**Item 10 Update on the Library Department Proposed Two-Year Budget for Fiscal Year 2018/19 and Fiscal Year 2019/20**

Acting Library Director Christmas, provided an update on the Library Department's proposed two-year budget for fiscal year 2018-2020. The department identified potential 4% balancing measures to address General Fund shortfalls. The 4% reductions include expenditure reductions on discretionary spending such as Materials (book) and General Office Supply budget. The Department is also proposing to keep already vacant positions unfilled. The major capital improvement projects include the new Main Library, air handler and new roof at La Sierra Library, and carpet repair at Arlanza Library.

Staff will present to the Budget Engagement Commission on January 31 at 4:45 p.m.

President Yonezawa inquired about mechanism used for the reduction of Security Guard services at locations. Acting Library Director Christmas responded that consideration was given to the number and severity of incidents at all locations. Spc Jesus S. Duran Eastside and Main Library have the most number of incidents and higher severity. Full Time services will be kept at both of these locations.

President Yonezawa recommended the possibility of rotating the Security Guard. Administrative Service Manager Guzman replied that the department does have flexibility in moving or sharing the Security Guard to other locations as needed. The following item may address the question further.

Trustee Evans recommended including the Spc Jesus S. Duran Eastside relocation as number three on the priority list for Capital Improvement Project. Assistant City Manager Nguyen responded to Trustees about the role of the Budget Engagement Commission is to review the department's proposed budget reductions and they will in turn make a presentation to the City Council of what they perceive to be the priorities. Additionally, the Board of Library Trustees has time between now and May to formally provide recommendation(s) to the City Council.

Trustee Evans concerned with reducing security guard services since the department previously unfunded a position to fund security guard. Trustee Goldware concerned with losing the Library Assistant position.

Evans made a motion to add the SPC Jesus S. Duran Eastside Library project with number three priority on the Capital Improvement Project, and reinstate the funding for security guard services in non-personnel.

Motion: Evans  
Second: Alcala  
Ayes: Unanimous
