Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I believe an effective leader plays an important role in establishing and maintaining the City's image. Anyone doing business or living in the City should help keep that image, as well as, establish and conduct business accordingly. I believe I do both. I am a Riverside resident and have the best interest for the City and its image. As a 3rd generation Riverside, I love Riverside and share Riverside Pride! As a citizen and business leader, I believe that the Community Police Review Commission is not as effective today as when it was created. I have spoken with several members that were critical in establishing this commission as a result of the Tyisha Miller. Rather than complaining and expecting change, I want to be part of establishing improvements. We need to continue transforming our existing commission as times change and build confidence in our Police Department. I want to serve as a commissioner for the City of Riverside Community Police Review Commission.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I currently work for the Riverside County managing more than \$20M annually in special assessments/taxes. I form assessment districts and Community Facilities Districts that enhance quality of life for each community within the County. This requires judgement, understanding, and relationships within each community. Prior to this I worked as Psomas' Regional Manager and Director managing 7 teams within civil engineering. Our company believes in balancing the natural and built environment. I also worked for Albert A Webb Associates for more than 18 years serving local municipalities such as City and County of Riverside, City of Menifee, Eastern Municipal Water District, City of Jurupa Valley, City of Temecula, Rancho California Water District and several others that have helped me understand local government and how to do business with many different agencies. Additionally, I serve as either the Chair or Vice-Chair for many associations that are focused on Riverside being the best city (see below for a list of Civic and Community Experience). Regardless, if I am working with foster children, homelessness, students, or the Greater Riverside Chamber of Commerce, I represent an economic engine and have the experience to establish tough decisions that will help our City.

EDUCATIONAL BACKGROUND:

Some college and many hours of direct business classes thru UCR and UCLA.

OCCUPATIONAL EXPERIENCE:

More than 31 years managing municipal clients establishing infrastructure, maintenance, and fee-based districts to help promote strong development in Southern California, AZ, and UT.

There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

With the exception of 2 years after graduating from UCR, I have been a lifelong resident of our great city. I grew up in the Eastside, studied here thru college, and worked at some of our most culturally significant places such as the Fox Theater, Municipal Auditorium, and the Citrus Park, in addition to local businesses and Riverside Public Utilities. My life's ambition is to be the Mayor of Riverside, and I am looking to not just prove my skills and dedication by joining on a board or commission, but to make actual, positive impact for all my people that call this place home.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

For all three of these boards I have had some relevant experience through my various roles over the years. My work at Riverside Public Utilities as an intern while in college and my current role at the Center for Sustainable Energy has granted me insight to the challenges utilities will increasingly face in the future as residents begin to rely less on the grid and more on distributed energy resource technology. My work as a community advocate in the Eastside and an organizer during my time at UCR gave me the opportunity to witness first-hand the needs and challenges our community faces in terms of crime but as well as their perception and needs regarding public law enforcement our need for better collaboration between all groups in this sector. Lastly, my work on promoting fiscally prudent projects in this city, particularly my previous work in advocating for the preservation of the Downtown library at its historic site, kicked off my understanding of the need to plan responsibly so as to not decimate what should be a balanced budget for our city. My resume will speak more to my diverse experiences, as well as my own account given the opportunity for an interview.

EDUCATIONAL BACKGROUND:

I graduated from the University of California, Riverside in 2018 with a Bachelor of Arts in Political Science and a minor in Italian Studies. I am fluent in English, Spanish and Italian, and have done work for UCR's Center for Economic Development and Innovation as well as research on behalf of UCR faculty for California State Park's Relevancy and History Project.

OCCUPATIONAL EXPERIENCE:

My experience here is incredibly diverse, as my goal since college was to become proficient in various industries to then one day as Mayor, better understand the positions and needs of various sectors and stakeholders throughout our city. Delivering on this goal, I have work experience in local Riverside small business, the public sector through work with Riverside Public Utilities and California State Parks, non-profits through work with the Citrus Park board and at the Center for Sustainable Energy, as well as international experience via teaching in Italy.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

During my time at UCR, I was a member of the Student Association for Latino-Spanish Affairs, the California Public Interest Research Group (CalPIRG) as well as a founding member of the UCR College Democrats.

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

Previously I was appointed by formal vote as Intern for the Riverside Neighborhood Partnership (RNP) as well as the Friends of California Citrus Park non-profit board.

(Attach additional pages as needed.)

My experience with governmental finance in our city has not been with numbers or behind spreadsheets. Rather, my experience with finance has been first-hand advocacy and representation for working-class Riversiders in regards to the impact that large projects and construction has on the city. In 2015 and 2016 while the city was considering the development of a new library in Downtown, my brother and I believed that the construction of such a building at that time was not prudent in terms of the city's finances. The city was still coming out of a difficult time due to the great recession and we had a general understanding that if a tighter leash was not kept on municipal expenditures, our city would eventually go the way of San Bernardino. We worked tirelessly to speak with the community and urge them to help us and promote that we keep the library at its old Downtown location, not simply as a matter of historic reusability of such a great building, but as a matter of fiscal prudence; it became evident that a new building, with an appropriate budget to match, would further add to city expenditures. I believe that my experience here, and the rest I have gained since then, has cemented my judgement in analyzing what a fiscally prudent decision is for the city. There are many problems our budget currently faces, and I aim to ensure my city plans for the future.

Community Police Review Commission
City of Riverside

I was notified of a recent vacancy on the commission by the Deputy City Clerk and would be honored by the opportunity to speak at greater length on how I may contribute my skills and passion-driven work ethic to such a crucial group.

I am a life-long Eastsider, and through my lived experiences, I have seen first-hand what sorts of problems continue to plague up-and-coming neighborhoods, as well as the type of programs that have been well-received as positive change for our communities. During my undergrad at UC Riverside, I was also quite active in such community groups like Residents for Responsible Representation and the Riverside Neighborhood Partnership in an effort to become a more engaged resident for my neighborhood.

My recent work includes administering various electric vehicle incentive programs at the Center for Sustainable Energy nonprofit. During my tenure at this organization, I also served as Chairman for the organizations's committee for Diversity, Equity and Inclusion for a Better Tomorrow. This committee was formed last year in the midst of national events; we set out with the goal to simply do better for our employees by making sure our internal processes are truly equitable. The work has been hard and at times lonely, but I am proud to say that my time as chairman has given me tremendous experience forming a committee of working professionals, designing agendas and facilitating meetings, as well as collaborating with varying departments to get work done and reporting monthly progress in presentations to the entire organization.

I look forward to meeting with the commission to communicate how I would serve as an asset for championing the needs of my fellow Eastsiders, as well as all Riversiders. I thank you for your consideration.

Respectfully,

Sergio A. Robles

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts.
