The City of Riverside allocates grant funds annually to Path of Life Ministries (POLM) for the operation of the Emergency Shelter. In fiscal year 2020/2021, the City provided POLM \$325,500 in funding from the following funding sources:

- \$150,000 of federal Emergency Solutions Grant (ESG) funds
- \$95,500 of federal Community Development Block Grant (CDBG) funds
- \$80,000 of federal ESG-CV

The number of people assisted in FY 2020/2021 were higher than the previous year due to the shelter increasing the bed space to 90 beds.

In FY 2019/2020, 67% of the POLM Emergency Shelter guests (474 individuals) were from the County of Riverside, and 37% of the guests (259 individuals) were from the City of Riverside. In FY 2020/2021, 78% of the POLM Emergency Shelter guests (645 individuals) were from Riverside County, and 56% of the guests (460 individuals) were from the City of Riverside. The increased number of shelter guests from the City of Riverside in FY 2020/2021 was due to the change in how POLM asked the question of “What is your last known zip code?” to “Where did you last reside in the last 90 days?”

POLM also operates a Cold Weather Shelter (CWS) Program in the City of Riverside. Due to the COVID pandemic, POLM had to operate the CWS at the Salvation Army’s facility at 3695 First Street, where they had to reduce the number of shelter beds from 50 to 40. POLM is in the process of submitting a Temporary Use Permit to the City’s Planning Division to operate the CWS beginning January 3, 2022, at 3695 First Street.
