Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I feel that it is extremely important to bridge the gap between our law enforcement and community, especially now. Community outreach by law enforcement is crucial in building positive relationships between them and the residences they are protecting and serving on a daily basis and will hopefully eliminate any skepticism by the residents in the community. It is also very important that the department is transparent in all matters--positive or negative--in order to gain the trust and respect of the community. It will also be beneficial for the members of the community to become partners with the police department as well as learn basic police procedures (the whys behind the procedures mostly) in order to fully understand the actions of the officers.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I was a Police Explorer for 7 years and learned a lot from the department and officers which helped me be able to relate to both sides. I was able to learn police procedures, go on ride-alongs, attended an Explorer Academy, and participate in many community events where i was able to interact with residents on a regular basis.

EDUCATIONAL BACKGROUND:

Bachelors Degree from Concordia University in Liberal Studies Masters Degree (MBA) from University of Phoenix in Business Administration

OCCUPATIONAL EXPERIENCE:

I am responsible for all customer related services in my field office. I partner with the Director of Business Operations and Regional Field Support Manager by communicating processes and ensuring compliance with in the field office. I also interview, develop, train, and manage Customer Support Associates and Administrative Assistants. I ensure that outstanding customer service is given to all customers, both internal and external. In addition, I manage several vital field office processes, including the health and safety program, internal recruiting process, the internal and external benefits program, and internal payroll. I manage compliance reports and track individual, divisional, field office, and regional performance goals. I am responsible for managing office spending including: supply procurement, marketing, out of office activities and our Purchasing Card account. Communicate continuously with management in regards to the administrative team, operations, reports, and current compliance of the operation. I also maintain relationship with office leadership and assist with miscellaneous duties for the Director of Business Operations.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I am a resident and it is my civic duty to serve. I believe that I can be of benefit to my community.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I have been a social justice advocate for more than 30 years. As such I have been involved in public policy discussions at the local, state, and national levels. I believe that public safety is central to residents' quality of life, but ALL residents must feel safe, and it has become clear that they do not. It has become apparent that law enforcement as currently practiced can be experienced as an instrument of trauma and fear for many residents. At the same time our society has added too many different expectations to law enforcement, asking them to manage situations for which they are not trained or prepared, such as substance abuse, homelessness, mental illness, and domestic violence. It is time to re-imagine public safety. A citizen oversight entity can be critical in balancing the competing demands of public safety, and ensure that both law enforcement and the public's point of view and perspectives can be heard, understood, and that they are an essential part of delivering public safety. In my work at Advancement Project California (see below), I have been honored to work with Constance L. Rice, one of the architects of community-based policing in this country. Ms. Rice also helped to pioneer the Community Safety Partnership between the LAPD and multiple public housing projects across LA, as well as the Summer Night Lights program. The examples of this work have shown me that it is possible for peace officers to work with community in a mutually-satisfactory manner that builds trust AND reduces crime, and the hopelessness that it creates in neighborhoods.

EDUCATIONAL BACKGROUND:

I attended Riverside public schools from kindergarten through high school, and graduated from Arlington High in 1983. I have a BA in Film & Television from CSU Northridge. I have an MA in Critical Studies in Film & Television from UCLA.

OCCUPATIONAL EXPERIENCE:

I have worked in the field of nonprofit development and communications since graduate school. I have been employed with the Center for Nonprofit Management, California Association of Nonprofits, Liberty Hill Foundation, Southern California Grantmakers, and now with Advancement Project California, which is a next generation, multi-racial civil rights organization. As a consultant, I have also worked with the LA Unified School District, the City of Riverside on the Seizing Our Destiny initiative, and now with the Inland Empire Funders Alliance.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

I am a founding member of the Riverside Resistance Revival Chorus.

Question applies to Community Police Review Commission

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
