethics, conduct, and compliance with the Brown Act and Sunshine Ordinance. The most recent training occurred at the virtual Museum of Riverside Board meeting held on June 24, 2020. Copies of the Brown Act and Sunshine Ordinance are also included in the reference binder supplied to each Board member.

DISCUSSION:

Closer acquaintance of individuals within a working group can improve group effectiveness. The Board Development Committee will discuss the manner in which a social event may be offered to help build group effectiveness, and will determine whether such an event can be organized to ensure that Museum of Riverside Board business is not discussed in violation of Brown Act or Sunshine Ordinance restrictions.

FISCAL IMPACT:

There is no fiscal impact associated with this report.
