Item 10 Fiscal Year 2020/21 Budget Update

Library Director Christmas provided an update on the Library Fiscal Year 2020/21 adopted budget.

The City adopted a biennial budget and five-year planning process in 2016 to provide a long-term outlook on the City finances. Due to the current economic environment prompted by COVID-19 and the ongoing shelter in place order, a one-year emergency budget was proposed and adopted by the City Council on June 16, 2020.

Due the impact of COVID-19 on public and community meetings, the City streamlined the current budget process to adopt an emergency fiscal year 2020/21 budget, which consists of a Fiscal Year 2019/20 rollover budget.

Fiscal Year 2020/21 Budget:

The Library Department's authorized operating budget for Fiscal Year 2020/21 for the General Fund is \$8.4 million and \$3.1 million in the Measure Z Fund. An estimated amount of \$372,829 of Measure Z funds are allocated for Security Guard Services. The remainder of Measure Z funds are allocated to pay the debt service for the new Main Library.

Revenue:

The primary revenue sources include Library fines from late fees, lost books; charges for services for miscellaneous receipts for printing; and Measure I which is a \$19 annual parcel tax designated to supplement the Library General Fund budget. Measure I is anticipated to bring in approximately \$1.4 million in FY 2020/21. Measure I sunsets on June 20, 2022.

Personnel:

Staffing levels remained the same at 60 Full Time Equivalent positions or FTE. There were two (2) FTE's reclassified. Position reclassifications occur during the fiscal year due to a review of incumbent duties, or due to the reallocation of vacant positions to areas of greater operational needs. In the Administrative Division the Senior Office Specialist 1.00 FTE was reclassified to Senior Administrative Assistant 1.00 FTE and in the Neighborhoods Division a Library Technician 1.00 FTE was reclassified to a Library Associate 1.00 FTE.

Vacancies:

There are eight (8) vacancies for a total of 13.3% of all personnel that remain unfunded and provide a budget reduction or salary saving of \$757,995. The Department will need to achieve this savings during the fiscal year. City Management and the Library Leadership team will monitor these vacancies and personnel needs throughout the fiscal year to limit the impact to Library programs and to ensure that library operations continue in an effective and efficient manner.

No action taken.

Item 11 CA Cares Humanities Relief Program Grant Award in the amount of \$15,000

Funding from the CA Cares Relief Grant will provide a series of adult programs entitled Humanities Hour. Humanities Hour is a series of classes the Library will provide for adults to connect with arts, culture, and writing through an online platform. Upon City Council approval, the Library will contract with three local non-profit organizations that support various subsets of humanities programming in the Riverside community.

Funds for Humanities Hour will also be used to expand the digital offerings the Riverside Public Library provides the adult community in humanities related topics to reach adults who may not participate in the classes. These funds will allow for an enhanced collection in areas such as writing, culture, art, history, language, philosophy, and religion. Additionally, access to a new database that addresses areas related to the humanities will be provided to the community. Funding will be allocated by the following:

Humanities Hour Online Classes

Programs from Non-Profit(s)	\$4,500
Digital Content: E-Books	\$7,500
Digital Content: Database	\$3,000
Total	\$15,000

On August 4, 2020, the City Council unanimously accepted the award. The grant period is from July 1, 2020 to December 31, 2020.

No action taken.

Item 12 California State Library awards \$20,000 credit line through Amazon for Zip Books Project, an alternative to traditional interlibrary loan services – Participation through June 30, 2021

In December 2016, the California State Library approved a thirty-month grant to the NorthNet Library System for \$1 million in one-time funds from Fiscal Year 2016-2017 California Library Services Act (CLSA) for expansion of the Zip Books Project (Project) statewide. The new grant cycle is July 20, 2020 and will run through June 30, 2021.

Zip Books is an alternative model to traditional interlibrary loan that has been tested in 30 California public libraries over the past four years, through a multi-year Library Services and Technology Act (LSTA) demonstration grant project. Through the Project, the State Library provides funds to participating libraries to order requested materials the library does not already own. Materials are shipped directly to the patrons using Amazon Prime's shipping service. When patrons are finished with the materials, they return them to the lending library.

The California State Library selected the Riverside Public Library to participate in the Zip Books Project and awarded a grant for \$20,000 through a California Prime Corporate Credit Line Account from the California State Library.

Item 13 Book to Action Program

On November 27, 2019, the Library's request to participate in the Program was approved by the California Center for the Book. The Library selected the book titled Dream Land, a book which focuses on the history of the opioid epidemic throughout the United States Components of the proposed Program are outlined below.

1. Community Read and book discussion – Dreamland by Sam Quinones
2. Author Event—In conversation with Sam Quinones
3. Community Service Activity – Displays and a presentation related to the opioids epidemic

The Program was originally planned to be hosted in March and April 2020. Due to the COVID 19 pandemic, the Library hosted a Community Read throughout the month of August and will culminate with an author event.

The Program was originally required to be completed by mid-June 2020 with a final report and survey due to the California Center for the Book in mid-July 2020. Due to library closures caused by the COVID 19 pandemic the California Center for the Book has extended the deadlines. Programs are required to be completed by August 31, 2020 with a final report and surveys due as soon as possible thereafter.

The total allocation of \$1,000 will cover speaker fees and books to be given away to the community. The practice of the California Center for the Book is to not reimburse or offer funds directly to the Riverside Public Library. However, books were ordered directly by California Center for the Book and shipped to the Riverside Public Library. Invoices for speaker fees and giveaway books were paid directly by California Center for the Book.

No action taken.
