The Pledge of Allegiance was given to the flag.										
<b>PLANNING/ZONING MATTERS FROM THE AUDIENCE</b> Patricia Locke-Dawson, President of the Riverside Land Conservancy, spoke regarding the work the Riverside Land Conservancy does. She invited the Commission to a gala event on October 16, 2016 and stated she would be sending them an invitation.										
<b><u>PUBLIC HEARINGS</u></b>										
<b><u>PLANNING CASE P16-0161</u></b> – <i>Conditional Use Permit for a Public Charter School at 5188 Arlington Avenue, Ward 3</i> Proposal by Kyle Knowland of Alta Vista Public Charter School for consideration of a Conditional Use Permit to establish a public charter school for a total of 400 students with approximately 12 students at any given time, ages 14 and 19, in an existing 10,250 square foot tenant space within an existing commercial building at Heritage Plaza. Vanessa Norwood, Contract Senior Planner, presented the staff report. Ms. Norwood noted that on May 12, 2016 the Airport Land Use Commission (ALUC) determined the proposal was inconsistent with the Riverside County Airport Land Use Compatibility Plan because schools are prohibited in Zone C and the proposal exceeded the allowable number of people per acre. Because the ALUC has made a determination of inconsistency, the applicant has filed an appeal to the City Council and upon finalization of planning commission review this case will be forwarded to the City Council for public hearing. Tom Hunt, representing the applicant, stated they were in agreement with the recommended conditions. He noted that comments in support of the project were distributed to the Commission this morning. Mr. Hunt clarified there was no conflict for him in representing this proposal as the school is chartered by San Bernardino County School District. There is no conflict for him. Kyle Nolan, Alta Vista Public Charter, introduced himself and answered planning commissioner's questions. There were no comments from the audience. Following discussion the Planning Commission: 1) Determined that Planning Case P16-0161 will not have a significant effect on the environment and is exempt from the California Environmental Quality Act (CEQA) Section 15301 (Existing Facilities – Class 1), based on the findings set forth in the case record; and 2)
