Board Memorandum

BOARD OF PUBLIC UTILITIES

DATE: AUGUST 9, 2021

GENERAL MANAGERS REPORT

SUBJECT: WA-12 AGRICULTURAL SERVICE WATER RATE REPORT – JUNE 30, 2021

The City Council adopted the WA-12 Agricultural Service water rate schedule (WA-12) on October 15, 2019, with an effective date of January 1, 2020. As a result, the previous WA-3/WA-9 customers were required to apply for the new WA-12 water rate schedule effective January 1, 2020, or transition to another applicable rate. Potential new customers began submitting applications to be considered for the new WA-12 water rate schedule as of January 2, 2020.

As of June 30, 2021, the WA-12 water rate schedule includes 218 customers of which 141 transitioned from the previous WA-3/WA-9. An estimated \$408,573 of the annual program allocation of \$684,000 has been allocated.

As of January 1, 2021, the agricultural water allocation was updated using the rolling 15-year monthly average ETo value weather data (2005-2019). Through June 30, 2021, customers used approximately 56% of their estimated allotment of water or 148,540 CCF out of the allotted 266,054 CCF, for the six-month period.

The attached graphics include additional WA-12 Agricultural Service water rate and program allocation information.
