Hello Jeff,

If we update the contract # on the attached PO to RIVCO-40523-002-10/21, do you agree to maintain the terms, conditions and pricing awarded under the County of Riverside contract based on RFP #PUARC-1380 and amended contract RIVCO-40500-002-10/21 through 6/30/22?

Thank you,

It is your P.O. that needs to change numbers.

Hi Jeff,

After reviewing your email, I see that this PO references Riverside County Contract ***RIVCO-40500-001—05/21***. That contract is only good until August. We need approval for the Riverside County contract with the **amendment** which is: ***RIVCO-40523-002-10/21***. See attached. Do you have copies of both of these contracts? Our purchasing department is requesting “an email stating that the pricing will remain the same for the City for the 21/22FY as what is in the Riverside County contract (which expires on 10/21/21)” or stating an agreement to the terms agreement to the terms of ***RIVCO-40523-002-10/21*** What you sent will not satisfy the request because it references the wrong contract. We would like to go to council to obtain a new Purchase Order because ours is going to expire shortly. Do you see the difference? Can you please call me tomorrow? Thanks!

Suzanne
