Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

#### COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

## ▼ Objective

---

My goal is to align myself with a firm which allows me to grow my skillsets to further make not only myself, but the whole IT department a notable asset within the firm. Ideally, I would like to work here as I finish my current CompTIA courses, but also have the opportunity to further my education while I work here to further add value in the ever-changing world of IT. While my background is not in IT, when we speak in the interview, I can better explain my motivation and personal choices.

## ▼ Experience

---

Jan 2017 – Present

**Financial Adviser • Corona, CA • Pacific Advisers**

Sep 2015 – Jan 2017

**Agent • Riverside, CA • New York Life**

Jun 2015 – Sep 2016

**Epson Representative • Irvine, CA • Advantage Solutions**

My professional knowledge and growth have primarily come from the last 4 years in the Financial Services Industry. I have served in the Marine Corps as a Chemical Biological Nuclear and explosives (CBRNe) Specialist. I have also qualified for the Million Dollar Round Table twice in a row.

## ▼ Education

---

NexGenT, San Jose, CA

- I am currently enrolled in the Full Stack Network Engineer program. I should be done in 6 months by their time frame, but it is self-study so I believe I should finish in 4 months. I also attended the University of Phoenix for the Information Systems Security degree, but dropped out due to GI Bill issues.

## ▼ Communication

---

My current job has given me the drive to take on massive tasks, get in front of people when needed, and command a small unit to achieve our goals. I have no issues working with others to make sure our timelines are met, if not surpassed.

## ▼ Leadership

---

Aside from my time as the Section Chief of Chemical Biological Radiological Nuclear and explosives section in my unit, I am also one of the Officers at my Masonic Lodge, as well as a member of the Hall Association and the sitting President on the Board of Trustees.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Question applies to Community Police Review Commission

#### COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
